## **PINOLE CITY COUNCIL MEETING AGENDA**

**June 17, 2025  
5:00 PM**

**Attend in Person: PINOLE CITY COUNCIL CHAMBERS - 2131 PEAR STREET  
OR**

**Attend VIA ZOOM TELECONFERENCE – Details provided below**

---

### **How to Submit Public Comments:**

#### **In Person:**

Attend meeting at the Pinole City Council Chambers, fill out a yellow public comment card and submit it to the City Clerk.

#### **Via Zoom:**

Members of the public may submit a live remote public comment via Zoom video conferencing. Download the Zoom mobile app from the Apple Appstore or Google Play. If you are using a desktop computer, you can test your connection to Zoom by clicking [here](#). Zoom also allows you to join the meeting by phone.

#### **From a PC, Mac, iPad, iPhone or Android:**

<https://us02web.zoom.us/j/89335000272>

**Webinar ID: 893 3500 0272**

**By phone: +1 (669) 900-6833 or +1 (253) 215-8782 or +1 (346) 248-7799**

- Speakers will be asked to provide their name and city of residence, although providing this is not required for participation.
- Each speaker will be afforded up to 3 minutes to speak (subject to modification by the Mayor)
- Speakers will be muted until their opportunity to provide public comment.

When the Mayor opens the comment period for the item you wish to speak on, please use the “raise hand” feature (or press \*9 if connecting via telephone) which will alert staff that you have a comment to provide and press \*6 to unmute. To comment with your video enabled, please let the City Clerk know you would like to turn your camera on once you are called to speak.

#### **Written Comments:**

All comments received **before 3:00 pm the day of the meeting** will be posted on the City’s website on the agenda page (Agenda Page Link) and provided to the City Council prior to the meeting. Written comments will not be read aloud during the meeting. **Email comments to [comment@pinole.gov](mailto:comment@pinole.gov)** Please indicate which item on the agenda you are commenting on in the subject line of your email.

## OTHER WAYS TO WATCH THE MEETING

**LIVE ON CHANNEL 26.** They are retelecast the following week. The Community TV Channel 26 schedule is published on the city's website at [www.pinoles.gov](http://www.pinoles.gov).

**VIDEO-STREAMED LIVE ON THE CITY'S WEBSITE,** [www.pinoles.gov](http://www.pinoles.gov) and remain archived on the site for five (5) years.

**If none of these options are available to you, or you need assistance with public comment, please contact the City Clerk, Heather Bell at (510) 724-8928 or [hbelle@pinoles.gov](mailto:hbelle@pinoles.gov).**

**Americans With Disabilities Act:** In compliance with the Americans With Disabilities Act of 1990, if you need special assistance to participate in a City Meeting or you need a copy of the agenda, or the agenda packet in an appropriate alternative format, please contact the City Clerk's Office at (510) 724-8928. Notification at least 48 hours prior to the meeting or time when services are needed will assist the City staff in assuring that reasonable arrangements can be made to provide accessibility to the meeting or service.

**Note:** Staff reports are available for inspection on the City Website at [www.pinoles.gov](http://www.pinoles.gov). You may also contact the City Clerk via e-mail at [hbelle@pinoles.gov](mailto:hbelle@pinoles.gov).

**Ralph M. Brown Act. Gov. Code § 54950.** In enacting this chapter, the Legislature finds and declares that the public commissions, boards and councils and the other public agencies in this State exist to aid in the conduct of the people's business. It is the intent of the law that their actions be taken openly and that their deliberations be conducted openly. The people of this State do not yield their sovereignty to the agencies, which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created.

**1. CALL TO ORDER & PLEDGE OF ALLEGIANCE IN HONOR OF THE US MILITARY TROOPS**

**2. LAND ACKNOWLEDGMENT**

Before we begin, we would like to acknowledge the Ohlone people, who are the traditional custodians of this land. We pay our respects to the Ohlone elders, past, present, and future, who call this place, Ohlone Land, the land that Pinole sits upon, their home. We are proud to continue their tradition of coming together and growing as a community. We thank the Ohlone community for their stewardship and support, and we look forward to strengthening our ties as we continue our relationship of mutual respect and understanding.

**3. ROLL CALL, CITY CLERK'S REPORT & STATEMENT OF CONFLICT**

An official who has a conflict must, prior to consideration of the decision: (1) publicly identify in detail the financial interest that causes the conflict; (2) recuse himself /herself from discussing and voting on the matter; and (3) leave the room until after the decision has been made, Cal. Gov't Code § 87105.

**4. CONVENE TO A CLOSED SESSION**

Citizens may address the Council regarding a Closed Session item prior to the Council adjourning into the Closed Session, by first providing a speaker card to the City Clerk.

**A. CONFERENCE WITH LABOR NEGOTIATORS**

Gov. Code § 54957.6

Agency designated representatives: City Manager, Kelcey Young, City Attorney, Eric Casher, Human Resources Director, Stacy Shell, Finance Director, Markisha Guillory, and Gregory Ramirez, IEDA

Employee organizations: AFSCME Local 1, AFSCME Local 512, and the Pinole Police Employees Association (PPEA)

**B. PUBLIC EMPLOYEE PERFORMANCE EVALUATION**

Gov. Code § 54957

Title: City Manager

**5. RECONVENE IN OPEN SESSION TO ANNOUNCE RESULTS OF CLOSED SESSION**

**6. CITIZENS TO BE HEARD (Public Comments)**

Citizens may speak under any item not listed on the Agenda. The time limit is 3 minutes and is subject to modification by the Mayor. Individuals may not share or offer time to another speaker. Pursuant to provisions of the Brown Act, no action may be taken on a matter unless it is listed on the agenda, or unless certain emergency or special circumstances exist. The City Council may direct staff to investigate and/or schedule certain matters for consideration at a future Council meeting. PLEASE SEE THE COVERSHEET OF THE AGENDA FOR INSTRUCTIONS ON HOW TO SUBMIT PUBLIC COMMENTS

**7. REPORTS & COMMUNICATIONS**

**A. Mayor Report**

**1. Announcements**

**B. Mayoral & Council Appointments**

**C. City Council Committee Reports & Communications**

- D. Council Requests for Future Agenda Items
- E. City Manager Report / Department Staff
- F. City Attorney Report

## 8. **RECOGNITIONS / PRESENTATIONS / COMMUNITY EVENTS**

### A. **Proclamations**

None

### B. **Presentations**

- 1. PCTV Community Media Center Strategy
- 2. Presentation on California Lineage Based Reparations and the California Reparations Commission Recommendation
- 3. Robert Walker Memorial Presentation

## 9. **CONSENT CALENDAR**

All matters under the Consent Calendar are considered to be routine and noncontroversial. These items will be enacted by one motion and without discussion. If, however, any interested party or Council member(s) wishes to comment on an item, they may do so before action is taken on the Consent Calendar. Following comments, if a Council member wishes to discuss an item, it will be removed from the Consent Calendar and taken up in order after adoption of the Consent Calendar.

- A. Approve the Minutes of the Regular City Council Meeting on June 3, 2025.
- B. Receive the May 31, 2025 – June 13, 2025 List of Warrants in the Amount of \$1,450,114.06 and the June 6, 2025, Payroll in the Amount of \$532,924.45.
- C. FY 2025/26 Final Proposed Operating and Capital Budget **Action: Adopt Resolution per Staff Recommendation (Markisha Guillory)**
- D. FY 2025/26 Appropriations Limit **Action: Adopt Resolution per Staff Recommendation (Markisha Guillory)**
- E. Adoption of Growth Management Plan (GMP) Checklist and Authorization for Submission to CCTA **Action: Adopt Resolution per Staff Recommendation (David Hanham)**
- F. Approve An Amendment To The Employment Agreement For The City Clerk **Action: Approve an Amendment to the Employment Agreement for the City Clerk (Stacy Shell)**
- G. Adopt and Ordinance Renewing AB481 Military Use Equipment **Action: Waive the second reading and adopt an ordinance approving the renewal of the City's Military Equipment Use Policy. (Melissa Klawuhn, Jeremy Crone)**
- H. Adopt an Ordinance Designating Fire Hazard Severity Zone Map in Pinole **Action: Waive the second reading and adopt an Ordinance per Staff Recommendation (David Hanham)**
- I. Amended Reserve Policy **Action: Adopt a Resolution per Staff Recommendation**

(Markisha Guillory)

- J. Approval of Fiscal Year 2025-26 Capital Budget and Five-Year Capital Improvement Plan **Action: Adopt Resolution per Staff Recommendation (Heba El-Guindy)**
- K. Amend Consulting Services Agreement between the City and GHD, Inc. for the Development of an Active Transportation Plan - Project IN2106 **Action: Adopt Resolution per Staff Recommendation (Heba El-Guindy)**
- L. Approve Memorial Installations in Dedication of Robert Walker **Action: Adopt Resolution per Staff Recommendation (Fiona Epps)**

#### 10. PUBLIC HEARINGS

Citizens wishing to speak regarding a Public Hearing item should fill out a speaker card prior to the completion of the presentation, by first providing a speaker card to the City Clerk. **An official who engaged in an ex parte communication that is the subject of a Public Hearing must disclose the communication on the record prior to the start of the Public Hearing.**

- A. FY 2024/25 Utility Users' Tax Review **Action: Adopt Resolution per Staff Recommendation (Markisha Guillory)**
- B. Community Services Department FY 2025/26 Master Fee Schedule **Action: Adopt Resolution per Staff Recommendation (Andrea Dwyer)**

#### 11. OLD BUSINESS

None

#### 12. NEW BUSINESS

None

#### 13. CITIZENS TO BE HEARD (Continued from Item 6) (Public Comments)

Open only to members of the public who did not speak under the first Citizens to Be Heard, Agenda Item 6 **Citizens may speak under any item not listed on the Agenda.** The time limit is 3 minutes for City Council items and is subject to modification by the Mayor. Individuals may not share or offer time to another speaker. Pursuant to provisions of the Brown Act, no action may be taken on a matter unless it is listed on the agenda, or unless certain emergency or special circumstances exist. The City Council may direct staff to investigate and/or schedule certain matters for consideration at a future meeting.

#### 14. ADJOURNMENT to the Regular City Council Meeting of July 1, 2025 in Remembrance of Amber Swartz.

I hereby certify under the laws of the State of California that the foregoing Agenda was posted on the bulletin board at the main entrance of Pinole City Hall, 2131 Pear Street Pinole, CA, and on the City's website, not less than 72 hours prior to the meeting date set forth on this agenda.

---

Heather Bell, CMC

City Clerk

# ASSESSMENT

- **Council Members'** input
- **Department** input
- **PCTV survey** (community input)

"It would be great to see where our community is at so we may look into tech upgrades for our PCTV team."

"What is the city's vision for the future of community media in Pinole?"

"How does the city engage underrepresented voices in PCTV?"

# PCTV SURVEY RESULTS

171 participants, 5,544 responses

## Viewership

- 60% have previously watched PCTV on channels 26 or 28
- 31% watch 1-3 times per month
- 9% watch weekly
- **71% would watch PCTV more often if it were available through internet streaming platforms**

# PCTV SURVEY RESULTS

## Most Valued Services

- Job training for youth
- Cultural event coverage
- Coverage of local government meetings
- Media literacy education
- Local sports broadcasts
- Preserving community history through video

# PCTV SURVEY RESULTS

## Content & Programming Interest

Local Business News & Information: 65%

Local Government Meetings: 70%

Community Festivals & Neighborhood Events: 70%

Local Public Safety Information: 67%

## Additional areas of interest

- City Services and Programs: 66%
- Local Health and Wellness Programs: 58%
- Informational programs about services & activities of local orgs/clubs: 58%
- Diverse cultural programs/events: 57%
- Environmental Programs: 49%
- Agricultural and Gardening Content: 48%
- Information from Local Colleges and Universities: 45%
- Local Sports and Recreational Activities: 44%
- Board of Education Meetings: 44%

# PCTV SURVEY RESULTS

171 participants, 5,544 responses

## Community Engagement and Support

Even though just 60% of respondents reported having watched PCTV, **96%** of respondents rated **preserving funds to maintain PCTV services** as **Important** to **Vitally Important**, with **40%** considering it **Vitally Important**.

**18% of respondents opted to subscribe** for updates, showing an ongoing interest in staying informed. Furthermore, **11 individuals expressed interest in becoming sponsors**, and **10 people volunteered** to contribute their time.

# VISION AND MISSION

## VISION

PCTV envisions an **engaged, informed, and inclusive** Pinole community, connected through **accessible digital media** and empowered by a **trusted leader in local news and community storytelling**.

## MISSION

**To enhance civic engagement, government transparency, and community storytelling** through accessible media resources. We provide **high-quality video production, broadcasting, and digital media services** to support the City of Pinole, local agencies, and community organizations in sharing important information, public meetings, and local stories.

# GOALS AND OBJECTIVES

1. Establish, maintain and **operate public access center**.
2. **Support residents, organizations, and local businesses** in sharing their stories and staying informed.
3. **Foster learning opportunities** and workforce development that inspires the next generation and strengthens their investment in the Pinole community.

# GOALS AND OBJECTIVES (Continued)

**4. Air distinctively local content** that reflects local news and the unique stories, cultures, and perspectives of the Pinole community.

**5. Increase community awareness** and engagement with PCTV's public access center and services through a targeted outreach and marketing plan.

# PROGRAMMING STRATEGY

## Local Government & Community Content

- **Council meetings** and council meeting highlights
- **Community event** recaps
- **Local news** stories (including The Beat of Pinole)
- **Government** meetings

## Community Engagement & Services

- **Business spotlights**
- **Community resources** (i.e. AARP, mental health)
- **City of Pinole** services
- **Animal services**
- **Youth podcasts**
- **Senior Center** programs

# PROGRAMMING STRATEGY

(Continued)

## Cultural and Educational Content

- Local **art** and **music**
- **DIY/home improvement**
- **Fitness** and **meditation** videos
- **Audiobook** readings
- Pinole **Library programs**

## Interactive and Special Features

- **Livestreams** (traffic, weather, wildlife, social media)
- Community **bulletin boards**
- Local **sporting events**

# PROGRAMMING STRATEGY

(Continued)

## Partnerships and Collaborative Projects

- Collaborations with local organizations
- Funded by **sponsors** or **grants**

# TECHNOLOGY

**Goals:** replace obsolete equipment and support PCTV's evolving mission to provide high-quality, lower cost video production and broadcast.

- **Mobile** and **flexible** equipment
- **AI** and **streamlined editing** tools
- Enhanced **streaming** and **accessibility**
- **Compact** and **high-quality broadcast** technology
- Upgraded **control and monitoring**

# SPONSORSHIPS AND MEMBERSHIPS

## Sponsorships

- Program sponsors
- Movies in the Park
- Local sports broadcast
- Community Champion

## Memberships

- Youth/Senior
- Individual
- Community Organization
- Business

# CITY SUPPORT

- **Event coverage, photo/videography, video production, AV support**
- **Cost Challenges:** High internal service costs and budget constraints may limit the frequency and scope of PCTV support.
- **Shift in Strategy:** Bringing back community-centered services and building partnerships to enrich content.
- **Capacity Considerations:** Staff time must be re-allocated across core functional areas to meet new objectives.

## Current Funding Sources

- Cable Franchise Fees
- PEG Fees
- General Fund
- Client Contracts

## Services Offered

- Equipment Rentals
- Professional Services
- Client Contracts

## Community Support

- Sponsorships
- Memberships
- Grants

# FISCAL SUSTAINABILITY

# COMMUNITY ENGAGEMENT & OUTREACH

## 1. Public Presence and Outreach

- Car Show Interactive Booth
- Materials & Ambassadors

## 2. Community Film Screening (FY26/27)

- Host annual Community Film Screening

## 3. Training & Media Literacy Workshop

- Media & Video Tech Workshop
- Partner with library and Senior Center

# COMMUNITY ENGAGEMENT & OUTREACH

## 4. Digital Engagement & Visibility

- Social Media Strategy
- Webpage Redesign

## 5. Volunteer, Internship & Youth Engagement

- Establish partnerships with local schools
- Partner with local student journalists
- Create a structured volunteer program

## 6. Equity & Inclusion

- Targeted outreach
- Representative programming
- Inclusive hiring

# MARKETING PLAN

## Launch & Awareness

- Website visibility & publish webpages
- Finalize sponsorship package
- Social media
- Promote in The Pulse
- Signage and posters

## Business Engagement & Membership Introduction

- Email business owners
- Business video invitations
- Develop membership model

## Community Connection & Growth

- Partner with Sports Leagues
- Host Open House event
- Launch email campaigns

## **I. Executive Summary**

Pinole Community Television (PCTV) has embarked on a renewed department strategy, evolving into a dynamic hub for local media, civic engagement, and community connection. PCTV aims to expand beyond traditional government broadcasts and provide a diverse range of services, including local news coverage, community-driven content, and public access programming. By integrating professional video production, digital media resources, and workforce development opportunities, these new initiatives will enhance public engagement, promote economic growth, and create accessible platforms for information, entertainment, and community dialogue.

### **Mission Statement**

The mission of Pinole Community Television (PCTV) is to enhance civic engagement, government transparency, and community storytelling through accessible media resources. We provide high-quality video production, broadcasting, and digital media services to support the City of Pinole, local agencies, and community organizations in sharing important information, public meetings, and local stories.

### **Vision Statement**

PCTV envisions an engaged, informed, and inclusive Pinole community, connected through accessible digital media and empowered by a trusted leader in local news and community storytelling.

### **Goals and Objectives**

#### **1. Establish, maintain and operate public access center:**

- Develop funding resources and administer such funds in order to promote Public, Education and Governmental programming in the public interest;
- Provide the City, individuals and organizations the necessary resources and support to produce programming for the access channel(s), including training, equipment, production facilities and channel time; and
- Operate in the public interest by ensuring access to meaningful Public, Education, and Government (PEG) media that empowers the Pinole community, in alignment with FCC rules, California DIVCA regulations, and Pinole community standards.

#### **2. Support residents, organizations, and local businesses in sharing their stories and staying informed:**

- Provide innovative digital technologies and content to inform, engage and connect the diverse voices and interests of our communities;

- Create a sponsored-advertising program and local business highlight segment in accordance with California DIVCA regulations;
- Facilitate hands-on training programs and production opportunities which empower the public to create content; and
- Provide inclusive access to local government meetings to ensure the community stays informed, engaged, and feels empowered to participate in civic decision-making.

**3. Foster learning opportunities and workforce development that inspires the next generation and strengthens their investment in the Pinole community:**

- Provide hands-on media experiences for students, graduates, and/or individuals interested in community media;
- Build partnerships with local schools to support internship and fellowship programs that create higher education and career pathways;

**4. Air distinctively local content that reflects local news and the unique stories, cultures, and perspectives of the Pinole community:**

- Connect community members and create opportunities for storytelling which features residents, local artists, activists, historians, and others;
- Broadcast and livestream news, community events and local sports;
- Support community-produced segments by offering public access services;
- Advertise the community bulletin board to encourage the public to share local announcements and everyday happenings that reflect community life;
- Establish procedures to discover original content made by local creators;

**5. Increase community awareness and engagement with PCTV's public access center and services through a targeted outreach and marketing plan:**

- Develop and implement a community-centered outreach strategy;
- Launch a comprehensive marketing plan to promote PCTV's offerings;
- Increase visibility and brand recognition of PCTV across the region;
- Track and evaluate outreach impact through data collection and analysis, community surveys, adjusting strategies accordingly.

## **II. Community Needs Assessment / Needs Analysis**

In July 2024, staff asked council members to provide their input about what they wished to see addressed in a community needs assessment. Staff received replies from two council members at the time: Devin T. Murphy and Cameron Sasai.

Devin T. Murphy identified key areas requiring further clarity and strategic planning for PCTV, including staffing levels, potential funding sources, and the establishment of performance metrics. Broader considerations include the City's long-term vision for community media,

opportunities for collaboration with local organizations, adaptation to evolving technologies and audience habits, and efforts to engage underrepresented voices in media content.

Cameron Sasai emphasized the importance of aligning PCTV efforts with community preferences, suggesting the survey gather input on preferred social media platforms and perceptions of PCTV's current technology. He noted the need to assess potential technology upgrades and expressed interest in reviving internship opportunities, recommending community feedback to gauge support for such programs.

Staff used this input to craft targeted questions in a community needs assessment (referred to as "PCTV Survey") whose results would shape the PCTV Strategy.

## PCTV Survey

To ensure its new strategy reflects the needs and interests of the community it serves, PCTV launched a digital survey between November and December 2024. The survey resulted in a high level of engagement, with 170 participants contributing a total of 5,544 thoughtful and insightful responses. Several areas were assessed to gain valuable insight for how PCTV can develop its service delivery model, including but not limited to: Viewership, Services, Content & Programming, Streaming Access, Areas for Improvement, and Community Support. [View the full PCTV Survey Report](#) in Attachment A.

### A) Viewership

Historically, PCTV has been unable to gain access to viewership data from cable franchises. Internet streaming is a new way to gain valuable viewership data, but because it is new, the City used its recent survey to get a better understanding for current and past viewership.

Survey results revealed that 60% of respondents have previously watched PCTV on channels 26 or 28. However, regular viewership remains modest—31% reported tuning in 1–3 times per month, while only 9% watched weekly. The most commonly viewed content included city council and other government meetings. Despite relatively low cable viewership, PCTV's numbers remain high compared to other PEG stations with strong interest in more accessible formats: **71% of respondents indicated they would watch PCTV more often if it were available through internet streaming platforms.** This highlights a significant opportunity to expand reach and engagement by enhancing PCTV's digital presence.

### B) Services

An important component of the survey asked participants about how much they value PCTV's current and potential service offerings. The most valued PCTV activities, based on survey responses, were **job training for youth, preserving community history through video, and maintaining funding for these services.** Job training received the highest level

of support, with 41% of respondents rating it as "Vitaly Important." Preserving the community's history through video followed closely at 39%, and **preserving funds to maintain these services** was also highly prioritized, with 40% rating it as "Vitaly Important." These topics not only received the highest top-tier ratings but also showed strong overall support across the "Very Important" and "Important" categories, indicating they are seen as essential to the community's well-being.

Moderately valued activities included **coverage of local government and education meetings**, as well as **media literacy education**. For government and education coverage, 34% of respondents rated it as "Vitaly Important," 32% as "Very Important," and 27% as "Important," showing a strong majority in favor, though with slightly less top-tier support compared to the highest-rated activities. Media literacy followed a similar pattern, with 31% considering it "Vitaly Important" and 29% "Very Important."

**Cultural event coverage** and **local sports broadcasts** received more varied responses, reflecting a range of community interests. While 24% of respondents rated cultural events as "Vitaly Important," others may view them as more complementary to core services. Local sports broadcasts, with 18% rating them as "Vitaly Important," also showed a mix of opinions, highlighting the diverse priorities within the community. These results suggest that while not considered essential by all, these activities still hold value for many.

### C) Content & Programming

To inform the development of community-driven programming and boost audience engagement, PCTV assessed viewer content preferences through its recent survey. The findings revealed strong interest across a range of local topics. The top four topics were:

1. **Local Business News and Information:** 65% of showed interest (22% interested, 43% very interested).
2. **Local Government Meetings:** 70% showed interest (28% interested, 42% very interested).
3. **Community Festivals and Neighborhood Events:** 69% showed interest (31% interested, 38% very interested).
4. **Local Public Safety Information:** 67% showed interest (38% interested, 29% very interested).

Additional areas of interest included:

- City Services and Programs: 66%
- Local Health and Wellness Programs: 58%
- Informational programs about services & activities of local orgs/clubs: 58%
- Diverse cultural programs/events: 57%
- Environmental Programs: 49%
- Agricultural and Gardening Content: 48%

- Information from Local Colleges and Universities: 45%
- Local Sports and Recreational Activities: 44%
- Board of Education Meetings: 44%

The above insights underscore the community's desire for relevant, hyper-local content and offer PCTV valuable direction for future programming initiatives.

#### **D) Streaming Access**

Survey results show that PCTV has a strong opportunity to grow its audience through streaming platforms. Among respondents, 29% reported using Amazon Fire, 28% use Apple TV, and another 29% subscribe to Roku. This indicates a significant potential to increase viewership by promoting PCTV's availability on these widely used platforms.

#### **E) Areas for Improvement**

Accessibility emerged as a key area for improvement, with 51% of respondents indicating they were either only partly satisfied or not at all satisfied with PCTV's current accessibility. In addition, several comments highlighted a need for enhanced marketing and outreach efforts to raise community awareness about PCTV's programming and services.

#### **F) Community Engagement and Support**

Even though just 60% of respondents reported having watched PCTV, **96% of respondents rated preserving funds to maintain PCTV services as Important to Vitaly Important, with 40% considering it Vitaly Important.**

The survey also revealed strong interest in supporting and engaging with PCTV in the future. Notably, 18% of respondents opted to subscribe for updates, showing an ongoing interest in staying informed. Furthermore, 11 individuals expressed interest in becoming sponsors, and 10 people volunteered to contribute their time—demonstrating a meaningful level of community investment in PCTV's mission.

### **III. Inventory of Existing / Current State**

A thorough assessment was conducted to establish a baseline for PCTV's strategic planning. Key areas reviewed include equipment, citywide functions and funding, audience demographics, partnerships, and staffing and volunteers. These elements were evaluated to identify current strengths, gaps, and opportunities for improvement as PCTV works to expand its services and impact.

#### **A) Equipment**

PCTV is currently operating with a significant inventory of outdated and obsolete equipment, much of which is over 20 years old. To address this issue, PCTV has developed a three-year strategic plan to modernize its technology infrastructure. This plan includes the allocation of previously unused Public, Educational, and Government (PEG) Access Funds - documented and available since 2016 - for the purpose of replacing outdated equipment and procuring new tools that align with PCTV's evolving mission to better serve the community (due to fiscal limitations, this plan was scaled back in the proposed FY 25/26 budget).

## **B) Citywide Functions and Funding**

PCTV plays a vital role in supporting citywide functions, including event coverage, broadcast and video production, as well as audio/visual support for public meetings and community events. The organization also manages production services for government and client contracts.

Recently, City departments have gained a clearer understanding of the costs associated with PCTV's internal service delivery. High internal costs coupled with budget constraints have limited the frequency and nature of PCTV support for citywide functions. Currently, PCTV is funded through a combination of Cable Franchise Fees, PEG Fees, and contributions from the General Fund. These revenue streams are under increasing pressure, as cable subscriptions decline and consumers shift toward internet-based streaming services, leading to a reduction in both Cable Franchise and PEG revenues.

To ensure long-term operational viability, PCTV must diversify its funding sources. In addition to continued support from the General Fund, the organization will pursue grants, sponsorships, and other alternative revenue opportunities. These may include equipment rentals, video production services, and other fee-based offerings. A sustainable financial model will be critical to maintaining PCTV's role in delivering essential media services to the community.

## **C) Audience Demographics**

Due to a lack of viewership data from cable franchises, PCTV has been unable to analyze viewership demographics until recently with the implementation of its new master control automation system. PCTV strives to identify key audience segments for targeted programming and outreach, and with new data collection tools built into PCTV's internet streaming platforms, this is possible and will be woven into its broadcast and programming strategies.

## **D) Partnerships**

PCTV has several promising opportunities to strengthen its operations and community outreach through strategic partnerships. Recent interest from local college programs (Contra

Costa College, Diablo Valley College, UC Berkeley) in fields such as Film & Video Production and Journalism presents an ideal avenue to collaborate on the creation of original, locally-focused news and storytelling content. These partnerships could also provide valuable internship opportunities for students while helping to address PCTV's staffing needs. Additionally, ten local community organizations expressed interest through the survey in having their content aired on PCTV, indicating a clear demand for platform access. Further collaboration with local agencies could enhance public communication by helping disseminate key initiatives, programs, and safety messages. Opportunities also exist to partner with local Pinole schools and nonprofit organizations, reinforcing PCTV's role as a hub for community engagement and information sharing.

### E) Staffing & Volunteers

PCTV currently operates with a small but dedicated team consisting of two full-time employees: Dave Snell, PCTV Coordinator, and Erick Wilson, Cable Technician. In addition, the division has a 0.75 full-time equivalent (FTE) allocation reserved for part-time Cable Operators. The table below provides an allocation of how staff time is currently distributed across core functional areas:

| Functional Area               | Percentage of Staff Time |
|-------------------------------|--------------------------|
| Video Production              | 58%                      |
| Master Control                | 10%                      |
| Maintenance                   | 9%                       |
| Management and Administration | 9%                       |
| Public Access                 | 6%                       |
| Editing                       | 6%                       |
| Scheduling                    | 2%                       |

*Current breakdown of staff-time as of April 30, 2025*

Due to a high volume of City-sponsored meetings, events, and community programs, coupled with the time-intensive nature of video production, outdated technology, and a lack of a formal volunteer program, the current staffing model has resulted in a backlog of projects. This has led to delays in the delivery of timely content, especially coverage of local events.

As PCTV continues to adopt new technologies and streamline processes to improve operational efficiency while working to expand its focus on community-produced content, the allocation of staff time across core functions will gradually shift toward a more public-access-centered model:

| Functional Area               | Percentage of Staff Time |
|-------------------------------|--------------------------|
| Video Production              | 20%                      |
| Master Control                | 8%                       |
| Maintenance                   | 5%                       |
| Management and Administration | 20%                      |
| Public Access                 | 23%                      |
| Editing                       | 6%                       |
| Scheduling                    | 18%                      |

Public access-centered breakdown of staff-time

Ongoing volunteerism and community partnerships will be key to PCTV implementing its new strategy, which includes enhanced programming, and increased community outreach. Recently, the City’s Media and Communications Fellows (volunteers) have already helped PCTV begin to launch its new strategy with creative development, content generation, and special projects.

## Gap Analysis

| Category                                   | Current State                                                                                                                      | Survey Insights / Community Expectations                                                                                                          | Identified Gaps                                                                                                                                             | Recommendations                                                                                                                                                      |
|--------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>A) Equipment</b>                        | PCTV operates with equipment that is over 20 years old; a 3-year modernization plan is in place using previously unused PEG funds. | Community places high value on public access and quality production, with strong support for preserving history and delivering local programming. | Current equipment limits the quality and efficiency of services. Survey results highlight the public’s expectation for high-quality, modern media services. | Expedite procurement and deployment of new equipment. Communicate upgrade milestones to the public to build confidence and engagement.                               |
| <b>B) Citywide Functions &amp; Funding</b> | Provides critical support for city functions (event coverage, meeting A/V, etc.), but facing funding cuts.                         | Survey shows community values job training (41% “Vitality Important”) and content that informs and supports civic life.                           | Misalignment between city department budgets and community demand for PCTV services. Funding needed for service continuity.                                 | Develop a detailed cost-benefit case for departments. Explore shared service models, grants, and sponsorship to diversify funding and offset General Fund subsidies. |

| Category                            | Current State                                                                                                                                                                                                                                                                                            | Survey Insights / Community Expectations                                                                                                                                                                                                                                                                  | Identified Gaps                                                                                                                                                                                                                                                                                                                 | Recommendations                                                                                                                                                                                                                                                                                                                                                                                                            |
|-------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>C) Audience Demographics</b>     | Lack of historical viewership data, but new automation system and streaming platform analytics will soon provide insights.                                                                                                                                                                               | Strong interest in targeted and accessible content, potentially among younger audiences and culturally diverse communities.                                                                                                                                                                               | Absence of demographic insights has limited strategic programming and outreach.                                                                                                                                                                                                                                                 | Leverage new analytics tools to gather data, define audience segments, and tailor programming.                                                                                                                                                                                                                                                                                                                             |
| <b>D) Partnership Opportunities</b> | Actively exploring partnerships with local colleges, schools, nonprofits, and agencies. Survey revealed interest from 10 local organizations for content collaboration.                                                                                                                                  | The community supports collaboration and local storytelling. There is enthusiasm for student internships and organization-led programming.                                                                                                                                                                | Partnerships are underutilized and informal. No structured outreach or collaboration framework currently in place.                                                                                                                                                                                                              | Formalize partnership strategy. Develop outreach plan and MOU templates. Launch a community content initiative with clear submission and review processes. Recruit more volunteers and develop intern programs.                                                                                                                                                                                                            |
| <b>E) Staffing &amp; Volunteers</b> | PCTV operates with two full-time staff and 0.75 FTE in part-time Cable Operators, with 58% of staff time dedicated to video production. High meeting volume and outdated technology results in backlogs. PCTV has begun to engage Media and Communications Fellows to support new strategic initiatives. | Community values PCTV's role in job training (41% rated job training as "Vitality Important"), government transparency, and event coverage. There is strong interest in timely, high-quality coverage and expanded programming. Several respondents also expressed a willingness to volunteer or sponsor. | PCTV's current staff time allocation doesn't align with community expectations, resulting in delayed content delivery and limited outreach. Current operational inefficiencies hinders strategic growth. The lack of a formal volunteer/internship program limits the ability to leverage community support and delegate tasks. | To improve efficiency, PCTV should adopt updated technologies, streamline workflows, and delegate routine coverage to departments using tools like Zoom. Expanding staffing through grants, Media and Communications Fellows, and internship pipelines will support strategic growth. Establishing a structured volunteer program with clear roles and training will enhance capacity and strengthen community engagement. |

#### IV. Internal Services Assessment

PCTV provides an estimated \$110,839 (this amount fluctuates depending on event schedules, services, and staffing) in annual services across City departments, primarily supporting meetings and events. This breakdown helps identify where staff time is spent and where adjustments can be made. To operate more efficiently and achieve its new goals/objectives, PCTV recommends scaling back lower-priority services and/or shifting some responsibilities to departments.

##### Cost breakdown by Department (Total = \$110,839)

| Department                       | Service Description                                                            | Est. Annual Cost |
|----------------------------------|--------------------------------------------------------------------------------|------------------|
| City Council (\$75,945)          | City Council Meeting video production & live Broadcast                         | \$58,185         |
|                                  | The Beat of Pinole production (12 episodes)                                    | \$17,280         |
|                                  | West Contra Costa Mayors Conference AV support                                 | \$480            |
| Community Development (\$21,024) | Planning Commission Meeting video production & live broadcast)                 | \$21,024         |
| Community Services (\$7,360)     | Ceremonial Events (AV support, broadcast, video production, livestream)        | \$800            |
|                                  | Tree Lighting AV support & video production                                    | \$1,040          |
|                                  | 3x Movies in the Park (outdoor screen & AV set-up/take-down, movie management) | \$5,520          |
| Police Department (\$5,710)      | National Night Out AV support & video production                               | \$1,200          |
|                                  | 2x Police Chief Meet & Greet AV support & video production                     | \$4,510          |
| City Manager's Office (\$800)    | Community Forum AV support & video production                                  | \$800            |

To better allocate resources, PCTV recommends scaling back or eliminating certain services. Commission meeting video production can be transitioned to staff liaisons using basic video equipment and Zoom for recording and livestreaming. Additionally, video coverage of City-sponsored events can be limited to a select number of high-priority events annually. These adjustments will enable PCTV to dedicate more time and resources to community-based projects and strategic initiatives, including revenue-generating activities.

## V. Programming Strategy

PCTV will focus on a diverse mix of local content that reflects reported community interests and promotes engagement. Key programming will include:

1. **Local Government & Community Content:** Council meeting highlights, community event recaps, local news stories, and government meetings.
2. **Community Engagement & Services:** Business spotlights, community resources (e.g., AARP, mental health), animal services, youth podcasts, and senior center programs.
3. **Cultural & Educational Content:** Local art/music, DIY/home improvement, fitness/meditation videos, audiobook readings, and Pinole Library programs.
4. **Interactive & Special Features:** Livestreams (traffic, weather, wildlife, social media), community bulletin boards, and local sporting events.
5. **Partnerships & Collaborative Projects:** Collaborations with local organizations, such as the Pinole Historical Society and youth podcasts.

This strategy will expand PCTV's reach while focusing on high-impact, community-driven programming.

## VI. Technology and Infrastructure

To optimize operations while recognizing the valuable contributions of PCTV's dedicated staff, the strategy focuses on integrating modern, mobile, and user-friendly video and broadcast technologies. This approach aims to improve efficiency and accessibility, making programming more accessible to all community members, while reducing the need for heavy equipment and streamlining staff efforts.

**Key components of the Technology and Infrastructure strategy include:**

1. **Mobile and Flexible Equipment:** Investing in handheld ozmo cameras, dual-purpose video cameras (SD cards), and DSLRs for quick, versatile production in the field. Clip-on production microphones and gimbals will increase mobility and improve audio/visual quality during events, making it easier to capture clear content in dynamic environments.
2. **AI and Streamlined Editing Tools:** Leveraging AI editing tools to simplify and speed up post-production processes, reducing the need for extensive editing staff. Integrating YouTube Premier and automated closed captioning tools to ensure timely, accessible content delivery, providing captions for all video content.
3. **Enhanced Streaming and Accessibility:** Using Starlink satellite mobile internet and streaming encoders for live broadcasts in any location, ensuring reliable streaming and

real-time accessibility. All streams will include closed captioning, making content available to a wider audience, including those with hearing impairments.

4. **Compact and High-Quality Broadcast Tech:** Moving away from bulky equipment by adopting a multi-camera fly pack (rentable and requiring less editing) and Blackmagic HD port for high-definition, streamlined production. These tools will allow for easy deployment and superior production quality without the need for large, cumbersome setups.
5. **Upgraded Control and Monitoring:** Upgrading the control room with a switcher, monitors, and waveform monitor/conversion software for better quality control. Ensuring that all equipment supports seamless integration with accessibility features like closed captioning, making sure all content is accessible to diverse community needs.

By adopting these modern technologies and focusing on accessibility, PCTV will reduce operational complexity, ensure high-quality content delivery, and provide inclusive programming that meets the needs of all viewers, with a focus on enhancing mobility.

## VII. Community Engagement and Outreach

To rebuild its connection with the Pinole community in an inclusive way, PCTV will take a multi-faceted outreach and engagement approach that increases awareness of services, fosters participation from a broader range of residents, and positions the station as a hub for local storytelling and learning. This approach emphasizes accessibility, representation, and community ownership of media.

### 1. Public Presence and Outreach

- **Car Show Interactive Booth:** Relaunch PCTV's public-facing outreach with an engaging and informative presence at the annual Car Show. The booth will feature hands-on activities (e.g., green screen selfies, mic/interview demos), livestreams from the event, and easy-to-understand information about PCTV's services and programming.
- **Materials & Ambassadors:** Distribute multilingual brochures, QR-coded links to sample videos, and enlist trained volunteers to guide visitors in real-time and collect feedback.

### 2. Community Film Screening

- **Host an annual Community Film Screening** (FY 2026/2027) to showcase locally produced films, youth video projects, and historical retrospectives. Include audience voting, panel discussions, and student categories to attract broad participation. This event will celebrate local voices and generate interest in content creation.

### 3. Training & Media Literacy Workshops

- **Media & Video Tech Workshops:** Offer free, hands-on workshops covering media literacy, video production, and live-streaming tools (like Zoom), with a focus on accessibility for seniors using smart devices.
- **Partner with local libraries and senior center** for program delivery and promotion.

### 4. Digital Engagement and Visibility

- **Social Media Strategy:** Expand PCTV's presence on platforms like Instagram, YouTube, Facebook, and TikTok to reach younger and more diverse audiences. Feature behind-the-scenes content, upcoming events, volunteer stories, and short clips of community content.
- **Webpage Redesign:** Remodel PCTV's webpage to be visually dynamic, with sections for:
  - On-demand programming
  - Community-submitted content
  - How-to guides and training signups
  - Volunteer and internship opportunities
  - Content submissions and story ideas

### 5. Volunteer, Internship & Youth Engagement

- **Establish partnerships with local schools,** PVH, Contra Costa College, and nearby universities to offer internships, media fellowships, and class collaborations.
- **Partner with local school journalism programs** (middle, high school, college) to co-create student-produced segments on local news, events, and storytelling. Provide support, mentorship, and a broadcast platform for student work.
- **Create a structured volunteer program** with defined roles (camera operator, editor, interviewer, etc.) and mentorship opportunities to build experience and deepen community ties.

### 6. Equity & Inclusion Strategy

- **Targeted Outreach:** Partner with community-based organizations that serve youth, BIPOC, non-English speakers, and working-class residents to co-create content, identify storytellers, and promote opportunities.
- **Representative Programming:** Prioritize programming that highlights underrepresented voices, such as immigrant experiences, youth perspectives, LGBTQ+ stories, and multilingual segments.
- **Community Content Fund:** Explore grant funding for small stipends or equipment loans for underrepresented residents to develop and submit short video projects.

- **Inclusive Hiring:** When possible, prioritize recruiting interns, fellows, and part-time staff from underrepresented communities to ensure internal capacity reflects the external community.

## 7. Ongoing Feedback

- **Use surveys and in-person feedback** forms (especially at events) to continuously evaluate who is participating (and who isn't) and adjust strategies accordingly.

PCTV will strengthen its presence, deepen trust, amplify diverse voices, and better reflect the full range of stories within the Pinole community by adopting this approach; especially by engaging the next generation of media creators.

## VIII. Marketing and Branding

A phased marketing strategy aims to strengthen PCTV's presence and impact in the community. The plan focuses on establishing a clear brand identity that reflects PCTV's role in Pinole, launching targeted audience engagement campaigns to boost viewership (particularly among underrepresented groups) and building partnerships with local businesses and organizations to expand outreach and foster community connections. Staff have already begun work on several of the following activities:

### Phase 1: Launch & Awareness (Weeks 1-3)

- **Enhance Website Visibility:** Make the PCTV link more prominent on the homepage by swapping it with the Pinole Speaks or other section.
- **Finalize Sponsorship Package:** Develop clear, attractive sponsorship tiers (e.g., Bronze, Silver, Gold & Platinum) with defined benefits.
- **Publish Webpages:** Launch dedicated pages for community-based video submissions and sponsorship/membership opportunities.
- **Social Media Campaign:** Post on SM platforms inviting community members to submit videos, with clear instructions and links.
- **Pulse Advertisement:** Promote a call for video content from the community in the Pulse newsletter.
- **Signage & Flyers:** Distribute eye-catching posters and flyers with a QR code linking to PCTV in high-traffic local areas.

### Phase 2: Business Engagement & Membership Introduction (Weeks 4-6)

- **Email Business Owners:** Announce a limited-time free broadcast period (e.g., 3 months) to attract initial business participation.
- **Business Video Invitations:** Invite local businesses to submit short promotional videos/ads (per PCTV guidelines) for airtime.

- **Develop Membership Model:** Create a tiered membership structure (e.g., Student, Business) with benefits like rentals, discounted ads or exclusive content.

### **Phase 3: Community Connection & Growth (Weeks 7-10)**

- **Partner with Sports Leagues:** Collaborate with local youth and adult sports leagues to broadcast games or highlights, engaging families and attracting sponsors.
- **Host Open House Event:** Organize a PCTV Open House to showcase content, introduce the team, and pitch sponsorship and membership opportunities to businesses and residents.
- **Launch Email Campaigns:** Build a dedicated PCTV email list for regular updates, exclusive previews, and calls to action for sponsorships and memberships.

Progress will be measured through web streaming viewership analytics, growth in sponsorships, content submissions, and increases in revenue.

## **IX. Financial Sustainability**

PCTV aims to achieve long-term financial sustainability by gradually rebuilding its role as a dynamic community media center. To support this goal, it has begun identifying and pursuing grant opportunities, with 3–4 potential grants targeted for FY 2025–26. Additional revenue will come from reintroducing services previously offered (which were paused due to a shift in focus toward City and Council meeting coverage). These services include equipment and studio rentals, audio-visual support, outdoor movie events, video production, and consulting. Community support will also play a critical role, with PCTV seeking sponsorships (e.g., sponsored ads and sports broadcasts), donations, and memberships to help fund its operations.

To help offset revenue lost from previous contract reductions, PCTV will offer video meeting production services to neighboring jurisdictions. It currently provides these services for the City of El Cerrito and WestCAT, and will seek additional partnerships to expand this revenue stream.

PCTV will also evaluate the potential to collect cable franchise and PEG fees from neighboring unincorporated communities (Rodeo, Crockett, and El Sobrante) that currently receive its cable broadcast, ensuring fair contribution from all areas benefiting from its services.

## **X. Implementation Timeline**

Implementation of this strategy is already underway, with staff actively working toward key objectives. The full roll-out of all programs and services is expected to be completed within one year. The marketing plan is projected to be implemented within 3 to 4 months.

## **XI. Metrics and Evaluation**

While viewership data from Comcast and AT&T remains unavailable, PCTV can now track internet streaming metrics via its new Master Control Automation System: Telvue. Monthly data reviews will help assess programming and marketing effectiveness.

Sponsorships, memberships, and equipment rentals will be tracked and evaluated on an ongoing basis to measure the success of new programs and marketing efforts, and PCTV can adjust marketing strategies or programming as needed, based on these metrics. PCTV can also measure community engagement by phone and web data, email volume, and participation at events.

A follow-up community survey is planned for year-end to measure progress and inform service improvements.

By FY 2026–27, PCTV aims to establish a revitalized, community-driven operation; quadrupling its current viewership and achieving a 300% increase in community support and participation.

## **XII. Conclusion**

PCTV has long served as a valuable resource for civic engagement, government transparency, and local storytelling in Pinole. This new strategy outlines a path forward to expand its role by improving access, increasing community involvement, and creating more opportunities for education and creative expression. With updated technology, renewed programming, and stronger community partnerships, PCTV will continue to be a vital part of how Pinole connects and communicates.

Moving forward, support from residents, local businesses, and organizations will be essential. Whether through sponsorships, content submissions, or simply tuning in, community participation will help ensure PCTV remains a strong and relevant voice for Pinole.

Didn't even know PCTV existed.

I haven't had cable in twenty years and pretty much exclusively watch online streaming media, so I don't even know how to access local TV programming.

6 months ago

15 Agree

With many households cutting the cable, PCTV needs to spread out to other media outlets where most viewers are getting their information. Also a re-branding to remove the TV from the department to be more inclusive of other media outlets. We are a good way into the 21st Century and I believe now would be a good time to prepare for the next 25 years.

5 months ago

5 Agree

For the people saying to volunteer why aren't there more volunteer for PCTV, Senior Kitchen, Senior programs, and recreation. They barely have any staff nor do they have any volunteers at least when I attend the programs.

6 months ago

5 Agree

Eliminate the top 6 paid city positions. Make them volunteer jobs open to current Pinole residents of 10 years or more. That move alone will get your \$2.5 million you need instead of taxing broke people to death.

6 months ago

5 Agree

Fix the roads!!! It's getting dangerous!

77 Respondents

Right now media literacy of the general public is so incredibly low that I don't even know where to start.

6 months ago

2 Agree

All of the above should be a priority. Everyone of these events mean something to somebody and not utilizing and programming these events is lost to the viewer/public/and taxpayers who are paying for the two tv stations 26/28 that we are paying for and not utilizing them to its potential. Why pay for something that we are not getting our values and return of. We need to change this immediately if not wait another day/minute/years for change. In the meantime get volunteers and get some movement on these programs. We don't need to reinvent the wheel on our broadcasting or wait until someone gets up to speed to do something. Lets get something done NOW. Thanks.

7 months ago

2 Agree

Broadcasting school plays and sports will give kids an opportunity to see themselves on Tv.

6 months ago

1 Agree

Keep it local. Community news and police stats. Local meetings

6 months ago

1 Agree

Children's Shows could be tied into the Library program and be of educational value that way we could get something more for the money we are investing in the library.

7 months ago

Would you be interested in seeing locally produced cable TV programs about Pinole residents, organizations, events, schools and government?

97 respondents

try interviewing various businesses

6 months ago

4 Agree

I would like the community to be aware of Pinole Rotary events.

5 months ago

3 Agree

I would love a menu for public access tv

7 months ago

2 Agree

This should not even be a questioned. The taxpayers are paying for the TV Stations. This has always been the case and should continue.

7 months ago

2 Agree

I'm interested in programs about Pinole, schools, government, etc., but the question says "locally produced cable TV programs." I don't have cable so if the programs could be available via streaming, then that would work.

5 months ago

1 Agree

Would you be interested in seeing locally produced cable TV programs about neighboring communities' organizations, events, residents, schools and government (i.e. Hercules, San Pablo)?

97 respondents

Priority is Pinole. However, we use to have other programs/tv schedule: school board meetings, other cities, etc. in the past. We need to bring those back with a fee/contract like before. Dave, remembers the time we use to have these programs and I would like for him to be part of this planning since he has been with City of Pinole for over 20 years. He knows that we need and he understands where we have been, how we got here, and where we should be with the resources we have. Do not hire a consultant for this. I think we can figure this out with Dave's help and not exclude him in this planning.

7 months ago

5 Agree

Why didn't anyone in Pinole apply? Did we not have any qualified applicants from the City? I guess not because no one wants to take heat from their neighbors.

6 months ago

4 Agree

They just hired some lady from Oregon at \$300,000 per year to come make our city more financially responsible. Seems like a local resident could do the same for FREE!! With their heart in it. Not their paycheck.

6 months ago

3 Agree

Simply outrageous that there's no one in Pinole to fill that position and you have to hire an outsider with no skin in the game!

6 months ago

2 Agree

My interest is in Pinole. I'm not to interested in nrighboring cities.

5 months ago

1 Agree

There are a number of potential programming opportunities listed under not interested that could be combined with some of the others, Some of the others I have listed lower cause me to pause because I see potential problems that would need to have better defined scope.

If people are allowed to have podcasts, it should not be about political opinions or advancement of personal politics and agendas.

7 months ago

3 Agree

This will be taken over very quickly by individuals with extreme opinions, driving well meaning individuals away. Seen it before...

7 months ago

3 Agree

all these issues are very important.

5 months ago

If no political opinions or airing of personal agendas are allowed.

5 months ago

Nope!

5 months ago

Do you have any recommendations for how we can improve accessibility to Public, Educational, and Government access programming? Please explain:

- Ad-free, public Internet stream.

6 months ago

2 Agree
- A local tax increase for better communication and advertising of provided sports, educational, summer, activities for all kids through High School. I want pinol to be known for providing the best sports fields and having the best playgrounds in all of the East Bay.

6 months ago

1 Agree
- Free. Not requiring a subscription. It could be videos linked in your website?

6 months ago

1 Agree
- No

5 months ago
- Increase budget to create more programs.

# APPROVE MEMORIAL INSTALLATIONS IN DEDICATION OF ROBERT WALKER JR.

June 17, 2025

# RECOMMENDATION

Staff recommends that City Council approve **two Memorial Applications for Naming and Dedication of City Facilities in honor of Robert Walker Jr.**, accepting special circumstances for the memorial according to the City's Memorial Policy:

1. Install a memorial sign on the Corp Yard Building; and
2. Install a redwood memorial plaque adjacent to Pinole Valley Park.

*(Visual example only)*

# CORP YARD MEMORIAL SIGNAGE

- 10 applications were received by City of Pinole staff (Public Works and Police Department)
- Request to install an aluminum memorial sign on the City's Corp Yard building in honor of Robert Walker Jr's exceptional 45 years of service:

**Robert Walker Jr. Corporation Yard**

**In Honor of His 45 Years of Service**

- \$3,040.91 is the estimated cost of the sign

*“Robert dedicated **45 years of his life** to the City of Pinole and was the longest tenured employee.”*

*~ Eduardo A.  
Applicant*

*(Visual example only)*

# REDWOOD MEMORIAL PLAQUE (PINOLE VALLEY PARK)

- Application submitted by Pinole resident Bob Kopp
- Request is to install a redwood memorial with a stainless steel plaque, native flowers, stones, and solar ground lighting (not pictured) adjacent to Pinole Valley Park
- Materials and labor to install would be donated. Ongoing maintenance costs would be minimal and would be done by Public Works.

An aerial photograph of a suburban neighborhood. In the foreground, there is a large green soccer field with two goals. To the left, a dense forest covers a hillside. The middle ground is filled with residential houses, many with swimming pools, and winding streets. In the background, rolling hills and mountains are visible under a cloudy sky.

**In Honor of Robert Walker Jr.**  
November 21, 1952 – October 13, 2024

**“A True Pillar of Our Community”**

With 45 years of devoted service to the City of Pinole, Robert’s unwavering dedication, kindness, and leadership touched countless lives. His legacy will forever inspire and remind us of the power of compassion and commitment.

**With gratitude and love from the Pinole Community and Family.**

# NEXT STEPS

- If approved by council, the Corp Yard sign and redwood plaque would make plans to install the memorials before the end of the year
- **Corp Yard sign:** If approved, staff will proceed with working with the vendor on final design concepts for the sign. Staff will review to ensure that signage design will adhere to all City branding guidelines. Installation will be performed by the vendor. Signage expenses will be paid for by the City of Pinole
- **Redwood Plaque:** If approved, staff will coordinate with Pinole resident Bob Kopp on installation. Materials and installation will be donated by Mr. Kopp

**THANK YOU.  
QUESTIONS?**

**CITY COUNCIL MEETING  
MINUTES  
June 3, 2025**

**1. CALL TO ORDER & PLEDGE OF ALLEGIANCE IN HONOR OF THE US MILITARY TROOPS**

The City Council Meeting was held in a hybrid format (in-person and via Zoom videoconference and broadcast) from the Pinole Council Chambers, 2131 Pear Street, Pinole, California. Mayor Sasai called the Regular Meeting of the City Council to order at 5:01 p.m. and led the Pledge of Allegiance.

**2. LAND ACKNOWLEDGEMENT**

*Before we begin, we would like to acknowledge the Ohlone people, who are the traditional custodians of this land. We pay our respects to the Ohlone elders, past, present and future, who call this place, Ohlone Land, the land that Pinole sits upon, their home. We are proud to continue their tradition of coming together and growing as a community. We thank the Ohlone community for their stewardship and support, and we look forward to strengthening our ties as we continue our relationship of mutual respect and understanding.*

**3. ROLL CALL, CITY CLERK'S REPORT & STATEMENT OF CONFLICT**

*An official who has a conflict must, prior to consideration of the decision; (1) publicly identify in detail the financial interest that causes the conflict; (2) recuse himself/herself from discussing and voting on the matter; and (3) leave the room until after the decision has been made, Cal. Gov. Code § 87105.*

**A. COUNCILMEMBERS PRESENT**

Cameron Sasai, Mayor  
Anthony Tave, Mayor Pro Tem  
Norma Martinez-Rubin, Council Member  
Devin Murphy, Council Member  
Maureen Toms, Council Member

**B. STAFF PRESENT**

Kelcey Young, City Manager  
Heather Bell, City Clerk  
Eric Casher, City Attorney  
Markisha Guillory, Finance Director  
Melissa Klawuhn, Police Chief  
Jeremy Crone, Police Commander  
Heba El-Guindy, Public Works Director  
Andrea Dwyer, Community Services Director  
Roxane Stone, Deputy City Clerk

City Clerk Heather Bell announced the agenda had been posted on May 29, 2025 at 4:00 p.m. with all legally required written notices. Written comments had been received in advance of the meeting, distributed to the City Council and staff, posted to the City website and made available to the public to view in the Council Chambers. Updates for the presentation files for Items 11A and 12A were also posted to the City website and available in the Council Chambers for public viewing.

Following an inquiry, the Council reported there were no conflicts with any items on the agenda.

#### **4. CONVENE TO A CLOSED SESSION**

***Citizens may address the Council regarding a Closed Session item prior to the Council adjourning into the Closed Session, by first providing a speaker card to the City Clerk.***

##### **A. PUBLIC EMPLOYEE PERFORMANCE EVALUATION**

Gov. Code § 54957

Title: City Clerk

##### **B. CONFERENCE WITH LABOR NEGOTIATORS**

Gov. Code § 54957.6

Agency designated representative: City Attorney Eric Casher

Unrepresented Employee: City Clerk

##### **C. CONFERENCE WITH LABOR NEGOTIATORS**

Gov. Code § 54957.6

Agency designated representatives: City Manager Kelcey Young, City Attorney Eric Casher, Human Resources Director Stacy Shell and Gregory Ramirez, IEDA

Employee organizations: AFSCME Local 1, AFSCME Local 512 and the Pinole Police Employees Association (PPEA)

#### **PUBLIC COMMENTS OPENED**

City Clerk Bell reported there were no comments from the public.

#### **PUBLIC COMMENTS CLOSED**

#### **5. RECONVENE IN OPEN SESSION TO ANNOUNCE RESULTS OF CLOSED SESSION**

At 6:39 p.m., Mayor Sasai reconvened the meeting into open session. He reported the City Council approved a four-year extension to the City Clerk's Employment Agreement and staff would prepare a contract amendment to be approved at the next City Council meeting.

#### **6. CITIZENS TO BE HEARD (Public Comments)**

***Citizens may speak under any item not listed on the Agenda. The time limit is 3 minutes and is subject to modification by the Mayor. Individuals may not share or offer time to another speaker. Pursuant to provisions of the Brown Act, no action may be taken on a matter unless it is listed on the agenda, or unless certain emergency or special circumstances exist. The City Council may direct staff to investigate and/or schedule certain matters for consideration at a future Council meeting.***

Irma Ruport, reported at its March 4, 2025 meeting the City Council considered Item 12A, Mid-Year Budget Review. At that time, she asked for an explanation for the reclassification of the Assistant to the City Manager to Communications Director and had received none. On March 18, 2025, the City Council considered Consent Calendar Item 9D, the adoption of an Amended Master Salary Schedule. The staff report for the item included a reference to Personnel Rule 12, Compensation, employees are assigned job classifications with salary ranges adopted by the City Council. The resolution adopted by the City Council at its March 4, 2025 meeting included new job classification specifications for a Communications Director position at \$175,000 and Information Technology (IT) Manager at \$138,000. The Assistant to the City Manager had been earning \$122,000 but had been promoted to Communications Director with a \$53,000 raise.

Ms. Ruport commented that during the March 18 City Council meeting, she had opposed Item 9D, and although she had raised a number of questions she had received no answers at that time. She had later done some research, looked up the City of Pinole's Personnel Rules adopted May 19, 2009, and noted Personnel Rules 12.7 and 3.3 had been used in the adopted resolution. She pointed out the City Manager had been hired in August 2024, and she asked why the Assistant to the City Manager, a new position for the City with the above-mentioned salary, had been reclassified and promoted to a new position approved by the new City Manager. She asked whether all Personnel Rules and procedures had been followed to justify the increase in salary and job title, and commented she would be willing to file a grievance with the City Manager if any groups, organizations or persons felt violated. Having a Human Resources Degree, being retired from the government, and having been a Chief Steward in the union, she questioned the unfair action.

Rafael Menis, reported on the current state of transmission for COVID-19 in the community, which had decreased from the latest report from May 24, 2025 to 1.48 per 100,000. While the main site offering data on COVID-19 would sunset shortly, the data would be shifted to a new website with the Centers for Disease Control and Prevention (CDC). On another matter, he thanked everyone who participated in the recent march in Pinole protesting the Trump Administration's actions which continued to undermine the constitutional system of government. Another protest had been scheduled in the cities of Hercules and Pinole on June 14, 2025 at 11:00 a.m. starting in Hercules and shifting to 1:00 p.m. in Pinole at Target, and then marching over to the Appian/Fitzgerald overcrossing to honor the anniversary of the founding of the United States Army, a counterprotest against the Trump Administration's inappropriate military parade in honor of the President's birthday. He suggested there should be a protest to any attempt to use military tanks in this fashion. More information was available at [mobilize.us/IHT2QJ](https://mobilize.us/IHT2QJ) or the mobilize.us website. He added the City would hold Pride/Juneteenth on June 8, 2025 from 12:00 to 3:00 p.m. at Fernandez Park and he encouraged everyone to attend.

## **7. REPORTS & COMMUNICATIONS**

### **A. Mayor Report**

#### **1. Announcements**

Mayor Sasai reported he and Council member Murphy met as the Memorial Subcommittee to discuss applications received and recommended the City rename the Corporation Yard after Robert Walker, a treasured long-time City employee.

The Memorial Subcommittee also recommended approval of signage in Mr. Walker's name at the facility and recommended moving forward with a memorial plaque for Mr. Walker in Pinole Valley. In consultation with the City Manager, those items would come before the City Council for consideration at its regular meeting on June 17, 2025. Mayor Sasai thanked all of the applicants and those who advocated for the memorial.

Mayor Sasai also reported the West Contra Costa Transportation Advisory Commission (WCCTAC) approved a resolution urging state legislators to support public transit funding in the region and in the Bay Area in the face of budget difficulties. He would request a similar resolution be considered by the Pinole City Council as a future agenda item. He also invited everyone to the Pride/Juneteenth Event at Fernandez Park on June 9, 2025.

B. Mayoral & Council Appointments: None

C. City Council Committee Reports & Communications

Council member Toms reported she attended the funeral services for former Contra Costa County Supervisor, District 5, Federal Glover. She recognized Mr. Glover's volunteerism and work for the County, in particular for transportation. She announced the City was working on hosting a part of the Special Olympics Torch Run on June 25, 2025, traveling from the City of Hercules to Pinole and on to the City of San Pablo. Athletes and torch run officers would make the exchange around 8:45 a.m. at the corner of Tennent and San Pablo Avenues.

Council member Murphy reported he attended Fish Migration Day, an incredible event celebrating the local ecosystem and environmental stewardship and provided a speech on the work being done by the Contra Costa Flood Control District (CCFCD), Friends of Pinole Creek Watershed, East Bay Municipal Utility District (EBMUD), Contra Costa County and many other partners. He also participated in the West Contra Costa Unified School District (WCCUSD) System Change Collaborative as the City of Pinole's representative and reported that WCCUSD would consider its budget on June 4, 2025, and announce a new WCCUSD Superintendent. Planned campus closures this summer due to construction had also been discussed, and it was clarified Pinole campuses would not be impacted by the summer closures other than with an influx from families from other communities due to the summer closures. The collaborative also compiled feedback around its work over the last year with the Interim Superintendent and Contra Costa County Supervisor Gioia, who chaired the collaborative and whose goal for the next year was to shape the collaborative structure with a new Superintendent and consider ways to deal with some of the budget cutbacks being considered by the WCCUSD.

Council member Murphy added that residents had been provided information from the City and the Contra Costa County Fire Protection District (CCCYPD) on ways to ensure the City was fire wise and fire safe. He reported Copter 1, the contracted aerial firefighter helicopter, was now active for the 2025 Wildfire Season, supporting daylight missions across Contra Costa County throughout October, with a possible extension depending on the weather. He detailed the specifics for Copter 1, a program funded by PG&E and the CCCYPD. He thanked PG&E, CCCYPD and Contra Costa County staff for making this asset available to protect communities.

Council member Murphy continued to report on his attendance at a meeting of Marin Clean Energy (MCE), with a discussion of customer programs and a \$250,000 Initiative to Support Non-Residential Municipal Storage Projects, with the goal for one in each county. He detailed the specifics of the initiative, with more information to be provided at an MCE Technical Committee meeting on June 6, 2025. More information was also available on the MCE website. He also represented the City of Pinole at the East Bay Economic Development Alliance/Economic Outlook and Membership meeting presented by Bank of America and hosted in the San Ramon Community Center, with a discussion on data on the East Bay Real Estate market, economic trends and information from the State Labor and Workforce Development Agency. Following that meeting, a Board of Directors meeting for the East Bay Economic Development Alliance was held with the agenda items identified including a presentation from the Federal Reserve Bank of San Francisco that examined the impacts from Artificial Intelligence (AI) on workers and Low and Moderate-Income households.

Council member Murphy further recognized Community Development Director Lilly Whalen for her continued work with the East Bay Economic Development Alliance Economic Development Director's Council, and whose involvement ensured the City of Pinole was at the table and part of the regional conversations.

Council member Martinez-Rubin reported she attended the funeral services for former Contra Costa County Supervisor Glover and emphasized the importance of representatives helping foster and develop projects that had enduring effects and positive consequences for all of the people they represented. In particular, she appreciated the work Mr. Glover had done to improve State Route 4. She also attended Fish Migration Day and emphasized the importance and value of the watershed Pinole shared into the County's jurisdiction and beyond Pinole Valley Road south. She also spoke about an initiative she had been involved in during 2019-2022, Thriving Earth Exchange, an international collection of scientists and science community interns who worked locally to try to create projects that had enduring effects and benefitted the environment. She had been part of the initiative as a Council Liaison during those years. The project later became a literal assessment in Pinole and informed the creation of a single-use plastics ordinance the City Council eventually adopted in 2024, which took effect in January 2025, to be enforced as of July 1, 2025. More information on single use plastic reduction was available on the City website. She thanked those who worked to reduce single use plastics in the community.

#### PUBLIC COMMENTS OPENED (Item 7A)

Rafael Menis, clarified pursuant to the City website, that the Pride/Juneteenth event would be held on Sunday, June 8, 2025, not June 9, 2025, as the Mayor had reported.

#### PUBLIC COMMENTS CLOSED

#### D. Council Requests for Future Agenda Items

**ACTION: Motion by Mayor Sasai/Council member Murphy to consider a resolution to support public transit funding and Senate Bill (SB) 63, which would authorize a multi-county transit ballot measure to support public transit.**

|              |                 |                                                  |
|--------------|-----------------|--------------------------------------------------|
| <b>Vote:</b> | <b>Passed</b>   | <b>5-0</b>                                       |
|              | <b>Ayes:</b>    | <b>Sasai, Tave, Martinez-Rubin, Murphy, Toms</b> |
|              | <b>Noes:</b>    | <b>None</b>                                      |
|              | <b>Abstain:</b> | <b>None</b>                                      |
|              | <b>Absent:</b>  | <b>None</b>                                      |

Mayor Sasai offered a motion, seconded by Council member Murphy to consider a resolution and Letter of Support for Assembly Bill (AB) 1388, which prohibited the use of Settlement Agreements in California.

Council member Martinez-Rubin asked for an explanation of what prohibiting the use of Settlement Agreements meant since it was broad, and she asked about the implications in Pinole.

Mayor Sasai explained that Settlement Agreements under AB 1388 had been defined as a practice that intentionally hides, destroys or conceals officer misconduct reports from other agencies.

**ACTION: Motion by Mayor Sasai/Council member Murphy to consider a resolution and Letter of Support for Assembly Bill (AB) 1388, which prohibits the use of Settlement Agreements in California.**

|              |                 |                                                  |
|--------------|-----------------|--------------------------------------------------|
| <b>Vote:</b> | <b>Passed</b>   | <b>5-0</b>                                       |
|              | <b>Ayes:</b>    | <b>Sasai, Tave, Martinez-Rubin, Murphy, Toms</b> |
|              | <b>Noes:</b>    | <b>None</b>                                      |
|              | <b>Abstain:</b> | <b>None</b>                                      |
|              | <b>Absent:</b>  | <b>None</b>                                      |

E. City Manager Report / Department Staff

City Manager Kelcey Young reported the summer camps and Pinole Swim Center would be open for summer programming starting June 16, 2025. She thanked City staff for all of their hard work over the past few months and the ability to present a balanced budget, which was rare at this time period. In particular, she thanked Finance Director Markisha Guillory.

F. City Attorney Report: None

## 8. RECOGNITIONS / PRESENTATIONS / COMMUNITY EVENTS

### A. Proclamations

#### 1. Juneteenth

The City Council read into the record a proclamation recognizing June 19, 2025 as Juneteenth, with the proclamation to be presented to recipients at community events this month.

### PUBLIC COMMENTS OPENED

There were no comments from the public.

PUBLIC COMMENTS CLOSED

2. Pride Month

The City Council read into the record a proclamation recognizing the month of June as Pride Month, with the proclamation to be presented to recipients at community events this month.

PUBLIC COMMENTS OPENED

There were no comments from the public.

PUBLIC COMMENTS CLOSED

3. Philippine Independence Day

The City Council read into the record a proclamation recognizing Philippine Independence Day with the proclamation to be presented to recipients at community events this month.

PUBLIC COMMENTS OPENED

There were no comments from the public.

PUBLIC COMMENTS CLOSED

**B. Presentations:** None

**9. CONSENT CALENDAR**

*All matters under the Consent Calendar are considered to be routine and noncontroversial. These items will be enacted by one motion and without discussion. If, however, any interested party or Council member(s) wishes to comment on an item, they may do so before action is taken on the Consent Calendar. Following comments, if a Council member wishes to discuss an item, it will be removed from the Consent Calendar and taken up in order after adoption of the Consent Calendar.*

- A. Approve the Minutes of the Regular City Council Meeting on May 20, 2025.
- B. Receive the May 17, 2025 – May 30, 2025, List of Warrants in the Amount of \$855,035.26 and the May 23, 2025 Payroll in the Amount of \$528,173.52
- C. Approve Amendment to a Consulting Services Agreement for Employee Benefits Broker of Record Services. **Action: Adopt Resolution per Staff Recommendation (Stacy Shell)**
- D. FY 2024/25 Third Quarter Financial Report. **Action: Receive a Report (Markisha Guillory)**
- E. FY 2024/25 Third Quarter Investment Report. **Action: Receive a Report (Markisha Guillory)**

- F. Amended Reserve Policy. **Action: Adopt a Resolution per Staff Recommendation (Markisha Guillory)**
- G. Receive Update on Capital Projects Progress, Inspection and Permits Issuance, and Maintenance Operations. **Action: Receive Update on Capital Projects Progress, Conducted Inspections and Issued Permits, and Performed Maintenance Operations (Heba El-Guindy)**
- H. Approval of Agreement between the City of Pinole and West Valley Construction Company Inc., Roble Avenue Storm Drain Improvements Project (SW2001). **Action: Adopt Resolution per Staff Recommendation (Heba El-Guindy)**

#### PUBLIC COMMENTS OPENED

Rafael Menis stated he had provided comments in writing prior to the meeting, had received some responses from the Finance Director, but provided the following comments on the Consent Calendar:

- Item 9D, Page 66 of 764, of the agenda packet, Property Tax, information as shown for Q3 was substantially lower than prior years and asked why.
- All tables in Item 9D were flagged in his PDF as having been Artificial Intelligence (AI) generated content that may be incorrect. Asked if the City was using AI generation for its charts, and if so, what measures were being used to ensure accuracy.
- Item 9D, Page 69 of 764, of the agenda packet, Q3, Waste Franchise Tax was less than prior years. Asked if this was because of the timing of the agreement negotiation or other reason(s).
- Item 9D, Page 70 of 764, of the agenda packet, the Transit Occupancy Tax was dropping sharply this year and asked whether the City expected this trend to continue into the next fiscal year.
- Item 9D, Page 81 of 764, of the agenda packet, Supplement Law Enforcement Services Fund (Fund 206), had a revenue of 117 percent of the amended budget. Asked for clarification.
- Item 9D, Page 81 of 764 of the agenda packet, NPDES Storm Water Fund (Fund 207), had revenue of \$147 or zero percent of the amended budget. Since there should have been payments in December and April, asked whether there had been an error or whether the City had not received the payments.
- Item 9F, noted staff had stated the recommendation was to set aside funds to begin prefunding Other Post-Employment Benefits (OPEBs), as noted on Page 102 of 764 of the agenda packet, and given the primary use of the transfer from the Section 115 Trust was to offset the City's pension costs, asked to what extent the Section 115 Trust would be sustainable if it also needed to cover the City's other OPEB costs as well as the pension costs.

Mayor Sasai asked staff to follow-up with the questions via email.

#### PUBLIC COMMENTS CLOSED

Council member Murphy asked that the City Council consider Item 9F after its conversation about the budget, otherwise he asked that the City Council continue the item to the next meeting.

City Attorney Eric Casher advised that Item 9F could be continued to the next City Council meeting if that was the preference of the City Council.

**ACTION: Motion by Council members Murphy/Toms to adopt Consent Calendar Items 9A, 9B, 9C, 9D, 9E, 9G and 9H, as shown.**

|              | <b>Absent:</b>  | <b>None</b>                                      |

#### 10. PUBLIC HEARINGS

- A. 1<sup>st</sup> Read AB481 Military Use Equipment. Action: Conduct Public Hearing and Introduce Ordinance on First Read (Jeremy Crone, Melissa Klawuhn)**

Pinole Police Department Commander Jeremy Crone provided a PowerPoint presentation for AB481, Military Use Equipment, which included the background of AB481 Military Equipment, Funding, Acquisition and Use and overview of Pinole Police Department Policy #707, which required the Pinole Police Department to provide guidelines for the approval, acquisition and reporting requirements of military equipment. He reported that the Pinole Police Department worked closely with Lexipol (Law Enforcement Risk Management Group), collaborated with the regional law enforcement agencies in Contra Costa County and worked closely with the City Attorney's Office to create Policy #707.

Pinole Police Department Policy #707, Military Equipment List per AB481; Approval and Implementation Timeline; Annual Report; Purchase and Maintenance; Training, Event and Incident Use; Community Complaints, Concerns or Violations; Projected Military Equipment Acquisition for FY 2025/26 and findings to be made by the City Council at its regular meeting on June 17, 2025 were all highlighted.

Responding to questions from the City Council, Chief of Police Melissa Klawuhn and Commander Crone clarified the following:

- Policy #707 was a policy by ordinance shown in Chapter 2.60 of the Pinole Municipal Code (PMC). (Martinez-Rubin)
- Clarified if any military equipment failed it would be destroyed. As an example, if a drone was no longer usable, it would be a failed piece of equipment and would be destroyed and how it would be disposed would depend on the equipment. Other examples, such as rifles could not be sold to anyone other than a law enforcement agency. Whether a rifle or shotgun, once it reached its end of service life, it would be destroyed, with the functional part of the firearm destroyed and with the equipment logged and accounted for. (Martinez-Rubin)
- Clarified in addition to these public hearings, the Police Department also publicized through its social media channels its drone capability. Law enforcement was reluctant to publicize that at the time of an incident, but it was noticed to the public at appropriate times when reporting out on an incident. (Mayor Pro Tem Tave)
- Clarified any concerns with unauthorized drone use could be forwarded to the Pinole Police Department on its non-emergency line (510) 724-1111. Concerns with unauthorized drone flights may also be reported to the Federal Aviation Administration (FAA). (Mayor Sasai and Mayor Pro Tem Tave)
- Acknowledged a request to add the City seal to the Annual Report to be submitted as part of AB481 requirements. (Murphy)
- Clarified Commander Crone was the Pinole Police Department Operations Commander, with the Commander in that role to be assigned as the AB481 Coordinator. Commander Crone would serve in that capacity or any Commander overseeing the Operations side. (Murphy)
- No formal complaints or concerns had been brought forward by the public with respect to the Pinole Police Department's use of military equipment. There were multiple ways for a citizen to lodge a formal complaint, either by contacting the Watch Commander/Sergeant over the phone, contacting the Police Department via the website, and filling out a form. The Police Department was also working on an automated option on the website. Anyone may also come to the Police Department in-person to fill out a complaint form. (Murphy)
- Clarified a recent incident in Tara Hills had not involved the Pinole Police Department's Mine Resistant Ambush Protected Vehicle (MRAP) Emergency Rescue Vehicle (ERV). (Toms)
- Clarified armored vehicles were not always an MRAP, with the only armored vehicle existing in West County being the Pinole Police Department MRAP. The Contra Costa County Office of the Sheriff did have two BearCats, which were armored vehicles on a 550 platform and which fell under the category of military equipment per the Government Code, but were not a true piece of military equipment. (Toms)

- Clarified there were a couple of Police agencies in East County that also had armored vehicles. Pinole's MRAP ERV could be loaned out for use by another agency in an emergency or in an incident that required it through a mutual aid request. (Toms)

#### PUBLIC HEARING OPENED

Rafael Menis commented that he provided written comments in advance of the meeting. He referenced Page 188 of 764 of the agenda packet, the public hearing notice, which stated: *Copies of the text of the proposed ordinance will be available for public review as part of the City Council agenda and meeting packet no later than May 13, 2025 at 5:00 PM.*; however, this agenda packet had been posted on May 29, 2025. He asked whether the date was a typographical error or had something been posted on May 13, 2025.

#### PUBLIC HEARING CLOSED

City Clerk Bell understood the public hearing had been moved and that could have been an oversight in that piece. The ordinance was available for this meeting on May 29, 2025, and made available on the City website. The ordinance was a draft and this item would come back to the City Council on June 17, 2025 for further review.

In response to Council member Martinez-Rubin as to whether a motion was necessary, City Attorney Casher identified the staff recommendation as shown on the June 3, 2025 staff report, as follows: *Staff recommends that the City Council conduct a public hearing, review and approve the 2024-2025 Pinole Police Department Annual Military Equipment Report, and waive full reading and introduce by title only an ordinance approving and re-adopting a Military Equipment Use Policy as stated in Chapter 2.60 "Military Equipment Policy" of the Pinole City Municipal Code in compliance with AB481.* This was the first read of the ordinance, with the second read to come back on June 17, 2025 for formal adoption of the ordinance.

City Clerk Bell confirmed in response to Council member Martinez-Rubin that a motion was needed.

Mayor Sasai advised his position on this item remained consistent over the past few years. He thanked the Pinole Police Department for its hard work, but he would be voting in opposition to the item.

**Motion by Council members Toms/Martinez-Rubin for the City Council to conduct a public hearing, review and approve the 2024/2025 Pinole Police Department Annual Military Equipment Report, and waive full reading and introduce by title only an ordinance approving and re-adopting a Military Equipment Use Policy as stated in Chapter 2.60 "Military Equipment Policy" of the Pinole City Municipal Code in compliance with AB481.**

|              |                 |                                           |
|--------------|-----------------|-------------------------------------------|
| <b>Vote:</b> | <b>Passed</b>   | <b>4-1</b>                                |
|              | <b>Ayes:</b>    | <b>Tave, Martinez-Rubin, Murphy, Toms</b> |
|              | <b>Noes:</b>    | <b>Sasai</b>                              |
|              | <b>Abstain:</b> | <b>None</b>                               |
|              | <b>Absent:</b>  | <b>None</b>                               |

**B. Approval of Increase to Waste Collection Rates (Prop 218). Action: Conduct Public Hearing and Adopt Resolution per Staff Recommendation (Kelcey Young)**

City Manager Young introduced Scott Hanin, Principal, R3 Consulting Group, Inc., to provide a presentation for Item 10B, which presentation would also cover Item 12A.

Council member Toms asked if the City Council could consider Item 12A after the completion of Item 10B, to be able to keep the discussion on both items.

City Attorney Casher clarified that Item 10B was a public hearing. As long as the public hearing was conducted for Item 10B, the City Council may move forward thereafter to Item 12A.

Scott Hanin, Principal, R3 Consulting Group, provided a PowerPoint presentation on the City of Pinole, New Republic Collection Services Agreement, dated June 3, 2025, which included an overview of his personal background; the background of the negotiations process; key terms of the agreement; Franchise Fee Study and Findings; breakdown of the Residential Collection Rates and how Pinole compared with neighboring jurisdictions. He recommended the City Council accept the findings from the City Fee Study and adopt resolutions authorizing approval of revised rates effective July 1, 2025, execution of a new franchise agreement and use of rate stabilization funds (side letter).

Responding to Council member Toms, Mr. Hanin clarified the Residential Collection Rates graph, as shown in the PowerPoint presentation, depicted an 11 to 12 percent increase.

**PUBLIC HEARING OPENED**

Helaine Starr Jow, a 27-year resident of Alamo Street, reported her street had never been paved but there had been some repairs. Many of her neighbors were unable to park their vehicles in front of their homes due to a deep furrow on the street. The repairs that had been made consisted of filling of holes with asphalt, although trucks running back and forth over the filled holes had disrupted the asphalt with chunks in the road impacting vehicles. She asked how the street could be listed for repairs since she was uncertain the City would get funds from Republic Services to do the work. She added that years ago, a sewer line had been replaced from her driveway out to the middle of the street and the approximate \$12,000 cost had been a painful expense for someone living on Social Security. She added there had been postings on NextDoor that the increase in waste collection rates seemed to be more of a tax than a fee and she expressed concern this could be another new tax when residents just voted in November to approve a new sales tax to repair City roads.

Bob Kopp, commented that while he was not concerned with an increase in the waste collection rates, he was aware of the cost increase of diesel fuel and the effects of cost increases on his own personal business. He found this proposal to be a new tax and not a fee and suggested the City was slipping this in as a fee increase since it would not require a vote of the people. He asked how much of his fee per month would come back from Republic Services, how the process had been set up and whether the funds to be returned to the City from Republic Services would be used 100 percent to repair damage to City streets from Republic Services trucks.

Mark Zimmerman, stated he had reviewed some of the documents related to the garbage rate increases. He asked the City Council to amend the resolution of approval for the item, and reduce the \$1.2 million Vehicle Impact Fee (VIF) by at least half so the rate increase would be approximately five percent for the typical customer, which would be consistent with the key terms and keeping the increase under the Consumer Price Index (CPI). The Bureau of Land Statistics had shown inflation at 2.3 percent and if this rate increase occurred on July 1, 2025, it would be at least five times the current CIP and even more so for seniors. He pointed out there had been a rate increase on January 1, 2025 related to the CPI, the proposed rate increase was 13 percent for the typical customer for a 35-gallon bin and 19 percent for seniors, almost entirely due to the VIF. Seniors were bearing the brunt of this increase at 19 percent and he asked why the increase was so much more for seniors than the typical customer. Also, there was no sunset on the VIF, which would be in perpetuity every year and should be recognized.

Mr. Zimmerman added that Pinole's Housing Affordability Goals would not be supported by such a large increase, and he asked the City Council to also consider increased housing costs and anything that could be done to lower those costs. He too commented on the fact the City just passed a new sales tax and suggested current garbage customers should not be responsible for paying for years of deferred road maintenance. A five percent rate increase would be more consistent moving forward and reducing it would be relative to what the typical customer and seniors deserved.

Jason Littlefield, explained the prior speaker covered much of what he was going to say. He expressed concern with the legal exposure and highlighted the residential rates for neighboring jurisdictions and the fact R3 Consulting had mentioned there was a legal landscape for such fees that remained unsettled. He pointed out the current litigious society and found there would be great exposure in the legality and money involved in this proposal. Prior to July 1, 2025, there would be no VIF, and he suggested a tax should be considered so that voters would have a voice in the proposed increase. While not necessarily opposed to the increase, he found the fee appeared to be a workaround to a budget shortfall. As an experienced General Contractor and knowledgeable about budgets, he found the City had gotten behind and recommended a fee workaround as opposed to a tax and noted that being redundant took the voice away from the voters. He was also concerned that prior to this proposal no VIF assessment had been done and suddenly there were now significant VIF funds.

Mr. Zimmerman emphasized that garbage trucks had been traveling City streets for some time and he asked why VIFs were suddenly happening. He also found the \$1.7 million identified for the pavement impacts, as shown in the PowerPoint presentation, only involved garbage trucks. Around \$800,000 had been projected for the City's annual road rehabilitation, which was not a projected budget number but an estimated average which meant that amount had a wide swing. As a pragmatist, that swing would not go lower but higher. He also commented on the \$500,000 shortfall between R3 Consulting's recommendation and the City's \$1.2 million figure placing everyone at a shortfall again.

Marcia Joswick, Pinole, had many objections to the proposed increase in fees for solid waste pickup including the fact that the proposed increase in monthly residential fees had been calculated at a higher percentage for seniors than others at 18.4 percent, with non-seniors at 11.7 percent. She asked why seniors were being charged a higher rate, suggested that was discriminatory, and noted that any rate increase should be the same across the board.

Ms. Joswick stated in January 2025, Republic Services raised its fees and those fees would increase again in July 2025 and every year thereafter. Residents already approved a one-half percent sales tax increase in November 2024, which was to go to street improvements. The City wanted to make Pinole affordable for seniors but this was not leading to greater affordability. She objected to the legal ramifications of this proposal as indicated in the consultants' report that the fee was entering into an unsettled legal landscape. She asked why the City was placing everyone at risk. She also objected to the situation where Republic Services would now have to reimburse the City for damage their trucks did to the City's roads. Republic Services was not reimbursing the City but acting as a collection agency for money paid by residents and would simply return residents' money to pay for damage caused by Republic Services vehicles. She also objected to the fact there had been no workshop to explain this proposal and allow residents a chance to get questions answered. She suggested the City Council and staff had largely ignored residents' questions with the only opportunity to ask questions and raise objections to this unfair and possibly illegal increase limited to a single agenda item on a very long agenda. Additionally, she found the proposed fee increase to be discriminatory against seniors with legal liability disguised as a fee when it was really a tax.

Janet Wilks, commented on the concerns among Pinole residents regarding the 19 percent waste collection rate increase for seniors as opposed to the around 13 percent increase for other ratepayers. There was also concern about the VIF being a tax versus a fee, with legal precedent being set up and down the state, most notably *Zolly v. City of Oakland 2022*. If the legality of the VIF was challenged, it could lead to additional expenses for the City in terms of a legal defense and that should be considered if passing a VIF. She suggested the City Council include some funding in the budget to fund a defense of this proposal and she asked the City Council to consider not approving the VIF and rather pursue a tax proposal. If that could not be done, she recommended a reduction that would result in a five or six percent waste collection increase. She asked that the City not lay the burden of the VIF on seniors. She also commented it had been a challenge to have a productive conversation with City Council and staff about this issue since the passage of Proposition 218. She emphasized residents had repeatedly requested a workshop on this issue and commented on the difficulty in expressing the long list of concerns with only three minutes to speak at meetings. She suggested the City could do a better job in communicating on this side of the conversation since residents were feeling stonewalled.

Rafael Menis, thanked Ms. Wilks for her written comments which introduced him to *Zolly v. City of Oakland 2022*, where he found commentary from legal firm KBK, Kabateck LLP, discussing the case. He read into the record portions of the discussion and portions of the California Constitution and possibly two exemptions from Article XIII of the California Constitution, which may apply to the city's franchise fees, specifically Article XIII C, subdivision (e) (4) or Article XIII, C, subdivision (1) (e) (1) and the City of Oakland's response to the issue.

Mr. Menis referenced Page 241 of 764 of the agenda packet and commented that the presentation stated the annual use charge for special and lasting use of the solid waste containers was listed as a separate item from the annualized cost of pavement repair maintenance rehabilitation resulting from the unique impacts of street pavement caused by Republic's collection vehicles during the course of providing service. He asked the City Attorney to opine whether those would be linked to Article XIII, C, subdivision (1) or Article XIII, C, subdivision (e) (4), or some other cause or whether it would be more beneficial to consider this as many speakers had noted, as a tax. He asked for more specificity.

As to the actual cost to the City of road repair, and as stated in many prior Council agenda items, Mr. Menis suggested the cost to the City of maintaining the roads was well above what the City regularly expended in any given year since the overall cost of dealing with it all at once was much, much greater, which was why there were a number of estimates related to the fee for the impact for the service.

Debbie Long, found it disturbing there had been no discussion with the public prior to proposing the increase especially given the higher increase to the senior population. She suggested the City had hidden a \$1.2 million tax in the guise of a fee, with no mention of this in the Proposition 218 Notice. Rather, the staff report stated the City was converting the Solid Waste 214 Fund into a VIF. She understood legally the City could not rename a fee to side step calling it a tax. A fee must be justified and meet the definition, which the VIF did not. She found this was more accurately defined as a vehicle impact tax, as it was more directly related to services. The definition of a tax was a charge imposed with a primary purpose of raising revenue. The definition of a fee was the purpose of recouping costs incurred in providing the service, and fees that disproportionately burdened certain groups of people were illegal.

In this case, a VIF was only being charged for the use of the garbage truck, but Pinole had many other large trucks and businesses that impacted roads and the City was not charging any of them a VIF, only garbage trucks. Taxes that were not taxes violated the principle of transparency by denying the taxpayer of making meaningful choices about public priorities. To charge a fee for the roads used by Republic Services was not in direct relationship to the service Republic provided. As a previous Public Works Director stated in a meeting regarding the City's roads, the City's roads could be gravel and they would still serve the purpose, and therefore logically speaking garbage could still be picked up with roads in any condition and therefore the \$1.2 million fee was taxation by definition. A tax needed the vote of the people. All states, including California but excluding Oregon, adhered to a meaningful taxpayer-protected definition of taxes, and had rules requiring that any ambiguity in tax statutes could be resolved in the taxpayer's favor.

Ms. Long suggested that calling road repairs, including the calculations used as renting space of the cans, was not even close to the definition of a fee, and this City Council was guilty of hiding a tax and calling it a fee, not to mention that the reports stated the \$1.2 million "could" be used for road repairs, not "shall" be used for road repairs, with no mention in the resolution or the attachment of the \$1.2 million. She suggested the City Council needed to tighten its belt, engage the community and be transparent instead of trying to approve a tax under the guise of a fee, and perhaps the City Attorney should look into the ambiguity of trying to pass a tax as a fee not to mention converting one fee that was totally unrelated to the new proposed tax.

Kathleen Tobin, representing the Willowbrook Homeowner's Association (HOA), a 106-unit residential development on San Pablo Avenue, commented on the incredibly poor service from Republic Services. She had not followed the details of the increase but strongly opposed any increase in fees. She reported the HOA Board of Directors had written letters repeatedly to the City of Pinole that were never passed on to Republic Services. The letters raised concerns about absent garbage pickups, the fact the HOA had to hire a pest management company and with the situation having escalated into a serious health and environmental hazard since the prolonged accumulation of waste attracted pests and created unsanitary conditions. As a result, the HOA was strongly opposed to any increase in fees by Republic Services.

Mary Horton, former Mayor for the City of Pinole, thanked former Mayor Long for her excellent presentation and having raised some of the points she had with the proposal. She had received no notice about the proposal on a subject that was potentially litigious and confusing to the public, particularly given the suggestion that the fees were higher for seniors. She suggested the City should consider holding a workshop, be transparent, and if there was a direct through line with garbage trucks causing all of the upheaval on the roads, Republic Services should pay the City a fee for using City roads rather than the other way around. She added that WestCat buses, school buses, FedEx, Amazon and U.S. Postal Service trucks also used City streets. She recognized why there had been litigation around this issue, she had been through it as a Mayor, it was not fun, particularly when speaking with constituents. She did not support the VIF and urged the City to tread lightly.

William Horton, commented he had voted for utility and sales taxes in Pinole from 1998 through 2024, and was concerned the proposed increase would come so soon after the passage of the increase in sales taxes in November 2024. He asked the City Council and staff to provide the public with details of every year of expenditures.

Noreen Buller, a senior, opposed the garbage increase since it did not adequately justify the reason for the proposed increase. There was no mention of changing the Solid Waste Fund into a VIF, much less stating that \$1.7 million or \$1.2 million would be added to garbage invoices, which would add roughly \$50 to each billing cycle, in addition to the rate increases from Republic Services. She asked why this had not been discussed openly, noting that members of the public requested a workshop, which request had been ignored. It appeared as if the City was trying to pass a tax while calling it a fee and if vetting in a public forum, calling the tax a fee would be met with resistance. She found the biggest issue was this was a tax, not a fee, and a fee would be for providing the cost of services, with taxes imposed as a revenue generator.

Ms. Buller commented the \$1.2 million in taxes would not provide a service, but a road tax, and taxpayers already paid for road repairs. She emphasized the biggest promise of the recently passed Measure I was that it would go towards road repairs. She asked when that work would start. She commented the lack of transparency and accountability was disturbing, and she hoped the City Council would listen to the comments, split its vote into two actions; one to vote on the rate increase and the other on the tax increase, and put in on the ballot for the people to decide.

Irma Ruport, agreed with the comments, noted she had been back and forth with the City Council every two weeks and decried the lack of communication. The City had two stations with PCTV, a Communications Director, and the public was clueless about what was going on. She suggested the City Council needed to get it together and ensure communication was out in the public as it should be. She agreed a workshop should be held, recognized there may not be enough staff, but the City Council needed to be transparent and inform the public. She wanted the City Council to do better, communicate and get on the ball.

Anthony Vossbrink, echoed the previous comments and suggested just hearing from a few people in the Council Chambers could be multiplied if there was a Town Hall or public workshop. He suggested the City Council should stand up to Republic Services, not make back room deals. He emphasized most seniors were on fixed incomes, living off of Social Security and little else, and the proposed increase would burden seniors who did not use a large trash bin. He suggested the discrimination against the seniors in the community should be investigated.

Mr. Vossbrink also asked what was occurring with recycling work at the City level, and asked about the status of recycling bins outside of the Senior Center, Pinole Library, tennis courts and Pinole Valley Park. He understood the City combined all bottles and cans into their trucks even though they were pre-separated, and were taken to the Corporation Yard for Richmond Sanitary Service to pick-up. He questioned whether recycled items were really being recycled, and asked for more transparency with the public. He requested that the senior rates be adjusted downwards and that the majority on the City Council keep this item open for further discussion.

## PUBLIC HEARING CLOSED

City Attorney Casher clarified in response to the public comments the distinction between a tax and a fee. A tax was mandatory payment or charge collected by the City for the primary purpose of raising General Fund revenue. It was not tied to a specific service but a tax paid for City services more broadly. The sales tax, as an example, was a tax imposed with no specific service tied to it. A fee was a charge imposed for the primary purpose of covering the cost of providing a specific service directly to the rate payer. The solid waste fee being imposed and discussed, was not imposed on every resident in the City but imposed on a property owner who received collection services through the Solid Waste Franchise Agreement. The fee being imposed was for the service Franchise Agreement, the cost of the total service for the Franchise Agreement. The Nexus Fee Study that had been prepared was the analysis of the overall cost of the service, and for each of the rate payers was a portion based on the size of the trash bin, all calculated and referenced in the Nexus Fee Study.

The distinction under the California Constitution referenced the fee not exceeding the cost of the service, which was the purpose of the Nexus Fee Study that laid out the total cost of the service including the VIF, and the impact on roads of the Republic Services trucks driving over it, and that was the justification for why the fee was what it was.

City Attorney Casher added the Zolly v. City of Oakland case was a challenge to Franchise Fee Agreements more broadly and was not specific to VIFs. It was to address the issue of cities that were imposing a franchise fee without any Nexus Fee Study, and arbitrarily coming up with amounts not tied to the actual service without demonstrating that the fee for service did not exceed the actual cost of the service. That had been addressed by the Nexus Fee Study and pointing out the cost of impacts to the City's roads. The VIF proposed was lower than the actual impact provided for in the Nexus Fee Study.

Mr. Hanin acknowledged the concerns with the senior issue and commented that even the issue of a senior discount was potentially subject to the same fee issue the City Attorney discussed, with the presumption that if the non-senior rate was \$50 as an example, and the senior rate was \$45, using the same truck, driver and fuel, it could wind up that everyone who was not a senior would be subsidizing the senior rate. Because of that, many jurisdictions had eliminated special rates given the same pervasive fear that everyone was suing everyone over every fee. Since there was already a built-in rate where the senior rate was roughly \$3, pursuant to Page 30 of the Franchise Agreement, it included specific language on senior discounts at the contractors' good will. In exchange for the good will of the City and the general public, the contractor would voluntarily agree to discount the rate it charged for solid waste services and the maximum rates should not be otherwise paid for or subsidized by any other service recipients.

While the rate increase was more for seniors, it was because that gap was \$3, and through the negotiations there was a desire to maintain a lower rate and they got to \$2 as part of the total package of Republic Services' rates, and were making up the senior discount. It was not a subsidy, which was the way of maintaining at least a \$2 discount for seniors, being done as part of a negotiated settlement where Republic Services was giving the discount to the City as part of the total package of negotiations.

Council member Martinez-Rubin understood as part of the negotiation process the contract was offering something to seniors, but it was not apparent or obvious, and as a result the total monthly rate appeared to be great. She referenced Table 1, as shown on Page 233 of 764 of the staff report, which summarized the proposed July 1, 2025 rate components as compared to the figures in the PowerPoint presentation, which may be why it was difficult to understand the rates shown and the negotiation process. She also referenced the table of Residential Collection Rates, as part of the PowerPoint presentation, and clarified with Mr. Hanin how the rate increases in percentages had been calculated. Based on the information shown, she asked why the increases had been shown as they had.

Mr. Hanin again walked through the Residential Collection Rates, in particular the 35-gallon senior and regular 35-gallon rates as shown in the PowerPoint presentation, and commented the increase to the VIF for everyone, residential and commercial, had been two and half times higher, with a math issue happening because the \$2 change had been negotiated. The senior calculation made the rate change higher, from a \$3 difference to a \$2 difference, which had increased the VIF proportionally. It really came down to the \$3 spread between the two rates becoming a \$2 spread and adding the VIF, resulting in the six percent or so difference.

Council member Martinez-Rubin again referenced the Residential Collection Rates, acknowledged seniors had been paying a little under \$3, and it seemed they were making up for fees that had not been collected, but Mr. Hanin suggested focusing on the collection rate as shown in the table. He recognized it was difficult when speaking of 44 cents to percentages that seemed big, but the collection changes tried to keep, and to Republic Services' credit, the ability to use the solid waste fee that had been collected. There was a relatively small collection increase, with the fee spread evenly across the board for residential and commercial ratepayers, and it would be two and a half times what it was now. The two-and-a-half-time increase was reflected in the overall cost increases. He clarified that with the ending of the franchise agreement; there was an opportunity to review the agreement including the fees.

Mayor Pro Tem Tave referenced the Draft Agreement, Line 1019, Section 6.02, which spoke to the senior discount and goodwill and noted the spirit of that element of the agreement was still there. He acknowledged comments from the public asking how the money would be accounted for, which was very important. He believed in return to source, if the fee was generated by something it would return back to that intent. He asked whether the City Manager, City Attorney and Finance Director could provide details on how that would be reported this time next year.

City Manager Young explained the VIF as part of this arrangement would have to be recorded as a separate line item in the budget and would be something that could be easily reported on annually through the audit and budget processes. The intent and understanding of how VIF could be used was to potentially support the City's public waste process, but primarily it would only go towards roads and not the General Fund.

Mayor Pro Tem Tave asked about the current CPI and what that meant in relation to the discussion around the five percent increase. He sought insight as to what that 18-month freeze would do for the City and how the CPI tied into that.

Mr. Hanin clarified the 18-months meant the City did not have to do this in six months, which was the normal schedule and did not have to adjust rates until January 2027. The water, sewer, trash over the past 20-years on average adjusted four and five percent and the CPI had run a little bit less. He offered an example of when inflation spiked a few years ago and where cities had faced significant increases, and although inflation during most of the current agreement was relatively flat, there were spikes at the end. As part of negotiations, since the indexes had been running three to four-and-a-half percent, a five percent cap had been included to protect the City from potentially significant inflation. Although Republic Services was entitled to attempt to recoup that in the next year or the following year, if the inflation came back down it protected the City from any spikes above five percent.

Council member Toms thanked the speakers who provided questions ahead of time and thanked the City Manager and staff for responding to those with their Frequently Asked Questions (FAQs) and responses. Speaking to the fee for the impacts from the service being provided, the estimate was \$1.7 million, but had been reduced and was now proposed at 75 percent of that total.

Council member Toms acknowledged comments the City Council should consider splitting that in half again, and noted if that were done, they would be down to almost where the solid waste fee was currently or a bit higher. At this time, the VIF was for direct impacts associated with garbage trucks. She was aware the City could not and it was almost impossible to charge other delivery impact fees, but with respect to construction there were many times when a construction project was approved that the conditions of the roads before and after construction were noted and the contractor was required to make repairs applicable to damage, which directly addressed the impacts of the vehicles on the roads that created damage to them.

Council member Toms added that Measure I had not been a 100 percent fix-all for liability for road improvements and was never meant to cover the vast work that needed to be done; it was just one part of it. This proposal would not replace Measure I since there was a huge liability the City had in its road system.

Council member Murphy offered a motion, seconded by Mayor Pro Tem Tave, to adopt a resolution authorizing increases to the Solid Waste Collection Services Rates.

On the motion, Council member Martinez-Rubin commented she had reviewed her notes as to whether the comments made by members of the public had been addressed. They had discussed via the City Attorney, the explanation of a fee versus a tax, why now, an opportunity presented itself to analyze the costs associated with the services provided as well as impacts to the City because of the provision of these services, and the City's inability at this time to charge other large vehicles such as Amazon trucks. She noted the City had tried that in a different state policy committee she sat on and there were no means currently to incur charges. She commented they also had to consider the weight and recurrence on certain City streets, the damage done by the greater weight of vehicles and the frequency of those vehicles on the street, which was different compared to how WestCat buses traveled on its routes.

Council member Martinez-Rubin commented the history of VIFs had been discussed, the City was in need of funds to cover its pavement program since the City was behind in addressing the maintenance and the necessary repairs and would continue to be. There had been a lot of deferred maintenance and now in 2025, the City was confronted with some of that deferred maintenance. Over the years, the roads had been needing more repairs and those repairs now had to be done and the means to do so had to be found. She also referred to the questions about “can” or “shall” be used and the interpreted ambiguity about the language of the VIF, and commented that because it was a fee it was meant for a specific use. Given the immediate need to repair City roads, there was an opportunity to levy this fee for road repair.

Council member Martinez-Rubin noted with respect to any correspondence received by the City from the Willowbrook residents and the HOA, that more research needed to be done to determine what happened with the letters the HOA had provided. Communication with Republic Services had occurred, most recently the negotiations of the contractual agreement. She was curious whether there were ever times when Republic Services had gone without providing services to particular areas of the City and hoped to have an answer to that later.

Mr. Hanin commented with respect to communications between the Willowbrook HOA and its residents that Republic Services should be present to respond, and Council member Martinez-Rubin asked that Republic Services respond to those concerns.

Council member Toms commented that her concerns were that the CPI was 2.3 percent and then utilities were estimated at 4 percent, and the increase would represent an 11 to 19 percent increase, which was a hard hit for people, particularly those with fixed incomes. Rather than a VIF, and cutting it in half from the net as described in the PowerPoint presentation, which was already a 75 percent reduction of the actual costs, the City could consider something in between for an easier number so the increase would not be so high. She asked whether there was interest in taking a look at those numbers and returning with something in between if that was the will of the City Council.

Council member Martinez-Rubin wanted more information to address that question by the next City Council meeting and bringing the item to a vote at that time.

Council member Toms clarified, for instance, that the City was looking at the estimated cost at \$1.7 million, yet that had been reduced by 75 percent, which was what had been recommended at \$1.2 million. If taking the base of \$1.7 million and instead only take 50 percent of that total, there would be a total of \$851,720. She was not ready to translate that onto the schedule of what the VIF could be since it needed some math, but suggested it was a way to allow the City to do something in between and would be a more conservative approach to the VIF based on actual estimated costs and bringing it down closer to the CPI.

Mayor Sasai asked whether that was something staff could calculate at this meeting, and City Manager Young explained that would take some time for staff to do and bring back and that would also change the VIF, which was something to consider as well.

Council member Martinez-Rubin commented they were speaking of a 15-year period, not only savings for a certain group of people, but the roads would continue to degrade and costs would increase. She was leaning more toward if they could have the funding to do the repairs now, either pay now or later, but someone would pay.

Mayor Pro Tem Tave referenced Table 2, 1/1/2026 Estimated Residential Rate Survey, How does Pinole compare? as part of the PowerPoint presentation, and commented that he and his colleagues had asked that question for the past four years. Based on the information, the cities of Pinole, Hercules and El Cerrito were about the same size and the cities of Pinole and Pleasant Hill had enjoyed low rates for a long time, although their peers were in the middle range. He recognized the work to keep the value and intent of the contract intact and still address the looming issues, and while \$1.7 million would bring Pinole closer to the City of Concord range, Pinole was middle range for towns around it and the services provided, which had to be taken into consideration moving forward, particularly with services lacking.

Mayor Pro Tem Tave commented the City Council also had to take into consideration that roads did not degrade linearly, they must be rebuilt at extreme cost, and the strategy was to recoup some of those costs. The proposed fee would responsibly send that money back to the roads in partnership with Republic Services.

Mayor Pro Tem Tave added that street sweeping services were usually the ones picking up the gravel on the roads that was broken up, which meant there had to be more runs to clean the road. He found the VIF to be moderate. The spirit of the contract still held with what the City had in the past, and going to \$1.2 million rather than \$1.7 million kept them to a reasonable amount of increase. He asked about the total increase the City would absorb per month.

City Manager Young advised on average it would be around \$5 per month.

Mayor Pro Tem Tave found that to be a fair rate. It would generate close to \$1.2 million per household with a rate increase that would be fair, reasonable, and in the spirit and intent of the contracts and he wanted that to be a consideration as well.

Council member Martinez-Rubin asked the City Manager to again explain the average per month, and City Manager Young referenced the Residential Collection Rates table as part of the PowerPoint presentation, and based on the information shown, there would be around a \$4.06 increase but a bit more increase for seniors, which was just under \$5.

Mayor Pro Tem Tave noted that under Section 6.02 of the contract, Republic Services was required to reach out to the community and notify ratepayers about the \$2 rate and whether it was built into the contract.

Mr. Hanin advised Republic Services would inform residents of the new rate, it had been posted on its website, and if the City Council adopted the new rates, they would be made public and shared with Republic Services customers. He again clarified the Residential Collection Rates table as part of the PowerPoint presentation.

Council member Murphy restated the motion to adopt a resolution authorizing increases to the Solid Waste Collection Services Rates.

City Attorney Casher advised for the record that as part of the Prop 218 public hearing process, the City had received 115 written protest/objections. As identified in the public hearing notice, it would require a majority of the property owners/customers of record, and having conducted the public hearing, the City Council was authorized to approve the rates as proposed, or make modifications.

**Motion by Council member Murphy/Mayor Pro Tem Tave to adopt a resolution authorizing the increases to the Solid Waste Collection Service Rates.**

|              |                 |                                            |
|--------------|-----------------|--------------------------------------------|
| <b>Vote:</b> | <b>Passed</b>   | <b>4-1</b>                                 |
|              | <b>Ayes:</b>    | <b>Sasai, Tave, Martinez-Rubin, Murphy</b> |
|              | <b>Noes:</b>    | <b>Toms</b>                                |
|              | <b>Abstain:</b> | <b>None</b>                                |
|              | <b>Absent:</b>  | <b>None</b>                                |

The City Council moved forward to Item 12A at this time.

**12. NEW BUSINESS**

- A.** Adopt a Resolution Authorizing the City Manager to Execute the New Solid Waste Franchise Agreement with Richmond Sanitary Service, Inc. dba Republic Services and to Execute a Side Letter Agreement Regarding Use of City Rate Stabilization Funds to Offset Maximum Service Rates. **Action: Adopt Resolution per Staff Recommendation (Kelcey Young)**

City Manager Young clarified the prior presentation provided the overall entire package. This item would bring the Franchise Agreement forward but there could be a few minor modifications made, such as typos or word changes, otherwise the draft before the City Council was the draft staff recommended. A Side Letter was included with Solid Waste Funds to be used to supplement the rate so the community would not feel a significant rate increase, already reflected in the rates discussed, at \$200,000 annually.

**PUBLIC COMMENTS OPENED**

Rafael Menis, spoke to the implementation of the rate increases and noted as indicated in written comments he provided to staff, and a carryover from Item 10B, for the annual automatic inflationary increases to be approved and implemented each January 1, 2027, thereafter, through and including January 1, 2029. He asked if that meant on each January 1 from 2027, 2028 and 2029. Also, Page 764 of 764 of the agenda packet included Exhibit 10, Acceptable Recyclable Materials, and he commented it appeared there were more items than in the past that were acceptable for recycling at Republic Services, some of which he read into the record, particularly pizza boxes, which he understood fell more in the green waste category, and polystyrene (Styrofoam), which he understood was not a recyclable item. He asked whether all of the items listed in Exhibit 10 would now be recyclable under the agreement.

**PUBLIC COMMENTS CLOSED**

**Motion by Mayor Pro Tem Tave/Council member Murphy to adopt a resolution authorizing the City Manager to Execute the New Solid Waste Franchise Agreement with Richmond Sanitary Service, Inc. dba Republic Services and to Execute a Side Letter Agreement Regarding Use of City Rate Stabilization Funds to Offset Maximum Service Rates.**

**Vote:**           **Passed**           **5-0**  
                  **Ayes:**           **Sasai, Tave, Martinez-Rubin, Murphy, Toms**  
                  **Noes:**           **None**  
                  **Abstain:**       **None**  
                  **Absent:**       **None**

The City Council returned to agenda Item 11, Old Business at this time.

**11. OLD BUSINESS**

**A. FY 2025/26 Revised Proposed Operating and Capital Budget. Action: Receive a Report (Markisha Guillory)**

Finance Director Markisha Guillory provided a PowerPoint presentation on the Fiscal Year (FY) 2025/26 Revised Proposed Operating and Capital Budget, which included information that had previously been presented to the City Council and Finance Subcommittee on multiple occasions during meetings held in February through May 2025.

The General Fund Revised Proposed Budget Highlights included the City's baseline budget, which was balanced as ongoing revenues equaled ongoing expenditures. The baseline budget revenues and expenditures were consistent with the prior forecast as there were no major changes to assumptions, with status quo staffing and service levels, new sales tax revenue expected to generate approximately \$2.6 million, the General Reserve amended to 25 percent from 50 percent of total ongoing General Fund expenditures with proceeds being transferred to the OPEB Trust, and Staff Travel and Training Budget reductions did not include any potential salary adjustments that could result from labor agreements. In terms of the financial goals, they included the development of a fiscally sustainable budget annually and in future years, maintaining a positive net position whereby total assets exceeded total liabilities, maintaining a positive cash position by implementing balanced budgets with no deficit spending and addressing unfunded liabilities.

The Revised Proposed General Fund Budget; Baseline Revenues and Expenditures, Travel and Training Budget Reductions, General Fund One-Time Budget Items, Recreation, Building and Planning, PCTV and Sewer Enterprise Funds were all highlighted.

Other budget updates included:

**Reserve Policy Amendment**

- Reduced reserve level from 50 percent to 25 percent of total ongoing General Fund expenditures.

- Proceeds of \$2.4 million would be transferred into the Section 115 Trust to set aside funds for OPEB (retiree medical).
- A portion would be transferred into the General Fund to offset OPEB costs.
- Estimated General Reserve Balance, 6/30/25: \$10,252,000.
- 25 percent of Total Ongoing General Fund Expenditures (Amount to remain in General Reserve) \$7,852,845.
- Amount Available to Transfer to Section 115 Trust \$2,400,000.

The City Council also directed staff to include a new Associate Civil Engineer to be added to the Sewer Enterprise Fund and explore debt financing for major road projects (\$15 to \$20 million over a 15-year period, as directed) and return to a future City Council meeting with more information.

The Revised Proposed Budget also currently included an allocation of \$4,250 per Council member for a total of \$21,250 for City Council Travel and Training allocations. If any changes were made to increase the amount, that amount would have to be reduced elsewhere in the budget to ensure a balanced budget.

Finance Director Guillory advised the FY 2025/26 Revised Proposed General Fund Baseline Budget was balanced but very lean. Staff would continue to explore options to generate revenues, including grant opportunities, sponsorships and others as well as to capture expenditure savings. She recommended the City Council review the FY 2025/26 Revised Proposed Operating and Capital Budget and provide direction to staff for changes to incorporate into the next draft of the document, with the Final Proposed version for City Council adoption scheduled for June 17, 2025.

Responding to questions from the City Council, Finance Director Guillory, City Manager Young, and Community Services Director Andrea Dwyer clarified the following:

- No action was being asked of the City Council on the budget at this time, only feedback. If Consent Calendar Item 9F was not approved, more work would be required on the budget since there was a transfer in from the OPEB Trust to the General Fund. (Mayor Pro Tem Tave)
- The new Associate Engineer position had been included in the current budget. The job description and key responsibilities for the position could be provided at the June 17, 2025 meeting. (Murphy)
- With respect to the Holiday Tree Lighting event, the community desire for a tree similar in size, impact and to the standards of the 2023 tree, not the 2024 tree (which involved feedback from the community about the poor size of the tree), was noted. Staff reported the company providing the tree for 2025 had been asked to inform the City in advance via photographs of the tree prior to delivery to ensure the tree was full and that information could be shared with the public. Staff would seek donations for the cost of the tree with the tree to be similar in pricing and size as the 2023 tree. (Murphy)

- Clarified the 2023 tree had been donated to the City, and whether that could be tracked, would require further research. The 2024 tree which the City had purchased could be tracked through receipt of payment. (Murphy)
- This year's budget included integration of Measure I funding. Measure I funds were General Funds with the details in the budget document. A large portion of Measure I funds would go towards public safety, roads, park maintenance and a portion to recreation programs. The percentage of Measure I funds allocated to each Department could be provided at the June 17, 2025 City Council meeting and staff could include a summary in the staff report for the June 17 meeting, with details where to find the information in the budget document. A separate audit report would be required for Measure I funds at the end of each year, similar to Measure S funds, reconciled to the ballot language, and would be a part of the Annual Comprehensive Financial Report (ACFR) with a couple of small reports that also accompanied the ACFR. (Murphy)
- Clarified the Staff Travel and Training Budget Reductions and acknowledged a request for staff to detail the specific travel and training that would be impacted by the reductions for each City Department, with staff clarifying the reductions involved some professional conferences in various professional areas of expertise and some memberships to a number of professional associations. For the Police Department, the reductions would impact Officer Wellness Programs. (Mayor Sasai)
- Clarified the Public Works Department, Park Caretaker position had been vacant for at least three or four years. The position involved a reduced rent for a person to reside in the Caretaker's House to maintain the grounds around the area. The position would be funded by whoever occupied the house. There were no plans to fill the position at this time, with staff to come back at a later date with a recommendation for the usage of the property. Staff clarified the space for the position had been held in the budget since it would not cost the City anything. Should there be an opportunity to consider that in the future staff had not completely cut the position fully allowing staff to bring it back to the City Council at the mid-year budget review or when financial circumstances had changed. The position had been shown in the budget as a part-time position (not funded) and the City would only receive revenue if the property were occupied (\$15,000 for the rent for the person occupying the caretaker's house). (Mayor Sasai)
- Clarified Special Events, specifically the Car Show, was privately hosted. The City Council budgeted \$30,000 within the Community Services Department for Special Events. The collectors for the Car Show paid a park permit fee (through the Parks Department) and parade permit fee (through the Police Department), which fees were under \$100. The event organizer pursued donations after the event. Direct revenue to the City was a donation to the organizer's choosing. The total costs for staffing and supplies for the event was closer to \$70,000, as reflected in 2024 for the 2024 Car Show including staff from the Public Works and Police Departments, which higher number accounted for staff all-day costs for the event. Staffing costs only for the Car Show was \$35,000, with the total of \$70,000 for event supplies, staff time and overtime. The staffing cost only for the Fourth of July event was \$16,000, with 3,000 having attended the event in 2024. (Mayor Sasai)

- Measure I funds would come in monthly with sales taxes but with a two-month lag. (Mayor Pro Tem Tave)
- There were a lot of unknowns with the current economy and over the next few months, staff would conduct more analyses and consider potential revenue sources and track costs more specifically than had been done before and bring that forward to the City Council as part of a larger discussion. Staff hoped there was the possibility the City may have better revenue and be more comfortable in the future, but due to the unknowns in the economy staff may have to make a lot of assumptions in different directions. Staff described the budget as being “balanced on a knife’s edge” given potential expenses and a possible reduction in sales taxes due to tariffs. There was a good chance during the mid-year review, the City Council would have a better understanding of what the economy looked like. Staff was being conservative to account for those possibilities and could be even more conservative, but it was something that could be reassessed in another six months or so. (Mayor Pro Tem Tave)
- Acknowledged a request that impacts to City services due to the economy be metered to minimize impacts to existing programs, with the knowledge more information would be known in the next couple of months. (Mayor Pro Tem Tave)
- A Master Fee Schedule for the Recreation Department was due to be presented to the City Council soon since the Master Fee Schedule had not been updated for some time. Staff would provide a comparison to neighboring agencies to ensure services matched the quality and costs. (Mayor Pro Tem Tave)
- The methodology used to estimate staff costs per Community Event was highlighted and based on costs for part-time, full-time and Police Department staff including any overtime, and reflected the staff who were paid for work the day of the event. (Martinez-Rubin)

#### PUBLIC COMMENTS OPENED

Rafael Menis provided the following comments on the budget:

- For the Car Show, as to the direct economic impacts of the contributions from the hosts to whatever entities funds were contributed to and the indirect economic development impacts of having the event in Pinole, asked whether staff had any estimates of the indirect economic impact of the Car Show in the City of Pinole/surrounding businesses as part of its economic development model.
- For Measure I funds, noted there was a segment in the budget, Fund 107, Page 340 of 764 of the agenda packet, which listed the specific values that Measure I funds were planned to be spent on and highlighted that information as shown.
- As to where cuts were being made, felt uneasy around classifying cuts to the Police Department Health and Wellness Programs falling under Travel and Training which seemed a different thing categorically, similarly to non-mandatory spending.

- Given the City's budget constraints with Police salaries, suggested cutting Police Health and Wellness Programs could potentially have negative impacts on retention and should be considered as part of the broader policy impacts of funding.
- Noted if the various City Departments were making cuts to their Travel and Training Budgets, increasing funding to the City Council Travel and Training Budget looked bad just as a pure matter of optics.

Irma Ruport, reported she had received a lot of comments about the Christmas tree and suggested the downtown appeared too dark and perhaps lights could be hung in the downtown, which had been done in the past and looked decorative. In terms of the classifications and new job descriptions, as a former Human Resources person, she wanted the job descriptions detailed on the agenda when those jobs opened to allow a description of the requirements and education needed to fill the position. As to the Car Show, she had submitted an email to the City Council which she understood the City Attorney had seen and she asked that her questions be answered as soon as possible. If there was any damage to City property during the Car Show given it was operated by a private entity, she suggested any damages should be assessed and paid for by the private entity rather than the burden being placed on taxpayers, and recommended the requirement for a deposit. She added PCTV had not participated in many community events, and if it was not being used fully funds for PCTV should be used elsewhere. As to the City Council Travel and Training Budget, she suggested the City Council should have travel and training, get out of the City and go to other places, to network and put Pinole on the map. She appreciated those Council members who had traveled outside the City and reported back meeting people that could impact the City of Pinole.

Anthony Vossbrink, asked that the numbers for the Car Show and Fourth of July events be revisited. He asked whether the Car Show was valued absent the estimated number of attendees over the Fourth of July drone show. He found there was a disconnect with the numbers reported for the event last year and in 2023, and his understanding the City underbudgeted the event by roughly \$30,000 to \$50,000. He also referenced the fact a couple of years ago the fireworks show had been canceled by the Fire Marshal. In 2024, the Fourth of July drone show had been budgeted between \$30,000 and \$50,000 but ballooned to \$80,000. He asked for clarification as to how the costs for the Fourth of July Show for 2025 had been reduced so significantly as compared to what had been paid in 2024. He suggested the money was not well spent with regards to the type and quality of drones for the 2024 event and commented that another city in the country had a drone show that experienced technical problems, injuring a number of people, which could be a concern for Pinole. He also asked about the recommendation to reduce the General Reserve level from 50 to 25 percent whereas other cities had a 60 or 70 percent cash reserve.

#### PUBLIC COMMENTS CLOSED

Council member Toms thanked staff for the budget presentation. In terms of the City Council Travel and Training Budget, she suggested it was appropriate to go back to \$4,250 per Council member, particularly since other City Departments made reductions to the Staff Travel and Training Budget, and it was only fair.

Council member Toms pointed out there were some alternatives to traveling, Council members did not necessarily need to visit representatives in Washington, D.C. since representatives were frequently available locally, which was the direction she wanted the City Council to take.

Council member Murphy clarified with Finance Director Guillory the shortfalls in the budget for the operation subsidies had been fully funded with the transfers-out from the General Fund into those funds, as shown in each of the operating funds in the PowerPoint presentation, and who detailed in depth how the budget had been balanced.

Council member Martinez-Rubin concurred with the comments about keeping the City Council Travel and Training Budget at \$4,250 per Council member since it was non-critical, not mandated and with plenty of opportunities in the state and regionally with conferences provided by the League of California Cities and Institute for Local Government that were all accessible to Council members. She recommended keeping the budget as it was in FY 2023/24, which had served well until some Council members recognized opportunities to travel nationally. She agreed there were alternatives and networking could be done locally in the District Offices of Congressional representatives.

Council member Martinez-Rubin suggested Council members were knowledgeable. It was a privilege to serve and not receive any entitlement for travel and training, and Council members could be selective in the conferences attended. She added if Council members used the funds allotted for travel and training, they should ensure bringing back information after those events to allow the City Council and the public to learn about the benefits to the entire community.

As to the allotment of funds for Special Events, Council member Martinez-Rubin noted last year the City Council had supported the City being the lead agency/organization with respect to honoring veterans. The City did not have a Veterans Day event and there were models from other cities for such an event, which had been held in Pinole until 2023. Until that time, the Pinole Historical Society along with the City of Pinole had coordinated the event, which was well attended and documented in the archives that PCTV recorded. Given the connection with the Valor Village development, the City could include and integrate some of the veterans who resided in the facility for that particular activity. She asked that Special Events, under Community Services distribution of funds, itemize a Veterans Day event as part of a Special Event listing and the City Council consider at least \$1,000 allotted for expenses associated with the event since costs would be limited other than a permit and staff time. There were resources already available with the County and the City could further enhance those relationships with the County.

Mayor Sasai thanked staff for being willing to return with more details on the impacts from the Staff Travel and Training Budget reductions. He understood there was no need to make adjustments to the Holiday Tree Lighting ceremony other than to ensure there was a better-quality tree for 2025. In terms of the Fourth of July event, he recognized it was the most expensive event the City hosted and as such he was not in favor of continuing the event, which had been budgeted at \$50,000 in addition to \$16,000 for staffing expenses. He did support including a Veterans Day event as a line item for the budget and found it great to connect with the veterans and hearing the stories from residents of Valor Village and City employees who were veterans. He recognized honoring veterans was something missing in the community at this point in time and such an event was not something that would require a large amount of money.

Mayor Sasai again recommended that the Fourth of July event be discontinued. He understood the City of Hercules hosted a fireworks show and the reason Pinole had switched from fireworks to a drone show in previous years had been due to environmental, wildfire and public safety concerns. People could be referred to the Hercules fireworks display and the City could share those resources in that way as a West County community. He suggested replacing the Fourth of July event with a Veterans Day event and possibly a member of Congress could be invited to participate.

Council member Toms clarified that if discontinuing the Fourth of July event that would be for 2026, not 2025, which event had already been set and that change would show up in the FY 2026/27 budget.

Mayor Sasai understood his recommendation to discontinue the Fourth of July show would be in the FY 2025/26 budget but the event would not be discontinued until 2026, with staff having already planned the 2025 event.

Council member Toms liked the idea of sharing regional fireworks shows and reported there would be an event in the City of Richmond on July 3, 2025. For the Fourth of July in 2026, the City could direct and advertise that event on Richmond's behalf. She also liked the idea of bringing back the Veteran's Day celebration.

Mayor Sasai also would like to see staff explore options for the host for the Car Show to see whether they could contribute or solicit in terms of sponsorships to make the event more affordable on the City's end and that be reflected in the budget, if possible.

City Manager Young commented since the City Council was almost at the end of the budget that would be challenging to be able to come up with an estimate, although if the City Council wanted to come up with a new amount of a budgeted amount, that was something staff could work around. It would probably require scaling back in certain areas.

Mayor Sasai understood the staffing for the Car Show was \$35,000 more than the actual dollar amount reflected in the budget, with the City contributing significant funds for staffing for Police and Public Works. He wanted a line-item break down of what was included in the \$35,000.

City Manager Young confirmed some of that data could be brought forward since staff was tracking the event more thoroughly than had been done in the past. After this year's event, staff would have a better grasp of the exact costs and economic impacts and would reach out to local businesses to determine for this event and others, whether businesses were impacted by community events and staff could bring back that data as well.

Council member Murphy asked what would happen if the Staff Travel and Training Budget items were reinstated, and Finance Director Guillory advised if that was done, staff would have to go back and find the funds elsewhere.

City Manager Young also did not have a recommendation on that issue, but there were areas they could look at. From the staff side, this was about the seventh version of staff working through the budget and taking out as much as possible. She explained there was little left to cut.

Finance Director Guillory further responded to Council member Murphy and commented if reinstating the Staff Travel and Training Budget, at the direction of the City Council, the \$63,000 in funds that had been cut would require a reduction elsewhere, such as community events. She also clarified the recommendation to reduce the General Reserve from 50 to 25 percent. If the City Council were to consider giving \$2.3 million to OPEB (rather than \$2.4 million as staff initially recommended, which amount was not a requirement) and give staff back its Travel and Training Budget that option could be discussed among staff and the City Council.

Council member Murphy commented there had been recent staff turnover and staff would benefit from the training opportunities. He also referenced the 2022 Long-Term Financial Plan (LTFP) and the need to consider policy alternatives. With respect to the amendment to the General Reserve from 50 to 25 percent, he suggested it could all be placed in the Section 115 Trust, with the exception of the Staff and City Council Travel and Training Budgets.

City Manager Young explained while that could be an option it would put the City in a position of having a larger deficit in 2026. Staff had considered with the General Reserve having more or less the ability to have a balanced budget over the next three years and the more front loaded this year, the more challenging it would be over the next few years. Over the next few years, the City would still have to find significant revenue or make significant changes.

Council member Murphy recognized the uncertainty of the economy and the fact the budget would be looked at again in six months. Given that uncertainty, he wanted to see the City Council invest in staff and in the leadership of the City Council, with \$100,000 used to cover the Staff and City Council Travel and Training Budgets, and rather than place proceeds of \$2.4 million into the Section 115 Trust to set aside funds for OPEB, the City could consider \$2.3 million. He asked whether that was an idea the City Council would consider.

City Manager Young advised staff would follow any direction the City Council wanted to go, but it would make it more challenging to balance the budget in 2026.

Council member Murphy commented he had been a member of the City Council since 2020. In 2022, the City Council adopted the LTFP which listed a number of policy alternatives including a Commercial Cannabis Tax and Permitting, and he suggested the City should lean into that.

Council member Murphy offered a motion, seconded by Mayor Sasai to direct staff to explore the feasibility of establishing a Commercial Cannabis Tax and/or Permitting Program in the City of Pinole, as per the 2022 Long-Term Financial Plan, including potential revenue projections, regulatory models, community impacts and legal considerations, and return to the City Council with a report and recommendations within 180-days.

Mayor Pro Tem Tave recognized that was an item the City Council had previously discussed. He asked if that item had been calculated into the current budget as a revenue source, and Finance Director Guillory stated it had not.

Mayor Pro Tem Tave was curious about the cost for the report and if that meant the City needed to pull \$2.2 million into OPEB to fund that effort or whether it was something staff could work on. He asked about the timing and the level of effort that would take and whether it required adjustment to the current budget.

City Manager Young advised this had been something staff had been discussing on a higher level and depending on how the City moved forward, there would be an additional cost, primarily with the City Attorney's time, her time, the Finance Director and the Community Development Director who would have to work on the proposal. Depending on the recommendation whether to move forward with an ordinance versus a ballot, there would be additional costs, but that could be brought back in any report. She did not recommend changing the budget for this item.

Mayor Sasai asked if this would be something the City Attorney would take the lead on a presentation or a possible discussion, and City Attorney Casher stated that would be coordinated at the staff level. It would either involve an ordinance approach or a ballot measure, and those two options could be presented to the City Council for direction. A number of staff members would work on the proposal.

Whether it was possible to have a high-level discussion or briefing on the two options in July or August 2025, and in response to the Mayor, Council member Murphy explained the intent of his motion was for staff to return in 180-days with a proposal and he recognized staff may be able to do that work faster. His intent was to be more intentional of the staff review of the numbers and he recognized there had also been a review of the statewide cannabis industry that could be beneficial to City staff and suggested the staff assessments would play a part in that. He asked if 180-days was doable for staff.

Finance Director Guillory suggested 180-days would be reasonable.

Mayor Sasai recalled the City Council had previously been provided a presentation on a cannabis retail tax, and Finance Director Guillory clarified a presentation had been made in 2022/23 and staff could build upon that presentation.

Council member Martinez-Rubin commented the presentation would need to be updated since circumstances and the statewide experience with that type of tax had changed, it was not as lucrative as one would anticipate or desire, and the City would need to include workshops given the discussion of an idea in a community that was still fairly conservative. There were a number of speakers available through the League of California Cities who could provide presentations and who had the experience in other cities on both the pros and cons on this topic rather than have staff work on this just yet. That could be another consideration for the City Council and public to hear the idea as an idea, and gauge from a presentation how receptive the public would be. She was of the opinion this was something that would be controversial.

Mayor Sasai wanted to see a robust community engagement in the process and see what the community thought about it. He noted the City of San Pablo passed such a proposal with 75 percent approval and Contra Costa County had Countywide approval of a similar measure in 2018. He suggested a high-level discussion could happen on the two options and then get into the stakeholder engagement.

City Clerk Bell and Council member Murphy restated the initial motion to direct staff to explore the feasibility of establishing a Commercial Cannabis Tax and/or Permitting Program in the City of Pinole, as per the 2022 Long-Term Financial Plan, including potential revenue projections, regulatory models, community impacts and legal considerations and return to the City Council with a report and recommendations within 180-days.

Mayor Sasai again seconded the motion.

Mayor Pro Tem Tave understood with that motion the budget would not reflect the item, the budget would not be changed, but at the six-month review there could be an adjustment.

Council member Murphy acknowledged as staff had pointed out the status of the economy was unknown and it was likely the budget would be looked at quarterly, with the City Council to have an idea about the future in some way. He also recognized the 10-year LTFP had projected the City would have a deficit in the future and he suggested the need to push those ideas out. In some ways, he found the narrative around the travel and training budgets to be frustrating given he had delivered so much to the City Council, in conversation, in his time, and his money as an elected, where he had brought so much back to the City. He saw the value of training and travel as critical to enhancing the standard of the City and the City Council.

**Motion by Council member Murphy/Mayor Sasai to extend the City Council meeting to 11:30 p.m.**

|              |                 |                                                  |
|--------------|-----------------|--------------------------------------------------|
| <b>Vote:</b> | <b>Passed</b>   | <b>5-0</b>                                       |
|              | <b>Ayes:</b>    | <b>Sasai, Tave, Martinez-Rubin, Murphy, Toms</b> |
|              | <b>Noes:</b>    | <b>None</b>                                      |
|              | <b>Abstain:</b> | <b>None</b>                                      |
|              | <b>Absent:</b>  | <b>None</b>                                      |

Council member Murphy continued his comments and recognized Council members had different personalities and experiences, and as someone who constantly was engaged in the community and who served on different boards representing the City Council, and as someone who had received a lot of support in the community, it was important he share that narrative since those who did not understand may never understand, but people were counting on the City Council to do better and enhance the standard in Pinole. He was concerned with staff not having the funds for travel and training. He reported he had a conversation with the City Manager who stated the cuts would not affect her but as a new City Manager, she would be unable to attend potential beneficial sessions.

Council member Murphy commented that when the City Council stopped thinking about research and development, it stopped thinking about innovation and if doing that, the City Council would stop thinking about delivering the needs of the community.

**Motion by Council member Murphy/Mayor Sasai to direct staff to explore the feasibility of establishing a Commercial Cannabis Tax and/or Permitting Program in the City of Pinole, as per the 2022 Long-Term Financial Plan, including potential revenue projections, regulatory models, community impacts and legal considerations and return to the City Council with a report and recommendations within 180-days.**

|              |                 |                                                  |
|--------------|-----------------|--------------------------------------------------|
| <b>Vote:</b> | <b>Passed</b>   | <b>5-0</b>                                       |
|              | <b>Ayes:</b>    | <b>Sasai, Tave, Martinez-Rubin, Murphy, Toms</b> |
|              | <b>Noes:</b>    | <b>None</b>                                      |
|              | <b>Abstain:</b> | <b>None</b>                                      |
|              | <b>Absent:</b>  | <b>None</b>                                      |

Council member Murphy offered a motion, seconded by Mayor Sasai to amend the Revised Proposed Operating and Capital Budget to increase the Travel and Training allocation for each Council member from \$4,250 to \$12,000.

On the motion, Council member Toms commented when there were budget uncertainties the City should avoid budgeting in a way that was not sustainable. By increasing the Travel and Training allocation for the City Council, it sets it up a situation that was not sustainable. She had worked in a public agency during two cycles of economic downturns where staff had been asked to take a five percent salary reduction and increase staff contributions to health care. She could see that if continuing on this trajectory of pulling out of the reserves that was where the City was headed and she wanted to be mindful of having a sustainable budget. She reiterated there were opportunities for training locally that did not cost as much, the Council could meet with federal agencies and representatives when they were in their Districts, which would not involve reimbursement for hotel and travel expenses. She suggested taking a look at being more conservative with the travel and training budgets. She had been able to attend both the League of California Cities and a CivicWell conference in Yosemite one year, which was out of pocket somewhat, but Council members needed to retain some level of responsible budgeting since it would just snowball in three years where the City Council may have to consider drastic cuts.

Mayor Sasai recognized there were different opinions on this issue. His stance had not changed since last year and he challenged the City Council to consider where cuts could be made.

Council member Martinez-Rubin suggested as leaders they all had the responsibility to be responsive to the constituents who would like them to bring back resources, but it was a bit arrogant to consider any Council member was the key holder of information that would not be otherwise obtained in an alternative way. She suggested it was not irresponsible, but responsible to use the funds that were reasonable for regional and in-state travel and bring back resources that would yield the most to constituents and set aside their own interests in wanting to attend particular events since they believed they were a necessity for one's professional growth.

Mayor Pro Tem Tave understood the discussion was about \$60,000 to cover the increase to the City Council Travel and Training Budget. He explained that he chose the events he wanted to attend and tried to balance them. He otherwise wanted the Fourth of July event to remain and he understood the current event was underway. At this time, he supported the need to keep City staff trained if that meant the Fourth of July event would need to be eliminated. He noted that over the past two to three years, there had been an acceleration of professionals coming on board critically looking at the City and its growth. He appreciated Council member Murphy's recommendation to consider a Cannabis Tax since it would add a different dimension of revenue, which the City Manager was very qualified to review. He asked if the City Council could allocate the travel and training budgets for staff and the City Council and ensure staff knew that keeping that investment would mean that something else would have to be eliminated.

Mayor Pro Tem Tave also commented the City did not have a fireworks display but a drone show for the Fourth of July in 2024, which was a hit and potentially another drone show in 2025. There were ways to invest in what was really needed. He suggested it was up to each Council member to consider what they valued and use the travel and training budget or not, and that training should be there which was part of the reason why the City was in the current situation over the last couple of years.

**Motion by Council member Murphy/Mayor Sasai to amend the Revised Proposed Operating and Capital Budget to increase the Travel and Training allocation for each Council member from \$4,250 to \$12,000.**

**Vote:**           **Passed**           **3-2**  
                  **Ayes:**           **Sasai, Tave, Murphy**  
                  **Noes:**           **Toms, Martinez-Rubin**  
                  **Abstain:**       **None**  
                  **Absent:**       **None**

Council member Murphy understood the impacts from the motions would be brought back at the June 17 City Council meeting. He was okay waiting until that meeting to make further motions, although Finance Director Guillory advised that the meeting on June 17 was intended to adopt the Final Budget. There were no plans for an extra meeting at the end of the month of June.

Council member Murphy understood the process for the budget was a bit different this year. The Finance Subcommittee saw the budget once when it was usually reviewed at least twice, the Planning Commission meetings were canceled for the month of May with its review of the CIP to occur on June 9, 2025, and he understood direction could be given on June 17 to make adjustments to the budget. He asked staff to provide clarification.

City Attorney Casher explained the item would come forward on June 17 for adoption but there could be some discussion and some tweaks, but it would need to be adopted at that meeting, with any changes incorporated into the Final Budget at that time.

Council member Murphy commented he was going to offer a motion to remove the Fourth of July celebration from the list of City-sponsored events but proposing the additional direction around the feasibility of a Commercial Cannabis Tax and Permitting Program, and he pointed out the City Council had not yet approved an amendment to the Reserve Policy. Amongst that approval, the City Council would have \$2.4 million to disburse. At this time, staff was recommending using all of that money for the Section 115 Trust. There was consideration from the City Council perspective, that rather than use \$2.4 million, it could use \$2.3 million and fully fund the Staff Travel and Training Budget and still have funds for the Fourth of July celebration that some still wanted.

Finance Director Guillory advised that would be considered a one-time source of funds and the City would have to address that as an additional expense in 2026.

Council member Murphy pointed out next year the City would have to address a deficit anyway. He reiterated that without additional revenue, the 10-year LTFP foresaw a deficit in the future.

Finance Director Guillory clarified the last forecast was a bit outdated, it did not have Measure I and the situation had changed a bit where at this point it was unknown whether or not there would be a deficit in 2026. The City did start the upcoming fiscal year with a deficit, which shortfall had been fixed with Measure I funds. Long-term forecasting beyond FY 2025/26 had not been done yet to account for current circumstances and uncertainty.

Council member Murphy stated information provided in the past had shown the City ran at a deficit and with increased costs including retirement liabilities that would not decrease but increase. He was reluctantly in support of continuing the Fourth of July celebration, which he suggested was not truly a day for all, but it was very costly and there had been only 3,000 people in attendance at the 2024 event. He suggested the funds would be better used in other areas, including staff travel and training and a light, at most \$10,000 program, for Veterans Day.

Mayor Sasai reiterated he would not be in favor of moving forward with a Fourth of July event for July 4, 2026, and thereafter for the reasons he previously stated.

Mayor Sasai offered a motion, seconded by Council member Murphy to remove the Fourth of July event from Special Events in the FY 2025/26 Budget and include instead a Veterans Day event, with staff to return with an approximation of the cost for the event, not to exceed \$5,000.

On the motion, Council member Toms commented that given the current consideration of the FY 2025/26 budget, removing the Fourth of July event was not for this budget but for the following budget.

Finance Director Guillory clarified it would be reflected in the 2025/26 Budget since it would be paid in this upcoming fiscal year.

Council member Martinez-Rubin asked for consideration of an amendment to the motion. The Fourth of July event at a cost of \$50,000 in 2024 was because it had been a drone show. She recommended halving the budget for a Fourth of July event, which would require a redesign but it could still be an event that did not require a drone show but people liked the gathering and the day was honored.

Mayor Sasai did not support the amendment to the motion since he did not want residents to pick and choose between a Pinole event and a regional event. He stood by his motion, as stated.

**Motion by Mayor Sasai/Council member Murphy for FY 2025/26 remove the Fourth of July event from Special Events and instead include a Veterans Day event, with staff to return with an approximation of the cost for the event (cash value) not to exceed \$5,000.**

|              |                 |                                                  |
|--------------|-----------------|--------------------------------------------------|
| <b>Vote:</b> | <b>Passed</b>   | <b>5-0</b>                                       |
|              | <b>Ayes:</b>    | <b>Sasai, Tave, Martinez-Rubin, Murphy, Toms</b> |
|              | <b>Noes:</b>    | <b>None</b>                                      |
|              | <b>Abstain:</b> | <b>None</b>                                      |
|              | <b>Absent:</b>  | <b>None</b>                                      |

Council member Martinez-Rubin offered a motion to incorporate into Special Events, a Veterans Day and Flag Retirement Ceremony with an allotment of \$8,000.

Mayor Sasai advised the motion that was just passed was to remove the Fourth of July event from Special Events and instead include a Veterans Day event, with staff to return with an approximation of the cost for the event (cash value) not to exceed \$5,000. He asked if Council member Martinez-Rubin was recommending an increase for the Veterans Day event.

Council member Martinez-Rubin restated her motion to integrate in the Special Events listing, a Veterans Day and Flag Retirement Ceremony with an allotment of \$8,000.

There was no second to the motion.

Mayor Sasai clarified the reason he asked *for an approximation of the cost for the event (cash value) not to exceed \$5,000* was because \$5,000 or \$8,000 was an arbitrary number, and staff could come back with an approximation for the event that could be discussed from there.

Mayor Pro Tem Tave asked if the gap in training included the City Council Travel and Training Budget and was informed it was not and there remained around \$60,000 needed in order to keep those motions accurate. Based on the motions, he understood the Staff Travel and Training Budget had been reinstated based on the elimination of the Fourth of July event.

City Manager Young sought more direction from the City Council defining where those funds were going. Based on the discussions, the City Council had eliminated the Fourth of July event but there was no motion defining where the funds would specifically go.

Council member Murphy asked if staff was asking for the City Council to move that those funds be expended to replace the Staff Travel and Training Budget, and the City Manager stated that would be great if that was the City Council's direction.

Council member Murphy offered a motion, seconded by Mayor Pro Tem Tave that those funds be expended to replace the staff travel and training budget

**Motion by Council member Murphy/Mayor Pro Tem Tave that the funds from the eliminated Fourth of July event be expended to replace the Staff Travel and Training Budget.**

Council member Murphy asked where staff would pull the \$60,000 for the City Council Travel and Training Budget, and City Manager Young recommended a motion from the City Council whether it be from the reserve (from the \$2.4 million transfer to be brought to the Section 115 Trust) or other source.

On the discussion of the numbers, the Finance Director clarified that \$38,750 was the delta of the change and the additional amount needed.

Council member Murphy offered a motion, seconded by Mayor Pro Tem Tave to direct staff to utilize approximately up to \$38,000 from the General Reserve for the City Council Travel and Training Budget.

**Motion by Council member Murphy/Mayor Pro Tem Tave to direct staff to utilize approximately up to \$38,000 from the General Reserve for the City Council Travel and Training Budget.**

- B.        Draft Fiscal Year 2025/26 Baseline Budget and Five-Year Capital Improvement Plan. Action: Review the Draft Fiscal Year (FY) 2025/26 Capital Budget and the Five-Year FY 2025/26 through 2029/30 Capital Improvement Plan (CIP) and Direct Staff on Changes. (Heba El-Guindy)**

Public Works Director Heba El-Guindy reported there had been no recommendations for changes to the Draft Fiscal Year 2025/26 Baseline Budget and Five-Year Capital Improvement Plan (CIP) during the May 13, 2025 City Council meeting. Staff did make a change to Project #RO1710, San Pablo Avenue Bridge Over BNSF Railroad, through coordination with WCCTAC, which on May 23, 2025, approved adjustments to the agreement which would allow flexibility to use Strategic Management Planning Program (STMP) Grant Funds to replace the local match. The local match had been reduced from \$241,000 to \$100,000 from Measure S just to have cash flow since the City had to pay the consultants until they sought reimbursements.

Responding to questions from the City Council, Public Works Director El-Guindy clarified the following:

- Measure I was not assumed for FY 2025/26, although it was assumed in the following four years to be utilized for payments towards the debt financing. Debt financing would only be assumed in the Pavement Rehabilitation Project, assumed in FY 2026/27 through FY 2029/30 for an amount of \$4 million in FY 2026/27, \$4 million in FY 2027/28, \$2,750,000 in the following year and \$2,250,000 the year following. The summary table included in the PowerPoint presentation had not mentioned Measure I but included Measure S 2006 and 2014. (Murphy)
- Project #RO2404, Crosswalk Tennent Avenue at Prune Street, had been moved to FY 2026/27, with \$50,000 for an analysis to be done in FY 2026/27, unless the City Council directed otherwise. (Murphy)

- Project #IN2105, Appian Way Complete Streets, had been pushed to FY 2026/27, with the STMP fees for the project not collected, which would be on a reimbursement basis. The project was not moving quickly since it had not been a priority and been on the books for some time, unless the City Council directed otherwise. (Mayor Sasai)
- The Pavement Rehabilitation project would start with Pinole Valley Road in FY 2025/26 in addition to a few small streets. The following year the City would continue with the rest of the corridor and the hope was to establish it as a Complete Streets project with bicycle and pedestrian facilities. San Pablo Avenue would be considered afterwards and staff would look at San Pablo Avenue as a Complete Streets project and hopefully it would be done with the San Pablo Avenue Bridge Project. (Mayor Sasai)

#### PUBLIC COMMENTS OPENED

There were no comments from the public.

#### PUBLIC COMMENTS CLOSED

Council member Martinez-Rubin thanked the Public Works Director for her work.

Public Works Director El-Guindy thanked the City Council for the approval of the Associate Engineer position at its last meeting, which was greatly appreciated and would make a significant difference for the Public Works team. She also thanked the City Council for the approval of the VIFs.

In response to the Mayor, Public Works Director El-Guindy advised the CIP would be brought back on June 17, 2025 for approval. She understood no changes had been proposed to the CIP at this time.

#### **13. CITIZENS TO BE HEARD (Continued from Item 6) (Public Comments)**

*Only open to members of the public who did not speak under the first Citizens to be Heard, Agenda Item 6.*

***Citizens may speak under any item not listed on the Agenda. The time limit is 3 minutes and is subject to modification by the Mayor. Individuals may not share or offer time to another speaker. Pursuant to provisions of the Brown Act, no action may be taken on a matter unless it is listed on the agenda, or unless certain emergency or special circumstances exist. The City Council may direct staff to investigate and/or schedule certain matters for consideration at a future Council meeting.***

Anthony Vossbrink, reported over the past few months it had been noted the back end of the tennis courts needed to be tidied up, with bushes and trees growing through the chain link fence and protruding into the sidewalks. Nothing had been done to maintain the area other than cutting some weeds that were left on the side of the tennis courts. There had been no notification to the public of the status of repairs to the two outdoor public restrooms on the outer perimeter of the tennis courts and there had been continued vandalism of the fencing on the outer fence perimeter by the bus stop near the library. This issue had been raised with Council member Murphy who was to look into it. He asked the City to contact the Pinole Valley High School (PVHS) Principal and Head Librarian to address the continued vandalism to the fence.

Mr. Vossbrink also asked about the status of the renovation of the Adobe Road Trail behind the caretaker's house and dog park, and reported two large dead trees on the trail were a fire hazard and the City continued to dump asphalt and old concrete from street renovations on the trail. In addition, Pinole Valley Road and San Pablo Avenue continued to have street light outages, and light bulb replacements were needed along with replacement of some of the yellow reflectors and traffic calming signs that had been knocked down some time ago. He also asked about the status of Coffee with a Cop and meetings with the City Manager, and asked if the meetings had been canceled as had Traffic and Pedestrian Safety Committee (TAPS) meetings.

Council member Toms reported this date marked 37 years since Amber Swartz had been taken from her home and she wanted that milestone to be recognized.

**14. ADJOURNMENT** to the Regular Meeting of June 17, 2025 in Remembrance of Amber Swartz.

At 11:45 p.m., Mayor Sasai adjourned the meeting to a Regular City Council Meeting on June 17, 2025 in Remembrance of Amber Swartz.

## **CITY COUNCIL REPORT**

**9.C.**

**DATE:** JUNE 17, 2025  
**TO:** MAYOR AND COUNCIL MEMBERS  
**FROM:** Markisha Guillory, Finance Director, 510-724-9823, MGuillory@pinole.gov  
**SUBJECT:** FY 2025/26 FINAL PROPOSED OPERATING AND CAPITAL BUDGET

### **RECOMMENDATION**

City staff recommends that the City Council adopt a resolution approving the Final Proposed Fiscal Year (FY) 2025/26 Operating and Capital Budget ("Final Proposed budget", attached).

### **BACKGROUND**

The City operates on an annual budget cycle. Through the budget, the City Council approves revenue estimates and authorizes City staff to expend the City's limited financial resources. City staff is responsible for preparing a proposed budget for City Council's consideration, modification, and adoption.

As noted above, the City goes through an annual process of developing a budget for the upcoming fiscal year. The City's budget is considered an "incremental" budget, meaning that the budget for the upcoming year is developed based on the current year's budget and includes incremental changes.

The Fiscal Year (FY) 2025/26 Final Proposed Operating and Capital Budget was created through a collaborative, iterative process involving the City Council, community, and City staff and included the creation of a Preliminary Proposed, Revised Proposed, and ultimately Final Proposed budget.

City staff presented the draft baseline General Fund budget to the Finance Subcommittee on April 24, 2025 to receive feedback on the assumptions contained in the baseline budget. The Finance Subcommittee did not direct staff to make any changes to the baseline General Fund budget. Staff reviewed and revised the baseline budget multiple times to ensure that it does not include any one-time revenues or expenditures and that all of the estimates it contains are as precise as feasible. This resulted in a Preliminary Proposed budget.

At its regular meeting on May 6, 2025 and a special meeting (budget workshop) on May 13, 2025, the City Council reviewed the Preliminary Proposed budget. Staff presented the General Fund budget which was balanced and reflected a surplus of approximately \$1.4 million, however, the other operating funds (Recreation, Pinole Community Television, and Building and Planning) were unbalanced and required additional General Fund operating subsidies.

Staff incorporated several changes into the budget, including increasing the transfers from the General Fund to the operating funds to balance the funds, reducing the General Reserve from

50% to 25% of total ongoing General Fund expenditures, and using the available funds from the amended General Reserve to establish an Other Post-Employment Benefits (OPEB) trust to set aside funds to offset the cost of reimbursements to active retirees receiving medical benefits. Also, in an effort to reduce General Fund expenditures, City departments reduced their travel & training budgets. Incorporating the changes, staff prepared a Revised Proposed budget.

At its meeting on June 3, 2025, the City Council reviewed the Revised Proposed budget and directed staff to restore the staff travel and training budgets to their original amounts and the City Council travel and training to the amended amount. Staff incorporated the changes and prepared the Final Proposed budget, which is scheduled to be adopted on June 17, 2025.

City staff is required by the City's Financial Policy on a Structurally Balanced Budget to create a proposed General Fund operating budget that is structurally balanced, meaning that ongoing revenues equal or exceed ongoing expenditures. The final proposed baseline General Fund budget is structurally balanced.

## **REVIEW AND ANALYSIS**

The Final Proposed budget for FY 2025/26 is a status quo budget, meaning that it does not include any significant new City programs or services or any major changes to staffing levels. The Final Proposed budget recommends that the City carry out the same ongoing programs and activities in FY 2025/26 as it has in the current fiscal year.

The budget includes the following noteworthy assumptions:

- The General Fund operating budget is structurally balanced;
- Includes new sales tax revenue as a result of Pinole voters passing a half-cent sales tax measure (Measure I) during the 2024 municipal election. It is expected to generate approximately \$2.6 million annually;
- Includes proceeds of \$2.4 million, resulting from the General Reserve Policy reduction from 50% to 25%, and deposited into the Section 115 Trust for Other Post-Employment Benefits (OPEB). A portion will be transferred into the General Fund annually to offset increases in OPEB costs; and
- Does not include a cost of living adjustment (COLA) for employees, as the City is in the process of negotiating successor Memorandums of Understanding (MOUs), and compensation plans for all employees and salary adjustments have not been determined.

The Final Proposed budget contains staff's recommendations regarding revenues and expenditures for FY 2025/26. The total (all funds) revenue budget is approximately \$54.4 million. The City's total (all funds) expenditure budget is approximately \$95 million. The Final Proposed budget is structurally balanced, meaning that ongoing revenues are sufficient to cover ongoing expenditures. One-time expenditures are paid for using one-time revenues and other sources, including fund balance, which is why total expenditures in a given year can exceed total revenues. The budget includes a planned net use of fund balance of \$40.6 million for all funds combined as shown in Table 1 below. The majority of the use of fund balance is for several large, multi-year capital improvement projects, notably in the wastewater enterprise

fund. It is important to note that the total estimated costs of some capital projects are budgeted in year one (FY 2025/26) of the Capital Improvement Plan (CIP) although some projects may take several years to complete. The total costs are budgeted up front to earmark the full amount of funding needed to complete the CIP projects.

City staff will undertake a thoughtful and substantial set of programs and activities in FY 2025/26. Staff will complete routine work and staff-initiated special projects to improve efficiency and services; 2020-2025 Strategic Plan “strategies”; Capital Improvement Plan (CIP) projects; and other Council-directed special projects. These are all consistent with City goals.

*Table 1 – All Funds Budgeted Revenues and Expenditures*

The General Fund (including Measure S 2006 and 2014, Measure I 2024) total revenue budget is approximately \$31.5 million, and its total expenditure budget is approximately \$32.8 million. The Final Proposed FY 2025/26 Operating and Capital Budget includes the use of approximately \$1.3 million from the General Fund and Measure S unassigned fund balance to fund several one-time capital projects, several of which were budgeted in the FY 2024/25 Operating and Capital Budget but were not completed and have been carried over.

As noted above, it is a goal of the City's Financial Policy on a Structurally Balanced Budget,

and a public finance best practice, to create a structurally balanced proposed budget.

Table 2 below shows the ongoing General Fund revenues and expenditures in the Final Proposed budget and illustrates the balance. Table 2 below shows the composition of the Final Proposed Budget. As shown, the budget assumes the use of \$1.3 million of fund balance. Table 3 below provides a detailed list of the one-time budget items and capital improvement projects to be funded by available unassigned fund balance.

## **Other Budget Updates**

At its June 3, 2025 meeting, the City Council requested staff to gather some additional budget related information to be included in the staff report for the June 17, 2025 meeting. The information below is responsive to those requests.

## **Measure I Budget Allocation**

Pinole voters passed an additional half-cent sales tax measure (Measure I) in the November 2024 municipal election. The FY 2025/26 Final Proposed Budget allocates the \$2.6 million that it is expected to generate. Measure I is a general tax that can be used to fund any municipal purpose as approved by the City Council. The new revenue was intended to be used to maintain critical City services with public safety being the community's highest priority.

The City Council directed staff to provide a breakdown of how Measure I is allocated in the FY 2025/26 proposed budget. As shown on page 46 of the FY 2025/26 Final Proposed Operating and Capital Budget document (Attachment A), Measure I allocated to ongoing police, roads, parks, and recreation expenditures, as follows:

- Police operations - \$1,752,454
- Road maintenance - \$182,752
- Park maintenance - \$356,256
- Recreation programs - \$300,000

## **Associate Civil Engineer Job Description and Duties**

The City Council directed staff to provide the Associate Civil Engineer job description, which can be found on the City's website at <https://www.governmentjobs.com/careers/pinole/classspecs/1509626?page=2&pagetype=classSpecifications>. This position was added to the FY 2025/26 budget and will be fully funded by the Sewer Enterprise Fund. The position will add staff capacity and will be primarily responsible for completing a number of capital improvement projects at the Wastewater Treatment Plant, including several system upgrade projects.

## **Special Event Updates**

The City Council directed staff to include a budget allocation of up to \$5,000 for a Veterans Day ceremony. The Veterans Day event will be held to honor and recognize the service and sacrifice of our nation's veterans. The event will include a heartfelt ceremony featuring the national anthem, a flag retirement ceremony, and speeches from community leaders, veterans, and/or service members. Attendees will have an opportunity to participate in a moment of silence and enjoy patriotic performances. The event will serve as a powerful reminder of the courage and dedication of those who have served in the United States Armed Forces, fostering community appreciation and unity. An allocation of \$5,000 is included in the special events budget.

The \$55,000 allocated for the Fourth of July 2026 celebration has been removed from the special events budget as directed by the City Council.

## **Next Steps**

City staff invites the feedback of the City Council and members of the public on the Final Proposed budget at the City Council's June 17, 2025 meeting. The City has also developed a Final Proposed Fiscal Year (FY) 2025/26 – 2029/30 Five-Year Capital Improvement Plan (CIP), which contains the capital budget for FY 2025/26 and a conceptual capital budget for FY 2026/27 – FY 2029/30.

Following City Council adoption of the Final Proposed budget on June 17, 2025 Council meeting, the adopted budget will be implemented on July 1, 2025.

## **FISCAL IMPACT**

The FY 2025/26 General Fund baseline budget is balanced. The Final Proposed FY 2025/26 Operating and Capital Budget proposes the use of approximately \$1.3 million of General Fund unassigned fund balance for several one-time items and capital improvement projects. For all funds, in total, the Final Proposed budget proposes revenues of \$54.4 million, expenditures of \$95 million and use of approximately \$40.6 million of fund balance. Anticipated revenues, projected expenditures, and use of fund balance (if applicable) are shown for all funds in Table 1 above and in the budget summaries of the FY 2025/26 Operating and Capital Budget.

## RESOLUTION NO. 2025-\_\_

### A RESOLUTION OF THE CITY OF PINOLE, COUNTY OF CONTRA COSTA, STATE OF CALIFORNIA, ADOPTING THE FINAL PROPOSED FISCAL YEAR (FY) 2025/26 OPERATING AND CAPITAL BUDGET

**WHEREAS**, the City Manager has presented a Final Proposed Fiscal Year (FY) 2025/26 Operating and Capital Budget for the City of Pinole; and

**WHEREAS**, the City Council has held a public meeting on the matter of the Final Proposed Fiscal Year (FY) 2025/26 Operating and Capital Budget and has discussed the individual department and fund budgets with City staff members; and

**WHEREAS**, the City Council has solicited public input on the Final Proposed Fiscal Year (FY) 2025/26 Operating and Capital Budget.

**NOW, THEREFORE, BE IT RESOLVED** by the City Council of the City of Pinole as follows:

**Section 1.** The Final Proposed Fiscal Year (FY) 2025/26 Operating and Capital Budget commencing July 1, 2025 and ending June 30, 2026 is hereby approved and adopted.

**Section 2.** That appropriations are established by fund as follows:

|     |                                         |              |
|-----|-----------------------------------------|--------------|
| 100 | General Fund                            | \$23,775,898 |
| 105 | Measure S - 2006 Fund                   | 2,970,750    |
| 106 | Measure S - 2014 Fund                   | 3,462,937    |
| 107 | Measure I – 2024 Fund                   | 2,591,462    |
| 150 | General Reserve Fund                    | 2,400,000    |
| 160 | Equipment Reserve Fund                  | 205,000      |
| 200 | Gas Tax Fund                            | 2,512,167    |
| 201 | Restricted Real Estate Maintenance Fund | 26,000       |
| 203 | Public Safety Augmentation Fund         | 613,388      |
| 205 | Traffic Safety Fund                     | 57,191       |
| 206 | Supplemental Law Enforcement Svc Fund   | 303,281      |
| 207 | NPDES Storm Water Fund                  | 385,631      |
| 209 | Recreation Fund                         | 2,323,613    |
| 212 | Building & Planning Fund                | 2,744,232    |
| 213 | Refuse Management Fund                  | 189,710      |
| 214 | Solid Waste Fund                        | 177,241      |
| 215 | Measure C and J Fund                    | 1,191,732    |
| 225 | Asset Seizure-Adjudicated Fund          | 19,268       |
| 276 | Growth Impact Fund                      | 2,436,000    |
| 285 | Housing Assets Fund                     | 342,961      |
| 310 | Lighting & Landscape District Fund      | 85,175       |
| 317 | Pinole Valley Caretaker Fund            | 14,989       |

| 325 | City Street Improvements Fund           | 2,907,583    |
| 377 | Arterial Streets Rehabilitation Fund    | 560,960      |
| 500 | Sewer Enterprise Fund                   | 38,229,096   |

|     |                      |           |
|-----|----------------------|-----------|
| 505 | Cable Access TV Fund | 653,088   |
| 700 | Pension Trust Fund   | 3,300,445 |

**TOTAL OPERATIONS BUDGET     \$94,981,818**

**Section 3.** That the appropriations established for FY 2025/26 by fund shall be allocated to individual departments as presented in Exhibit A (Budget Summaries). In addition, the unspent balance of capital projects, grants, and encumbrances authorized in the prior fiscal year are authorized to be carried over to FY 2025/26.

**Section 4.** That the control point for expenditures is herein established at the fund department level as set forth in Exhibit A (Budget Summaries).

**Section 5.** That authority is granted to each department manager under the direction of the City Manager to allocate appropriations within the department control limits among specific line items in the most cost-effective manner that maintains or enhances the delivery of programs and services to the residents of the City of Pinole.

**Section 6.** That the Finance Director will prepare Quarterly Reports to the City Council reporting the budget performance to the control limits herein established.

**Section 7.** Estimated revenues and transfers anticipated to fund appropriations for expenditures for the FY 2025/26 Fiscal Year are presented in Exhibit A (Budget Summaries). Any changes to the established control limits will be subject to approval by resolution of the City Council.

**Section 8.** All positions listed in the “Budgeted Positions (FTE)” (Exhibit B) are hereby authorized positions.

**PASSED AND ADOPTED** this 17<sup>th</sup> day **June 2025**, by the following vote:

Final Proposed Budget - June 17, 2025

*Page intentionally blank*

June 17, 2025

Dear City Council and Residents -

City staff is pleased to present the Final Proposed Fiscal Year (FY) 2025/26 Operating and Capital Budget ("FY 2025/26 Budget").

City staff is responsible for preparing a proposed budget for City Council's consideration. The FY 2025/26 Budget incorporates input that was provided by the City Council and members of the community through multiple meetings of the Finance Subcommittee, City Council, and other engagement opportunities.

The FY 2025/26 Budget is a status quo budget meaning that service levels and revenue mechanisms in the budget are essentially the same as those in the current year budget, [FY 2024/25](#). The General Fund operating budget is balanced, meaning that ongoing expenditures are funded by ongoing revenues. The City was able to accomplish this due to the Pinole voters passing an additional local half-cent sales tax (Measure I) during the November 2024 municipal election. As a budget stabilization strategy, the City established an Other Post-Employment Benefits (OPEB) trust to start to address increasing costs related to OPEB (medical insurance coverage for retired City employees). The OPEB trust was funded by funds that became available as a result of the City reducing the Reserve Policy from 50% to 25% of total ongoing General Fund expenditures and transferring the funds into the trust. Also, the budget includes the use of available unassigned fund balance for a number of one-time initiatives and capital improvement projects, which is an acceptable use of this funding source.

The Pinole community demonstrated incredible resilience while facing current economic challenges. The City has maintained all core municipal services. Further, the City began work on and completed a number of special projects to improve City operations and community quality of life. The City made one organizational change which entailed reinstituting an internal information technology department in order to improve efficiencies. Information technology services had been performed under a contract with an external firm, which will end after the new department is up and running.

In FY 2025/26, the City will continue to work on completing the City's remaining [2020 – 2025 Strategic Plan](#) strategies, Capital Improvement Plan (CIP) projects, routine staff work, staff-

initiated process improvements, and other Council-directed special projects. These include completion of the Active Transportation Plan, development of a Storm Drain Master Plan, and completion of several road projects, and economic development and housing initiatives. It is a thoughtful and ambitious work program that will create improved services and plans for a better future.

Looking to the future, the City will continue to work on strategic financial planning efforts including updating its 20-year financial forecast. The City's prior long-term financial forecast shows that ongoing City revenues are not expected to be sufficient to cover ongoing routine City services, and existing City revenue mechanisms are not going to be sufficient to address the City's two main unfunded liabilities, which are deferred capital maintenance and other post-employment benefits. The strategic financial planning report illustrates all of the City's mandatory and discretionary future financial obligations and identifies potential measures to address them, including revenue generation options and debt financing for major road and infrastructure projects.

A key goal of the City is to engage with the community and provide welcoming, high-quality services. City staff looks forward to working with you to make Pinole the best that it can be for current and future generations. Please connect and engage with the City through its numerous platforms.

I would like to thank all of the members of the community that participated in this year's budget development process, as well as the City's Finance Department for preparing the budget.

Sincerely,

Kelcey Young  
City Manager

## Executive Summary

---

*Page intentionally blank*

## **EXECUTIVE SUMMARY**

The City operates on an annual budget cycle. Through the budget, the City Council approves revenue estimates and authorizes City staff to expend the City's limited financial resources. City staff is responsible for preparing a proposed budget for City Council's consideration.

The Fiscal Year (FY) 2025/26 Operating and Capital Budget was created through a collaborative, iterative process involving the City Council, community, and City staff and includes the creation of a Preliminary Proposed, Revised Proposed, and ultimately Final Proposed budget. The budget development process is more fully described in the Budget Development Process section below.

The Fiscal Year (FY) 2025/26 Operating and Capital Budget is primarily a status quo budget, meaning that it does not include any major changes to City programs or services.

The City's all funds revenue in the Fiscal Year (FY) 2025/26 Operating and Capital Budget is approximately \$54.4 million, and all funds' expenditures are approximately \$95 million. The budget projection assumes a net use of fund balance of \$40.6 million for all funds combined as shown in Table 1 below. The majority of the use of fund balance is for several large, multi-year capital improvement projects, notably in the sewer enterprise fund. It is important to note that the total estimated costs of sewer capital projects are budgeted in year one (FY 2025/26) of the Capital Improvement Plan (CIP) although some projects may take several years to complete.

The General Fund (including Measure S 2006, Measure S 2014, and Measure I 2024 Funds) revenue is approximately \$31.5 million, and General Fund expenditures are approximately \$32.8 million, including the use of fund balance of \$1.3 million to complete one-time projects.

The budget includes funding for a number of Council-directed special projects, beyond staff's baseline work, Strategic Plan strategies, and Capital Improvement Plan (CIP) projects.

City staff believes that it will be able to complete the Council-directed special projects listed above by the end of FY 2025/26 but does not have the capacity to take on any additional special projects. Staff also recommends that the City adopt a practice of not adding any special projects mid-fiscal year unless an existing special project is taken off of the list.

It is a public finance best practice, and a goal of the City's Financial Policy on a Structurally Balanced Budget, to create a proposed General Fund operating budget that is structurally balanced, meaning that ongoing revenues equal or exceed ongoing expenditures.

At this point, the FY 2025/26 General Fund baseline budget projection indicates it is structurally balanced with estimated ongoing revenues of \$31.5 million and estimated ongoing expenditures of \$31.5 million. Total General Fund expenditures include operating subsidies to special revenue funds that are not able to collect sufficient revenues to cover all their expenditures. Currently, the operating subsidies are as follows: Recreation Fund (\$1,750,050); Building and Planning Fund (\$908,095); PCTV Fund (\$367,262).

The Fiscal Year (FY) 2025/26 Operating and Capital Budget consists of the baseline budget (ongoing operating budget), one-time operating budget items such as special Council-directed initiatives, and capital improvement projects that are funded by the General Fund including the Measure S and Measure I Funds. Table 2 and the following graphic below depict the composition of the Final Proposed budget. As shown, the budget assumes the use of \$1.3 million of unassigned fund balance.

**Table 2 – General Fund Final Proposed Budget**

Table 3 below provides a detailed list of the one-time budget items and capital improvement projects funded by the General Fund. Note that only the capital improvement projects that are funded by the General Fund are shown in Table 3. All capital improvement projects and their respective funding sources are detailed in the FY 2025/26 Five-Year Capital Improvement Plan (CIP) for FY 2025/26 – FY 2029/30.

## **CITY OF PINOLE STRATEGIC PLAN 2020-2025**

In February 2020, the City of Pinole adopted a Strategic Plan 2020 – 2025. The Strategic Plan established the following vision, mission, and goals for the City, as well as 22 specific “strategies” (special projects), to be completed over a five-year timeframe, that would help the City achieve the goals.

### **VISION**

Pinole is a safe, vibrant, and innovative community with small town charm and high quality of life.

### **MISSION**

Pinole will be efficient, ethical, and effective in delivering quality services with community involvement and fiscal stewardship.

### **GOALS**

1. **Safe and Resilient Pinole:** Develop and communicate resilience through quality public safety service delivery, property maintenance policies and practices, and disciplined investment in community assets.
2. **Financially Stable Pinole:** Ensure the financial health and long-term sustainability of the City.
3. **Vibrant and Beautiful Pinole:** Facilitate a thriving community through development policies and proactive relationship building.
4. **High Performance Pinole:** Build an organization culture that is efficient, ethical, and effective in delivering quality services with community involvement and fiscal stewardship.

The City Council held a special strategic planning meeting on April 29, 2023 during which it reaffirmed the vision, mission, and goals of the Strategic Plan and made some adjustments to some strategies.

## **PROFILE OF THE CITY**

The City is primarily a residential community located in the San Francisco Bay Area on the shores of San Pablo Bay in West Contra Costa County. Highway Interstate 80, which traverses Pinole, connects the San Francisco/Oakland metropolitan area with Sacramento and points east. Pinole is linked to central Contra Costa County which includes the cities of Martinez, Concord, and Pleasant Hill by State Route 4 which begins just north of Pinole and connects with Interstate 680. There are approximately four-square miles of land included in Pinole's boundary. The City's population on January 1, 2024 was 18,192, according to the California Department of Finance.

The City of Pinole is a general law city that was incorporated on June 25, 1903. The City operates under a Council-Manager form of operation, whereby policies of the City Council are administered by a City Manager who is appointed by the City Council. All municipal departments operate under the supervision of the City Manager. The Council consists of five members who are elected at large for four-year overlapping terms. The Council elects one of the Council members to serve as Mayor each year.

The City is a full-service city that provides the following services: public safety (police), public works, community services (including recreation and Pinole community television), community development, and general administration services.

## ORGANIZATIONAL STRUCTURE

Note: The Contra Costa County Fire Protection District provides fire safety services to Pinole residents.

## **Budget Development Process and Budget Award**

---

*Page intentionally blank*

## **BUDGET DEVELOPMENT PROCESS**

The City's budget is created through a collaborative, iterative process involving the City Council, community, and City staff. The City's budget development process is considered an "incremental" budget process, meaning that the budget for the upcoming year is developed based on the current year's budget and includes incremental changes.

City staff takes the following steps to create the budget:

- Finance Department uses the current budget, which incorporates any mid-year changes approved by the City Council, as the starting point;
- Finance Department creates a "baseline budget" for the upcoming year by taking the ongoing revenues and expenditures included in the current budget and factoring in known or assumed changes to revenues and expenditures (i.e., forecasted changes to different revenue streams, general inflation, known changes to debt service, etc.);
- Departments review and confirm the known and assumed changes incorporated into the baseline budget;
- Departments submit requests for changes from the baseline budget to address proposed special projects or increased service levels;
- Finance Department and City Manager consider department requests for changes to the baseline budget and prepare a Preliminary Proposed budget for the Finance Subcommittee and/or City Council's consideration;
- Finance Department incorporates changes and prepares the Revised Proposed budget for the Finance Subcommittee and/or City Council's consideration;
- City Manager and Finance Department incorporates any final changes as necessary and submits the Final Proposed Budget to the City Council for adoption.

## **KEY MILESTONES OF THE DEVELOPMENT OF THE BUDGET AND CIP FOR FY 2025/26**

### **March 17, 2025**

- Department Proposed FY 2025/26 Budget Requests due to Finance

### **April 24, 2025**

- Finance Subcommittee Meeting
  - Draft FY 2025/26 General Fund Baseline Budget
  - Draft FY 2025/26 - FY 2029/30 Five-Year Capital Improvement Plan (CIP)

### **March-April, 2025**

- Budget Review Meetings
  - City Manager and Finance Department meet with Department Directors to review and discuss proposed budgets

### **May 6, 2025**

- City Council Meeting
  - Preliminary Proposed FY 2025/26 Operating and Capital Budget
  - Preliminary Proposed FY FY 2025/26 - FY 2029/30 Five-Year Capital Improvement Plan (CIP)

### **May 13, 2025**

- City Council Special Meeting (Budget Workshop)
  - Preliminary Proposed FY 2025/26 Operating and Capital Budget
  - Preliminary Proposed FY FY 2025/26 - FY 2029/30 Five-Year Capital Improvement Plan (CIP)

### **June 3, 2025**

- City Council Meeting
  - Revised Proposed FY 2025/26 Operating and Capital Budget
  - Revised Proposed FY 2025/26 Five-Year Capital Improvement Plan (CIP)

### **June 17, 2025**

- City Council Meeting
  - Adopt Final Proposed FY 2025/26 Operating and Capital Budget
  - Adopt Final Proposed FY 2025/26 Five-Year Capital Improvement Plan (CIP)
  - Adopt FY 2025/26 Appropriations Limit

### **July 1, 2025**

- FY 2025/26 Adopted Budget Implemented

*Page intentionally blank*

## **BUDGET AWARD**

The City received its eleventh consecutive Operating Budget Excellence Award from the California Society of Municipal Finance Officers (CSMFO) for its FY 2024/25 budget. The City previously received the Meritorious Award for its FY 2005/06 through FY 2010/11 budgets, and Outstanding Financial Reporting for its FY 1995/96 through FY 2000/01 budgets. The award reflects the commitment of the City to meeting the highest principles of government budgeting. To receive this award, the City had to satisfy nationally recognized guidelines for effective budget presentation.

---

## Revenue and Expenditure Summaries

---

*Page intentionally blank*

## **REVENUE AND EXPENDITURE SUMMARIES**

The City's General Fund accounts for all general revenues received by the City. The General Fund supports various City operations, including primarily public safety. The City also has numerous other funds that account for revenue received and expended for specific purposes.

### **GENERAL FUND REVENUE**

The major revenue sources for the General Fund are property tax, sales tax, utility users' tax, intergovernmental tax, franchise fees, business license tax, and transient occupancy tax. The City's Finance Department creates the estimates of these General Fund revenues for the budget using economic information obtained from several sources, including the State of California, Contra Costa County, and third-party consultants. Estimates of revenues generated by City departments are prepared by the respective department with assistance from the Finance Department. Each of these revenue sources is described in detail below.

Total General Fund (including Measure S 2006, Measure S 2014, and Measure I 2024 Funds) revenue is projected to be \$31.5 million, including transfers in, as summarized below.

| <b>Revenue Category</b>                                       | <b>FY 2025/26 Budget</b> | <b>% Total Budget</b> |
|---------------------------------------------------------------|--------------------------|-----------------------|
| Property Taxes                                                | \$6,698,790              | 21%                   |
| Sales and Use Taxes                                           | 4,567,189                | 14%                   |
| Sales and Use Taxes - Measure S 2006 and 2014, Measure I 2024 | 7,797,000                | 25%                   |
| Utility Users Tax                                             | 2,345,000                | 7%                    |
| Franchise Taxes                                               | 850,000                  | 3%                    |
| Transient Occupancy Tax                                       | 400,000                  | 1%                    |
| Business License Tax                                          | 469,200                  | 1%                    |
| Intergovernmental Taxes                                       | 2,513,149                | 8%                    |
| Permits                                                       | 301,700                  | 1%                    |
| Fees                                                          | 132,309                  | 0.4%                  |
| Public Safety Charges                                         | 1,861,497                | 6%                    |
| Other Revenues                                                | 366,619                  | 1%                    |
| Transfers In                                                  | 3,235,445                | 10%                   |
| <b>Total</b>                                                  | <b>\$31,537,898</b>      |                       |

### **Property Tax**

Property tax is an ad valorem tax imposed on real property (land and permanently attached improvements such as buildings) and tangible personal property (movable property). The fixed statutory rate is 1% of assessed valuation. Assessed value is based

on the 1975 property values with subsequent increases limited to 2% or CPI growth, whichever is less. However, when there is a change in property ownership, property renovation or new construction, property is reappraised at its full current market value. Proposition 8 allows the County Assessor to decrease these assessed values when property values decline and recapture these valuations back to the original amounts in the following years if property values increase.

The General Fund receives on average 19% of the total ad valorem property taxes levied (excluding voter approved tax overrides pledged for the retirement of bonded debt) on property located within the City's boundary (exclusive of the Redevelopment Project Areas). Property tax settlements are received in December (55%), April (40%) and June (5%). Property tax is imposed and collected by the County. Contra Costa County is on a Teeter Plan. The County absorbs the delinquencies under this plan. Property Tax also includes unsecured, supplemental, and property transfer tax.

The City uses property tax estimates provided by consulting firm HdL as the basis for the budget. For FY 2025/26, property tax is estimated to be \$6.7 million, a 9% increase over the FY 2024/25 revised budget. The increase is largely due to the increase in residual property tax revenue that the City expects to receive from the former Redevelopment agency due to the retirement of outstanding debt and dissolution of the Successor Agency.

The chart below illustrates the breakdown of the agencies that receive the property tax dollar.

### Property Tax Dollar Breakdown

## Sales Tax

Sales tax is the General Fund's single largest revenue source. The City's 10.25% Sales tax is levied on all merchandise and includes the 1% Bradley Burns Sales Tax, and Local Sales and Use Taxes Measure S 2006 (0.5%), Measure S 2014 (0.5%), the new Measure I 2024 (0.5%), passed by voters in 2024. The local sales taxes do not have sunset dates. The City uses sales tax estimates provided by consulting firm HdL as the basis for the budget. For FY 2025/26, General Fund sales tax, including Measure S 2006 and 2014, and Measure I 2024 is projected to be \$12.4 million, a 27% increase over the FY 2024/25 revised budget due to Measure I 2024. The chart below illustrates the breakdown of the agencies that receive the sales tax dollar.

**Sales Tax Dollar Breakdown**

## Utility Users' Tax

Utility Users' Tax (UUT) is levied in accordance with Chapter 3.26 of the Municipal Code, amended in 2018 which levies an 8% tax on the value public utilities services consumed within the City limits for electricity, natural gas, and telecommunications. Low-income households are eligible for exemption from payment. The Electorate ratified renewal of the taxing authority in November 2018 with no sunset date. The FY 2025/26 baseline budget assumes a 3% growth rate based on past trends. The electricity segment in particular continues to increase substantially year over year in line with rate increases set by service providers.

## Franchise Tax

Franchise tax is levied on public utilities and other corporations that use the public right of way to furnish gas (PG&E) (1%), electric (PG&E) (2%), refuse (Republic Services) (10%), and cable television (Comcast and AT&T) (5%) to citizens living within city

boundaries. The various fees are delineated in franchise agreements and are paid directly to the city by these franchisees. The FY 2025/26 baseline budget assumes no growth based on historical trends. While the gas, electricity, and refuse segments are projected to grow slightly, the increase is offset by the decrease in the cable segment. This is due to consumers continuing to move away from traditional cable.

### **Business License Tax**

Business license tax is assessed on all businesses doing business within City limits in accordance with Municipal Code Title 5. The City charges business license tax in accordance with the provisions of Government Code 37101. Pinole's tax is computed based on a flat tax (currently \$168) per year combined with a variable tax component based on the number of employees. The FY 2025/26 baseline budget assumes a 2% growth rate based on historical trends.

### **Transient Occupancy Tax (Motel or Bed Tax)**

Transient occupancy tax (TOT) is a 10% tax levied by the City for the privilege of occupying quarters on a transient basis in accordance with Chapter 3.24 of Municipal Code. This tax is imposed upon persons staying 30 days or less in a motel or lodging facility. The FY 2025/26 baseline budget assumes a -13% growth rate based on past trends, which has shown a continuous downward trend.

### **Intergovernmental Tax**

Motor vehicle in-lieu fee (VLF) is the City's share of motor vehicle license fees levied, collected and apportioned by the State. VLF is a tax on the ownership of registered motor vehicles which takes the place of taxation of this personal property. The VLF is paid annually at the time vehicle licenses are renewed based on current value adjusted for depreciation. The FY 2025/26 baseline budget assumes a 5% growth rate, consistent with projections provided by HdL, the City's property tax consultant.

### **Public Safety Charges**

Public safety charges is comprised of public safety charges which are received for dispatch services provided to the cities of Hercules and San Pablo under an Intergovernmental Service Sharing agreement. A portion of the costs of this activity are reimbursed by the City of Hercules and City of San Pablo. Under the current agreement, the City's recovers approximately 67% of the activity's budget. The FY 2025/26 baseline budget assumes a 5% growth rate based on projections provided in the five-year agreement that went into effect on July 1, 2023.

## Permits

Permits consist of various permits, including sidewalk, grading, and encroachment permits. The FY 2025/26 baseline budget assumes a 20% growth rate. This is primarily due to the projected growth in encroachment permits, consistent with past trends, and the increase in citywide fees consistent with the Consumer Price Index (CPI) increase of 2.7%.

## Fees

Fees consist of various fees mostly related to permits, including rental inspection, technology, administrative fees, abatement, and code enforcement fees. The FY 2025/26 baseline budget assumes a small reduction of 4%. This is primarily due to a projected decrease in code enforcement fees, consistent with past trends.

## Other Revenues

Other revenue is made up of all other revenue sources, including fines and forfeitures, interest income, grants, and other miscellaneous revenue. These revenues are projected primarily using historical trend analysis. The FY 2025/26 baseline budget assumes a - 21% growth rate. The reduction is mostly due to a projected decrease in investment earnings, consistent with market trends and less idle cash available to invest.

## Transfers In

The transfer in comes from the Section 115 Trust to offset the increase in pension and Other Post-Employment Benefits (OPEB) costs in the General Fund. The amount transferred for pension is based on the difference between the City's base year (FY 2018/19) contribution toward employee pensions and the forecasted required City contribution in the budget year.

## **GENERAL FUND EXPENDITURES**

General Fund revenues are not restricted to any specific use and can be expended on any allowable municipal purpose. For FY 2025/26, total General Fund expenditures are projected to be \$32.8 million, including transfers out, as summarized below.

| Expenditure Category                         | FY 2025/26<br>Budget | % Total<br>Budget |
|----------------------------------------------|----------------------|-------------------|
| Salaries and Wages                           | \$10,526,279         | 32%               |
| Employee Benefits                            | 8,178,351            | 25%               |
| Professional/Admin Services                  | 3,395,059            | 10%               |
| Contra Costa County Fire Protection District | 5,997,349            | 18%               |
| Other Operating                              | 378,156              | 1%                |

Fiscal Year (FY) 2025/26 Operating and Capital Budget  
Revenue and Expenditure Summaries-General Fund

|                           |                     |     |
|---------------------------|---------------------|-----|
| Materials and Supplies    | 184,998             | 1%  |
| Interdepartmental Charges | -665,537            | -2% |
| Capital Outlay            | 986,440             | 3%  |
| Debt Service              | 653,545             | 2%  |
| Transfers Out             | 3,166,407           | 10% |
| <b>Total</b>              | <b>\$32,801,047</b> |     |

## Salaries and Wages

Salaries and wages expenditures in the baseline budget are computed based on the City's current staffing level of 116.64 full-time equivalents (FTEs). It assumes one new position (Associate Civil Engineer) which will be fully funded by the Sewer Enterprise Fund. The FY 2025/26 baseline budget assumes a 2% growth rate and does not include any increases other than the normal salary increases for staff who have not reached the top of their job classification's salary range. Also, the baseline budget includes a vacancy savings factor to account for estimated cost savings resulting from unfilled positions. The vacancy savings factor is \$500,000, or 3% of total salary and benefits expenditures.

## Employee Benefits

Retirement benefits are the City's annual required contribution as determined by the most recent actuarial valuation reports as of July 2024 provided by the California Public Employees' Retirement System (CalPERS). The FY 2025/26 baseline budget reflects the estimated cost net of the required employer contribution minus employee contributions. Based on labor contracts between the City and its employees, employees contribute the 8% required employee contribution plus an additional 7% toward the required employer contribution, for a total of 15% for classic members. It should be noted that the pension unfunded liability increased significantly from FY 2024/25 to FY 2025/26 due to CalPERS' investment losses in previous years. As a result, the required employer contribution increased by 11% in the General Fund alone.

Other benefits include employee medical, dental, and vision care; workers' compensation; and others. The benefits cost in the FY 2025/26 baseline budget is based primarily on industry trends and rates established by benefit providers. The FY 2025/26 baseline budget assumes a net 10% increase mostly due to significant increases healthcare costs.

## Professional and Administrative Services

Professional services include consulting and administrative services, building and equipment maintenance, office expenses, travel & training, and various other professional services. Contracted services provided by other government agencies, including the Contra Costa County Fire Protection District (CCCFFPD) for fire services (\$5,997,349), and County animal services (\$226,437) and library services (\$202,430), are included in this category. The FY 2025/26 baseline budget accounts for contract escalators.

## Other Operating

Other operating expenditures include water, electricity & power, and cable utility costs. The FY 2025/26 baseline budget assumes a 17% growth rate based on projected rate increases, primarily in electricity.

### **Materials and Supplies**

Materials and supplies include fuel, maintenance supplies, and safety equipment. The FY 2025/26 baseline budget assumes no growth based on past trends.

### **Interdepartmental Charges**

Interdepartmental charges include administrative charges and reimbursements for services provided by one City department to another, such as finance, human resources, information technology, and legal services. This category also includes general liability insurance premiums. The FY 2025/26 baseline budget assumes a net 8% decrease based on lower reimbursements to the General Fund from other funds and higher insurance premiums.

### **Asset/Capital Outlay**

Capital outlay includes non-major asset acquisition and improvements, such as computer equipment and furniture. The FY 2025/26 baseline budget includes cost estimates of specific items to be purchased.

Major capital improvements funded by the General Fund and Measure S are not reflected in the FY 2025/26 baseline budget. Though they may span multiple fiscal years, capital projects are non-recurring in nature and are not accounted for in the baseline budget. All planned capital projects are detailed in the City's Five-Year Capital Improvement Plan for FY 2025/26 – FY 2030/31.

### **Debt Service**

Debt service includes the payment of principal and interest on the 2006 pension obligation bonds (POBs) that were issued to finance the City's unfunded accrued actuarial liability with CalPERS. The required annual payment is based on the long-term debt obligation schedule.

### **Transfers Out**

Transfers out include the transfer of funds from the General Fund, Measure S, and Measure I Funds to other funds, including road funds, and Recreation, Pinole Community Television (PCTV), and Building and Planning. The transfer helps to stabilize the budgets in those areas as the operating costs are not fully recoverable.

### General Fund Revenue by Type: \$31,537,898

### General Fund Expenditures by Type: \$32,801,047

**General Fund Expendiures by Department: \$32,801,047**

*Page intentionally blank*

## **MAJOR NON-GENERAL FUNDS**

Aside from the General Fund, the City also maintains special revenue funds, capital project funds, and enterprise funds. These funds generate revenue from many sources, such as taxes, charges for services, and user fees. Below find descriptions of the major Non-General Funds.

### **Special Revenue Funds**

#### **Gas Tax Fund - 200**

The Gas Tax Fund accounts for the Highway Users Tax Account (HUTA) State imposed excise taxes on gasoline and diesel fuel sales within the City Limits. These taxes are distributed primarily on the basis of population pursuant to formulas specified in Streets and Highways Code Sections 2105, 2106, 2107, 2107.5, and Section 2103. As a result of the Road Repair and Accountability Act of 2017 (SB1 Beall), funds received as part of the Road Maintenance and Rehabilitation Account (RMRA) Section 2106 are also accounted for in this fund. Gas Tax funds are restricted for use in the construction, improvement, and maintenance of public streets. These funds support both annual operating and capital projects related to streets. It is common for funds that support capital projects to accrue significant fund balances over multiple years while cities save resources over time to invest in large projects, which have greater economies of scale. For FY 2025/26, revenue is projected to be \$1.1 million. Expenditures are projected to be \$2.5 million for road maintenance projects. It is anticipated that approximately \$1.4 million of available fund balance will be used for capital projects.

#### **Recreation Fund - 209**

The Recreation Fund accounts for program fees, fundraising proceeds, and donations for Recreation programs. Resources are used towards staffing and maintenance costs to operate the programs. The fund receives a transfer in from the General Fund to offset a recurring operating loss. For FY 2025/26, revenue is projected to be \$573,563 and the General Fund transfer is \$1,750,050. Expenditures are projected to be \$2.3 million.

#### **Building and Planning Fund - 212**

The Building and Planning Fund accounts for fees collected for building permits and plan check fees. Fees collected are used to cover the cost involved in plan checks and inspections performed. The last fee study conducted recommended changes to the City's building and planning fees, which has increased revenue. The fund receives a transfer in from the General Fund to offset a recurring operating loss. For FY 2025/26, revenues are projected to be \$1.8 million and the General Fund transfer is \$908,095. Expenditures are projected to be \$2.7 million.

#### Solid Waste Fund – 214

The Solid Waste Fund accounts for funds received from Republic Services, Inc. from a surcharge it assesses on customer rates for solid waste services. These funds are set aside for future solid waste capital projects and for a rate stabilization fund. For FY 2025/26, revenues are budgeted at \$368,000 and expenditures are budgeted at \$177,241.

#### Measure C/J Fund - 215

The Measure C/J Fund accounts for special override sales tax revenues collected by the Contra Costa Transportation Authority (CCTA) and reapportioned to the cities for local street projects. The City must submit a checklist each year to confirm compliance with a Growth Management Program to maintain eligibility for the funds. Estimates of annual funding are provided by the CCTA, and jurisdiction allocations are based on a formula split (50/50) between population and road mileage. It is common for funds that support capital projects to accrue significant fund balances over multiple years while cities save resources over time to invest in large projects, which have greater economies of scale. For FY 2025/26, revenues are projected to be \$1.4 million. Expenditures are projected to be \$1.2 million.

#### Growth Impact Fund – 276

The Growth Impact Fund accounts for development fees collected to mitigate the impact of new development. Specifically, it provides for the expansion, design, construction, or upgrade to facilities, roadways, and equipment. The City collects impact fees for police, fire protection, municipal, community, wastewater, roadways, and drainage. For FY 2025/26, no revenue is expected. Expenditures are projected at \$2.4 million for capital projects. It is anticipated that approximately \$2.4 million of available fund balance will be used for capital projects.

#### Housing Assets Fund – 285

The Housing Assets Fund accounts for resources related to the affordable housing activities and portfolio of the former Redevelopment Agency. Funds must be expended for housing activities. The fund balance has increased in recent years due to the repayment of a significant loan due to the fund. For FY 2025/26, revenue is budgeted at \$55,000 primarily from interest earned on the cash balance and loan repayments. Expenditures are projected to be \$342,961 for housing administration activities. It is anticipated that approximately \$287,961 of available fund balance will be used for housing administration activities.

## **Capital Project Funds**

### City Street Improvements Fund – 325

The City Street Improvements Fund received a transfer of \$250,000 per year from Measure S 2014 to fund road maintenance projects and has a substantial fund balance due to the accumulation of unspent funds from prior fiscal years. For FY 2025/26, revenues are budgeted at \$1.6 million due to anticipated grants from the West County Subregional Transportation Mitigation Program (STMP), CalTrans Highway Bridge Program, CalTrans Highway Safety Improvement Program, and Transportation for Livable Communities (TLC) Program. Expenditures are budgeted at \$2.9 million for street improvement projects. It is anticipated that approximately \$1.2 million of available fund balance will be used for capital projects.

### Arterial Streets Rehabilitation Fund - 377

The Arterial Streets Rehabilitation Fund received a transfer of \$250,000 per year from the Measure S 2014 to fund road rehabilitation projects and has a substantial fund balance due to the accumulation of unspent funds from prior fiscal years. For FY 2025/26, expenditures are budgeted at \$560,960 for street rehabilitation projects. It is anticipated that approximately \$560,960 of available fund balance will be used for capital projects.

## **Enterprise Funds**

### Sewer Enterprise Fund -500

The Sewer Enterprise Fund accounts for fees charged to residents and businesses for sewer service provided by the City's Wastewater Treatment Plant (WWTP). Sewer user fees are charged in the amount specified by City Council Resolution (Section 13.04.040 PMC). Fees are used to operate, maintain, and renew the WWTP. The cost of operations is shared between the two cities using a cost sharing formula based on sewage inflows by each city. For FY 2025/26, revenue is projected to be \$13 million. Expenditures are projected to be \$38.2 million. It is anticipated that approximately \$25.2 million of its projected fund balance will be used to complete several key capital projects over the next five fiscal years.

### Pinole Community Television (PCTV) Fund - 505

The Pinole Community Television (PCTV) Fund accounts for revenues and expenditures related to the operation of PCTV. Revenue is received from video production charges to other cities, Public, Educational, and Governmental (PEG) access fees, and an operating subsidy from the General Fund. PEG fees are designated for equipment purchases. For

FY 2025/26, revenue is projected to be \$285,826 and the General Fund transfer is \$367,262. Expenditures are projected to be \$653,088.

#### Information Systems -525

The Information Systems Fund is an internal service fund used to account for activities that provide technology goods or services to other City funds and departments on a cost-reimbursement basis. The budget includes funding for routine operating activities as well as special initiatives identified in the City's Information Technology Plan. For FY 2025/26, revenue and expenditures are balanced with each projected to be \$1.5 million.

### **Fiduciary Funds**

#### Pension Fund – 700

The Pension Fund accounts for funds in the City's Section 115 trust, funded with one-time General Fund resources, to offset growth in the City's annual required contribution to CalPERS pension. The remaining assets in the trust are invested and earn interest income.

## Department Budgets

---

This section contains detailed information for the City's organizational units, its departments. The budget summaries illustrate how the City's various funding sources are allocated to individual departments to fund their specific activities and programs.

The department sections are arranged in the following order:

- Elected Officials
  - City Council
  - City Treasurer
- Appointed Officials
  - City Manager
  - City Attorney
  - City Clerk
- Administration
  - Finance
  - Human Resources
- Public Safety
  - Police
  - Fire
- Public Works
- Community Development
- Community Services
- General Government

The following information is provided below in each department budget section:

- Mission;
- Major services and functions;
- FY 2024/25 key accomplishments;
- FY 2025/26 key priorities and projects;
- Significant special projects for FY 2026/27 – FY 2027/30;
- Major changes in FY 2025/26 budget;
- Position summary;
- Budget summaries at the department and division levels; and
- Major non-personnel expense details.

## **CITY COUNCIL**

### **Mission**

The mission of the City Council is to use the tools at its disposal to create a safe, healthy, and prosperous community. In February 2020, the City Council adopted the City of Pinole Strategic Plan 2020 – 2025, which contained the following vision, mission, and goals for the City.

### **Vision**

Pinole is a safe, vibrant, and innovative community with small town charm and high quality of life.

### **Mission**

Pinole will be efficient, ethical, and effective in delivering quality services with community involvement and fiscal stewardship.

### **Goals**

1. Safe and Resilient
2. Financially Stable
3. Vibrant and Beautiful
4. High Performance

### **Major Services and Functions**

The primary role of the City Council is to create local laws to support a safe, healthy, and prosperous community. The City Council also creates a vision and goals for the community, approves policies for the conduct of municipal affairs, and appropriates City funds through the budget process to support City programs and services. The City Council holds regularly scheduled meetings, hearings, and study sessions to receive citizens' input and conduct the City's business in a public forum. Council Members represent the City at local, regional, and State organizations. The five-member City Council is elected at large and serves four-year overlapping terms. The City Council appoints one of its members to serve as the Mayor each year. The City Council also serves as the governing body of the Successor Agency to the Pinole Redevelopment Agency ("Successor Agency"), and appoints members of the community to serve on various boards and commissions. The City Council appoints three City officers: the City Manager, City Attorney, and City Clerk.

### **FY 2024/25 Key Accomplishments**

- Recognized numerous individuals, community organizations, and causes for their contributions to Pinole and society

- Analyzed and approved a new five-year fire and emergency medical service agreement with the Contra Costa County Fire Protection District ("Con Fire")
- Researched a potential local ballot measure to transition to a charter city and establish an increased real property transfer tax (RPTT)
- Approved an Economic Development Strategy
- Approved a Communication and Engagement Plan
- Adopted a new City of Pinole Local Roadway Safety Plan (LRSP)
- Approved a new 223-unit multifamily housing development on Fitzgerald Avenue ("Pinole Vista" apartment complex)
- Approved a preliminary design for the replacement of the San Pablo Avenue bridge between Pinole and Hercules
- Provided direction on and authorized the submittal of the draft 2023-2031 Housing Element Update
- Provided direction to staff on new City events, such as a Pinole Pride (civic/anniversary and LBGT) event in June 2023
- Provided direction on safety improvements on the Tennent Avenue corridor
- Established a Project Labor Agreement (PLA) Ad Hoc Subcommittee
- Improved the capital planning process by providing direction to staff on a capital projects prioritization methodology
- Authorized the sale of surplus City properties
- Adopted resolutions taking positions on key policy issues
- Adopted ordinances changing City laws on certain key issues
- Appropriated funding for a new Property and Facilities Master Plan
- Provided funding and direction on transportation safety capital projects

### **FY 2025/26 Key Priorities and Projects**

- Create new or updated ordinances to support a safe, healthy, and prosperous community
- Continue to recognize individuals, organizations, and causes through proclamations and resolutions
- Continue to advocate for the City in regional and State policy matters
- Continue to review and approve City policies and service models that will improve City efficiency and effectiveness
- Provide leadership and oversight of the implementation of the Strategic Plan
- Consider development applications that will improve the community
- Provide direction and adopt updates to the City General Plan Safety and Health and Environmental Justice elements
- Create an updated Long-Term Financial Plan that determines how to address the City's unfunded liabilities
- Establish a process to quickly respond to advocacy opportunities regarding proposed State legislation
- Direct staff on the redevelopment of "Community Corner" (lot at the corner of San Pablo Avenue and Tennent)
- Review City's use of its Section 115 Pension Trust

- Continue to expand relationships with elected officials in neighboring cities, special districts, and at the State and federal levels

### **Significant Special Projects for FY 2026/27 through FY 2029/30**

- Create new or updated ordinances to support a safe, healthy, and prosperous community

### **Major Changes in FY 2025/26 Budget**

There are no major changes in the FY 2025/26 budget compared to the FY 2024/25 budget.

### **Position Summary**

There are no staff positions budgeted for the City Council department. Support to the City Council is provided by City staff budgeted in other departments, such as the City Manager, City Attorney, City Clerk, and others.

## **CITY TREASURER**

### **Mission**

The mission of the City Treasurer is to, in collaboration with the Finance Director, ensure that all City funds are received, deposited, disbursed, and invested effectively in accordance with the City's Investment Policy and Generally Accepted Accounting Principles (GAAP).

### **Major Services and Functions**

The City Treasurer provides input to the Finance Director on quarterly investment reports that the Finance Director creates for the City Council. The reports include reconciled bank balances, the type and amount of investments and deposits of City funds, the institution in which these deposits are made, market values, maturity dates, and rates of interest. In addition, the City Treasurer reviews the weekly check run and is one of the authorized City counter signatories of checks in an amount of \$5,000 or greater. The City's Investment Policy prioritizes safety, liquidity, and yield. The City Treasurer is an elected position and serves a four-year term.

### **FY 2024/25 Key Accomplishments**

- Collaborated with the Finance Director to provide quarterly investment reports to the City Council and to achieve the Investment Policy priorities of safety, liquidity, and yield
- Collaborated with the Finance Director to ensure that all City funds were received, deposited, disbursed, and invested effectively in accordance with the City's Investment Policy and GAAP

### **FY 2025/26 Key Priorities and Projects**

- Continue to collaborate with the Finance Director on investment management and treasury functions

### **Major Changes in FY 2025/26 Budget**

There are no major changes in the FY 2025/26 budget compared to the FY 2024/25 budget.

### **Position Summary**

There are no staff positions budgeted for the City Treasurer department. Support to the City Treasurer is provided by City staff budgeted in other departments, primarily the Finance Department.

## **CITY MANAGER**

The City Manager department is comprised of the following divisions:

- Administration and Programs; and
- Information Technology; and
- Communications (includes Pinole Community Television)

### **Mission**

The mission of the City Manager's office (department) is to support the City Council in its policy development and to lead all City staff and operations to ensure efficient and effective service delivery.

### **Major Services and Functions**

The City of Pinole is organized under a "council-manager" form of operation. This form of operations consists of an elected City Council that is responsible for policymaking and a professional City Manager, appointed by the Council, who is responsible for carrying out the policies of the Council and leading City operations. In addition to leading City operations, the City Manager's office also performs or coordinates some specific functions on behalf of the entire City organization, including the following:

- Communication and engagement
- Intergovernmental relations
- Information technology
- Strategic planning and organizational assessment

The Information Technology Division maintains hardware and software throughout the City organization. The Division collaborates with other City departments to conduct business process re-engineering and to select and implement appropriate technology to meet City needs. The Division manages information services citywide. The City is in the process of transitioning from using a private firm for managed IT services to an internal IT Department. The IT Department will provide citywide network administration, security, equipment and software maintenance, and end user support.

### **FY 2024/25 Key Accomplishments**

#### **Baseline Work (Including Staff-Initiated Special Projects)**

- Supported the City Council in its development of policy on key community issues
- Supported City departments in the implementation of a number of process improvements and new policies
- Worked with local, regional, State, and federal agencies to advance Pinole's interests
- Created written policies and procedures on numerous administrative matters

- Launched a new website, City Seal, logo and branding guidelines
- Implemented a new voice over internet protocol (VOIP) phone system

#### Strategic Plan Strategies

- Implemented many IT projects, including significantly improving network security
- Continues to expand communication and engagement with the community through the use of new tools and techniques
- Increased engagement with community and civic organizations, neighboring cities, and special districts
- Launched a new website Content Management System (CMS) and mobile application

#### **FY 2025/26 Key Priorities and Projects**

##### Baseline Work (Including Staff-Initiated Special Projects)

- Complete the transition to an Internal IT Department
- Continue developing innovative strategies for communication and engagement
- Develop Real Estate/Property Master Plan Strategy
- Create additional revenue proposals for Council's approval and direction
- Launch Citizen's Academy

#### Strategic Plan Strategies

- Complete the Strategic Plan strategy of developing an interagency legislative advocacy program (Goal 4, Strategy 7)
- Complete priority projects as outlined in the 2021/22-2025/26 Information Technology (IT) Plan

#### **Significant Special Projects for FY 2026/27 through FY 2029/30**

- Complete Strategic Plan strategies
- Support Pinole Community Television in the implementation of its PCTV Strategy
- Implement a Citizens Academy

#### **Major Changes in FY 2025/26 Budget**

The City Manager Department has reduced its Professional Services budget across all its divisions due to bringing several services in-house. The Information Technology division budget includes a number of projects identified in the City's IT Plan, as well as new one-time and ongoing operational costs associated with the transition to an internal IT Department. The City Manager Department is also taking on the real estate division, and some of the grant writing.

Also, the Administrative Assistant position has been fully allocated to the Finance Department beginning FY 2025/26.

## **PINOLE COMMUNITY TELEVISION**

The PINOLE COMMUNITY TELEVISION is a division of the City Manager's Office. PCTV is comprised of the following subdivisions:

- Administration and Programs: and
- Public Broadcasting

### **Mission**

The mission of Pinole Community Television (PCTV) is to enhance civic engagement, government transparency, and community storytelling through accessible media resources. We provide high-quality video production, broadcasting, and digital media services to support the City of Pinole, local agencies, and community organizations in sharing important information, public meetings, and local stories. Through hands-on training and production opportunities, PCTV empowers community members to stay informed, engage in local government, and contribute to a vibrant, connected community.

### **Major Services and Functions**

PCTV operates the City's public, educational, and governmental (PEG) cable television program, which involves broadcasting the City's public meetings and recording, producing, and broadcasting a limited number of significant community events on the local television channels dedicated by City's franchise cable television providers: Comcast (channels 26 and 28) and AT&T Uverse (channel 99 submenu Pinole Community TV).

Through PEG, PCTV broadcasts content to the community on its dedicated local cable channels, and via live stream on the City website, mobile app, and internet streaming channels: Roku, Amazon Fire, and Apple TV. The division supports the community by broadcasting content that is accessible, independent from political and commercial influence, and distinctively local. PCTV holds a key role in broadcasting important public safety information, and in the event of an emergency, through our regional broadcast systems.

PCTV provides high quality audio, visual, and production services to City departments. PCTV is responsible for the operation, maintenance and storage of the portable movie screen that is used for movies in the park events. PCTV frequently works with the City Manager department on communications-related services and projects.

PCTV has service agreements with other public agencies (El Cerrito, Westcat) to record, produce, and broadcast those agencies' public meetings. In addition, the division also provides recording and production services to private parties on a fee for service basis.

As part of a renewed department strategy, PCTV is evolving into a dynamic hub for local media, civic engagement, and community connection. Expanding beyond traditional

government broadcasts, PCTV will provide a diverse range of services, including local news coverage, community-driven content, and public access programming. By integrating professional video production, digital media resources, and workforce development opportunities, PCTV will support local businesses, organizations, and residents in sharing their stories and staying informed.

The department generates revenue primarily through internal billing of services provided to City departments, franchise fees, contract service fees, and donations. PCTV is in the process of identifying additional sources of revenue, such as equipment rentals, sponsorships, grant funding and partnerships.

## **FY 2024/25 Key Accomplishments**

### **Baseline Work (Including Staff-Initiated Special Projects)**

- PCTV staff continues to maintain operations.
- Completed a community needs assessment (PCTV Survey); gathered feedback from over 170 participants to identify broadcast, programming, community media, production (and other) services and programs desired by the community.
- Initiated the development of a PCTV Strategy using in-house staff.
- Successfully implemented Master Control Automation system and Closed Captioning.
- Successfully developed the Pinole Community TV application, with streaming available on Roku, Amazon Fire, and Apple TV.
- Continues to provide quality drone photo and video documentation of Pinole.
- Completed the conversion of the Pinole Council Chambers to High-Definition (HD) quality.
- Completed another full year of The Beat of Pinole a Mayoral update broadcast and continued production of monthly episodes.
- Managed the resources to facilitate the Movies in the Park.
- Completed E-waste disposal of obsolete tools.
- Covered and broadcasted the Fourth of July Celebration, National Night Out, Tree Lighting ceremony, The Pinole Classic Car Show, Pride & Juneteenth Celebration.
- Reviewed and updated hourly rates and fees. Established a fee list for equipment rentals and services.

### **Strategic Plan Strategies**

- Continues to support and enhance the Communication and Engagement Plan.

## **FY 2025/26 Key Priorities and Projects**

### Baseline Work (Including Staff-Initiated Special Projects)

- Maintain PCTV's on air status and coverage of Pinole Government meetings.
- Hire and train cable technicians.
- Continue to replace obsolete equipment and dispose of e-waste
- Complete the PCTV Strategy to define mission, activities, staffing, equipment, and fee structure.
- Ensure accessibility compliance for both cable and web streaming content.

### Strategic Plan Strategies

- Provide media (photography and videography) services to the City of Pinole to enhance communications.

### **Significant Special Projects for FY 2026/27 through FY 2029/30**

- Begin implementation of the PCTV Strategy, which will include:
  - Community-focused service delivery model
  - Sponsorship Program
  - Volunteer and Internship Programs
  - Fiscally sustainable programs and funding
  - Improved access to community media and local government
- Facilitate the projector/screen replacement and camera in the council chambers.

### **Major Changes in FY 2025/26 Budget**

The exponential need to replace costly equipment that has far outlived its useful life expectancy prompted PCTV to create the FY 2024/25 budget by sourcing unused PEG funds that date back to 2016. PEG funds are either franchise equipment funds or PEG fees that were not expended for PEG uses in prior years, but are designated to be used specifically for Public, Educational, or Governmental access related expenses.

Last year, PCTV created a three-year equipment plan to fund the conversion to HD and replace items that have outlived their useful life expectancy. The plan includes the upgrading of the display wall or projector screen to a video display wall system, replacement of the Character Generators (graphics for live coverage, meetings), wireless audio systems for the Chambers, updated assisted listening systems meeting the ADA requirements, editing tools, a variety of HD components, and more. The plan also includes enhancements to mobile production equipment that will improve coverage of City and community events and allow for ease of use for public access in alignment with the PCTV Strategy.

PCTV has reconciled revenue entries to reflect the current client base which has resulted in decreased revenue projections for FY 2024/25. PCTV has developed a service agreement template that can be used for fee-for-service requests that will allow for greater flexibility for future clients. PCTV is also working to add value to its existing services by

expanding viewership to internet streaming channels (such as Apple TV) and by providing high-definition and high-quality video production with newer equipment.

## **CITY ATTORNEY**

### **Mission**

The mission of the City Attorney is to provide quality, comprehensive legal representation to the City of Pinole.

### **Major Services and Functions**

The City Attorney is the Chief Legal Officer for the City. The City Attorney provides legal advice to the City Council, City officials, and staff. The City Attorney prepares and reviews ordinances, resolutions, and contracts for City Council consideration, and represents the City in legal actions, both affirmative claims and defense of claims brought against the City. The City Attorney also serves as general counsel for the Successor Agency for the Redevelopment Agency. The City Attorney plays a key role in risk management for the City of Pinole advising on legal compliance and best practices to limit liability for the City. The City Attorney prepares legal opinions at the request of the City Council and staff as needed and advises on all legal issues related to the City. The City Attorney is a strategic advisor to the City Council and staff assisting in the implementation and execution of the City's goals and objectives.

### **FY 2024/25 Key Accomplishments**

- Advised the City on legal process, special legislation and requirements for sales tax ballot measure and successful passage and implementation of Measure I.
- Assisted in preparation of ordinances, Zoning Code updates and resolutions to implement requirements for City Housing Element.
- Provided legal assistance and advice in labor negotiations, grievances, employment, benefits, and HR related issues, and onboarding of new City Manager.
- Managed and coordinated City defense, and affirmative litigation, to advance claims resolution, settlement and final judgment.
- Provide legal advice and representation to the City on development projects including multi-family housing developments, Pinole Shores II, and the sale of former RDA properties.
- Advised City on code enforcement actions and abatement warrants.
- Provide training on ethics, conflicts of interest and election related issues to the City Council, Commissioners, and staff.

### **FY 2025/26 Special Projects**

- Assist with the negotiation of solid waste Franchise Agreement and related Prop 218 approval process.
- Advise City Manager and City Council on options for City revenue measures.

- Provide legal assistance and advice in labor negotiations, grievances, employment, benefits, and HR related issues, as well as liability avoidance management practices.
- Provide legal advice and representation to the City on development projects including multi-family housing developments, Pinole Shores II, and the sale of former RDA properties.
- Advise City on code enforcement processes and procedures.
- Provide training on ethics, conflicts of interest and election related issues to the City Council, Commissioners, and staff

### **Significant Special Projects for FY 2026/27 through FY 2029/30**

- Continue to update the Pinole Municipal Code to comply with evolving legal requirements, best practices, and City Council directives.
- Provided advice and counsel regarding compliance with new State laws to facilitate the development of housing, and assist the City with completion of the updated Housing Element.

### **Major Changes in FY 2025/26 Budget**

Anticipating the amount of legal services needed by the City in any given year is difficult. The rates for City Attorney legal services are as set forth in the contract approved by the City Council on March 5, 2024. Some legal costs incurred by the City are reimbursed to the General Fund and are not reflected in the proposed budget. Those include, but are not limited to, code enforcement, development projects and property dispositions, and successful defense of claims that have prevailing party attorney fee provisions. These reimbursements will help offset the actual cost of legal services for the City.

### **Position Summary**

No personnel are directly assigned to this department. Legal services are provided to the City by a private law firm on a contract basis.

## **CITY CLERK**

### **Mission**

The City Clerk's mission is to fulfill the role as elections official, legislative administrator, and records manager for the City in an efficient, professional, and friendly manner; to provide outstanding support to the Council throughout the legislative process; and to serve the citizens of Pinole as an accessible and responsive representative of transparent and open government.

### **Major Services and Functions**

The City Clerk is an appointed officer by the City Council and is responsible for preparing agenda packets, producing the official records of Council decisions, maximizing public access to municipal government, ensuring transparency to the public, and is the official custodian of the records of the City. The City Clerk serves as the Elections Official of the City and conducts all City elections; acts as a Compliance Officer for federal, state, and local statutes including the Political Reform Act, the Brown Act, and the Public Records Act. Some specific functions of the City Clerk's office include the following:

- Provide accurate and timely minutes for the City Council and Finance Subcommittee
- City Council and Finance Sub-Committee agenda packet management
- Serve as Elections Official and conduct all City elections in compliance with the CA Elections Code
- Coordinate Citywide Records Management Program and conduct semi-annual audit
- Streamline the paperless filing and electronic submission of Form 700 for FPPC filers
- Administration of the City's Public Records Act Program
- Codification of Pinole municipal code
- Provide excellent customer service to members of the community & staff

### **FY 2024/25 Key Accomplishments**

#### **Baseline Work (Including Staff-Initiated Special Projects)**

- Implemented a new agenda management and streaming platform for public meetings
- Implemented a new Commissioner Appreciation event
- Conducted recruitment process for various City advisory commissions
- Maintained the City Council legislative record including processing of 99 resolutions, 6 ordinances and 59 proclamations
- Improved tracking procedures for contract routing, claims, and other legal notices

- Oversaw and facilitated response to city-wide public records requests
- Partnered with the American Red Cross to host a staff and community blood drive
- Improved application procedures for Boards and Commissions by implementing an online application process that would also retain and track volunteer interest for future recruitments

## **FY 2025/26 Key Priorities and Projects**

### **Baseline Work (Including Staff-Initiated Special Projects)**

- Implement online filing system for financial disclosure forms required by the FPPC (Campaign and Code-Designated Filers)
- Improve recruitment tools for Boards & Commissions
- Revamp the Citywide Records Management program
- Create training program for Commission staff liaisons
- Implement new City-wide Retention Schedule and work with all departments to improve records practices
- Update City Clerk Department administrative policies and procedures

### **Significant Special Projects for FY 2026/27 through FY 2029/30**

- Improve City-wide Records Management Program by working with departments to assess needs, digitize records, and improve retention and destruction practices

## **Major Changes in FY 2025/26 Budget**

The City Clerk budget for FY 2024/25 does not include any significant changes relative to the FY 2023/24 budget.

## **Position Summary**

## **FINANCE**

### **Mission**

The mission of the Finance Department is responsible for the overall financial management of the City. The Department's core function is to secure the financial position by providing the City Council, City Management, staff, and the public with financial information necessary to ensure sound financial decisions and to ensure appropriate procedures to protect the City's financial assets. This is accomplished through timely and effective preparation of the Annual Comprehensive Financial Report, Budget, quarterly financial and investment reports, and adequate financial controls.

### **Major Services and Functions**

The Finance Department is responsible for accounting operations including accounts payable, accounts receivable, payroll processing, and audits; budget management and long-range financial planning; purchasing; treasury management; debt and bond administration; and business license administration.

### **FY 2024/25 Key Accomplishments**

#### **Baseline Work (Including Staff-Initiated Special Projects)**

- Adopted annual budget by June 30<sup>th</sup>
- Coordinated formal dissolution of the Successor Agency
- Received California Society of Municipal Finance Officers Budget Excellence Award
- Received Government Finance Officers Association Excellence in Financial Reporting Award
- Received an unqualified opinion for annual financial statements
- Implemented a more robust quarterly financial report which now includes more data

#### **Strategic Plan Strategies**

- Assisted with identifying, analyzing, and advancing revenue generating opportunities, including a potential revenue ballot measure for the November 2024 election

### **FY 2025/26 Key Priorities and Projects**

#### **Baseline Work (Including Staff-Initiated Special Projects)**

- Establish a comprehensive accounting manual as a desktop reference for staff

- Enhance financial transparency by publishing high-level financial data on the City's website
- Implement automated accounts payable system to pay vendors electronically and reduce/eliminate paper checks

#### Strategic Plan Strategies

- Assist with developing an approach to funding infrastructure maintenance and improvements

#### Other Council-Directed Special Projects

- Provide strategic support to other City departments in the advancement of Council-directed special projects

#### **Significant Special Projects for FY 2026/27 through FY 2029/30**

- Continue developing long-term strategic financial planning
- Develop a participatory budget process

#### **Major Changes in FY 2025/26 Budget**

The only notable change to the Finance department budget for FY 2025/26 is the Administrative Assistant will be fully assigned to Finance, bringing the total FTE from 3.75 to 4.00.

## **HUMAN RESOURCES**

The Human Resources Department is comprised of the following divisions:

- Human Resources Management; and
- Risk Management

### **Mission**

The mission of the Human Resources Department is to support the City of Pinole by providing comprehensive and timely human resources and risk management services. It has the responsibility for developing and implementing innovative strategies and programs that enhance the work experience for our employees. Its objective is to attract, develop, motivate, and retain the best-qualified employees whose diversity and skills contribute to and sustain the City of Pinole as a quality organization.

### **Major Services and Functions**

- **Human Resources Administration and Risk Management** – Provides support and strategic planning services to employees and departments in the development of organizational objectives; provides interpretation of City and department policies; reviews and evaluates work methods and procedures for improving organizational performance, enhancing services, and meeting goals. Administers the City's risk management programs including general and employment liability and workers' compensation for on-the-job injuries.
- **Labor Relations** – Represents the City Council and City Manager on all labor negotiation and grievance matters with bargaining unit representatives of recognized employee organizations.
- **Employee Relations** – Provides guidance and counseling to employees; initiates, conducts and/or oversees investigations relative to disciplinary actions and complaints for City departments.
- **Recruitment and Selection** – Assists in the administration of the City's Civil Service Merit System; facilitates selection procedures that produce diverse and skilled applicant pools; assures that all recruitment, hiring, placements, transfers, and promotions are made based on individual qualifications for the position.
- **Benefits Administration** – Provides exceptional and affordable employee benefits for retirement, medical, dental, vision, wellness and safety, and employee assistance to attract and retain a qualified and highly skilled workforce.
- **Organizational Training and Development** – Coordinates City-wide training including safety, mandated, educational, and development programs for City staff.
- **Classification and Compensation** – Plans and conducts classification and organization studies; develops classification specifications; designs compensation systems that support and reinforce the City's long-range objectives as well as the culture, climate, and behaviors needed for the organization to be effective.

## **FY 2024/25 Key Accomplishments**

### Baseline Work (Including Staff-Initiated Special Projects)

- Conducted approximately 28 recruitments; reviewed over 800 applications.
- Conducted five (5) classification studies.
- Facilitated the executive search recruitment efforts and onboarding for the City Manager, Police Chief, and Public Works Director.
- Facilitated six (6) workplace investigations.
- Initiated labor negotiations for successor memorandums of understanding for three bargaining units.
- Implemented an online total compensation survey platform in preparation for labor negotiations.
- Implemented an online new employee orientation/onboarding platform.
- Surveyed employee benefits satisfaction levels and implemented effective modifications.
- Implemented an employee safety committee.
- Developed departmental procedures for the City's Family Medical Leave Policy.
- Developed a Customer Service Philosophy and Standards Administrative Policy.
- Developed a Mandated Reporter Administrative Policy.
- Developed a Proper Utilization of Independent Contractors Administrative Policy.
- Developed a Citizen's Request, Concern, and Compliment Procedures Administrative Policy.
- Developed Catastrophic Leave Administrative Policy.
- Developed Tuition Reimbursement Procedure Administrative Policy.
- Developed a Workplace Violence Prevention Plan/Policy.
- Planned, coordinated, and facilitated de-escalation training for all staff.
- Planned, coordinated, and facilitated customer service training for all staff.
- Planned, coordinated, and facilitated numerous events for the City's Public Service Employee Recognition Week.
- Restructured/enhanced employee vision benefit levels and negotiated a 13% premium cost savings.
- Migrated employee dental, vision, and life insurance plans and COBRA administration to PRISM JPA.

### Strategic Plan Strategies

- Initiated implementation of the City's Employee Talent Management Plan in accordance with the City's Strategic Plan 2020 – 2025.

## **FY 2025/26 Key Priorities and Projects**

### **Baseline Work (Including Staff-Initiated Special Projects)**

- Implement successor memorandums of understand for three bargaining units and one unrepresented employee group.
- Digitize all personnel, benefits, workers' compensation files.
- Develop a supervisory academy in partnership with other cities in West County.
- Implement "stay" interviews with annual performance evaluation process.
- Establish a succession planning/mentoring process.
- Examine performance appraisal framework and goal planning for professional development.
- Implement outreach effort to increase employee knowledge of benefit offerings and value.
- Develop safety emergency action plans for identified workplace risks.
- Review OPEB obligations and alternatives to support the City's fiscal sustainability.
- Continue to perform a comprehensive review and updating of key City personnel rules and policies to ensure compliance with MOU provisions, state and federal legislation, and conduct meet and confer sessions with the employee bargaining units as required.

### **Strategic Plan Strategies**

- Implement the recommendations of the Communication and Engagement Plan relative to employees.

## **Significant Special Projects for FY 2026/27 through FY 2029/30**

- Human Resources will implement the Employee Talent Management Plan to attract and retain high-quality employees and develop their skills.
- In partnership with the City Manager's Office, Human Resources will develop and implement a Cultural and Leadership Initiative.

## **Major Changes in FY 2025/26 Budget**

The Human Resources Department budget for FY 2025/26 does not include any significant changes relative to the FY 2024/25 budget.

## Position Summary

| <b>Position</b>            | <b>2021/22</b> | <b>2022/23</b> | <b>2023/24</b> | <b>2024/25</b> | <b>2025/26</b> |

## **POLICE**

The Police Department is comprised of the following divisions (referred to as “bureaus”):

- Operations; and
- Support Services

### **Mission**

The Pinole Police Department is committed to ensuring a safe community by providing exemplary law enforcement service while engaging our citizens with Honor, Integrity, Professionalism, and Respect.

### **Major Services and Functions**

- Police Operations is responsible for the day-to-day operation of the department.
- Police Support Services provides support and assistance to Operations and the community. It includes front office staff who work with the public daily, Crime Prevention Officers who provide outreach into the community, the collection and processing of evidence, and the maintenance and repair of vehicles and equipment.
- The City operates the West Bay Communications Center (WBCC), which provides police dispatch services for the City of Pinole, Hercules, and San Pablo. The Cities of Hercules and San Pablo are billed for Dispatch Services based on a cost-sharing formula incorporating various usage measurements.

### **FY 2024/25 Key Accomplishments**

#### **Baseline Work (Including Staff-Initiated Special Projects)**

- Enhanced Department’s training capacity through development of in-house instructors and leveraging technology to reduce costs for POST required training.
- Implemented a Police Drone (UAS) program to enhance our abilities to provide the community of Pinole with effective and efficient police services.
- Expanded our transparency with the public in the implementation of Citizen RIMS.
- Brought the Community of Pinole innovative and progressive engagement opportunities.
- Continued our Community Outreach efforts with a special Halloween-themed National Night Out event, which was our largest and best attended to date, and Project HOPE-Homeless Intervention.
- Reimplemented the Traffic Officer special assignment.

### **FY 2025/26 Key Priorities and Projects**

### Baseline Work (Including Staff-Initiated Special Projects)

- Continue to enhance training capacity to meet the industry's best standards.
- Continue retention and recruitment efforts to attract and retain the new generational workforce.
- Seek ways to bolster existing community outreach events and broaden the program with new opportunities. The special Halloween-themed National Night Out event and Project HOPE-Homeless Intervention continue to be stand-out programs to engage with the community,
- Expand the Police Drone program to enhance our abilities to provide the community of Pinole with effective and efficient police services.
- Seek alternate funding to replace end-of-life mobile and portable radios.
- Recommend modifications to Police fees and charges to align with industry standards.
- Prioritize applications for grant funding opportunities to supplement the operating budget for equipment, training, and personnel costs.
- Review and analyze the implementation of law enforcement technologies for efficient and effective operations, including data collection/analysis and crime prevention.

### Strategic Plan Strategies

- Create an updated Emergency Operations Plan (EOP)
- Stand up a working Emergency Operations Center (EOC).
- Implement a CERT program.

### **Significant Special Projects for FY 2026/27 through FY 2029/30**

- Focus on organizational wellness programs to improve the quality of life for employees while strengthening the relationship with the community through exemplary law enforcement service.
- Implement police reform measures as required by legislation.
- Further implement Next Gen 911.
- Facility rehabilitation of the Public Safety Building.

### **Major Changes in FY 2025/26 Budget**

There are two notable changes in the FY 2025/26 budget relative to the FY 2024/25 budget:

- The position of Police Services Supervisor was added to provide direct supervision to Dispatch, Records, and Property & Evidence staff.
- Additional funding of \$227,000 over three years to add fleet cameras to all patrol vehicles for increased transparency.

## Position Summary

## **FIRE**

The City of Pinole Fire Department provided fire protection and emergency medical services to the community for many decades. The department partnered through automatic aid with the Contra Costa County Fire Protection District (CCCFPD) and the Rodeo-Hercules Fire Protection District (RHFPD) to function as a battalion serving this region. CCCFPD Dispatch coordinated the three agencies' responses to incidents in the area.

After many years of considering different service models, in October 2022, the City entered into a five-year agreement with CCCFPD through which CCCFPD would provide fire protection and emergency medical services in Pinole beginning on March 1, 2023 by operating Pinole Fire Station 73 (downtown) and Fire Station 74 (in Pinole Valley). This arrangement is made possible by the County's contribution of \$2 million annually from Measure X proceeds.

Pinole residents and businesses can receive emergency assistance as before by dialing 9-1-1.

Residents and businesses can get additional information about fire and emergency medical services from CCCFPD using the contact information below.

Contra Costa County Fire Protection District  
Administrative Offices  
4005 Port Chicago Highway, Suite 250  
Concord, CA 94520  
General Phone: (925) 941-3300  
General Email: [info@cccfpd.org](mailto:info@cccfpd.org)

## **PUBLIC WORKS**

The Public Works Department is comprised of the following divisions:

- Administration and Engineering
- Road Maintenance
- Facility Maintenance
- Park Maintenance
- Storm Water
- Environmental Services
- Water Pollution Control Plant (also referred to as the Wastewater Treatment Plant (WWTP))
- Sewer Collection
- Landscape and Lighting Assessment District
- Real Estate and Property Management
- Fleet Management

### **Mission**

The Public Works Department designs, constructs, and maintains the City's capital assets, operates the wastewater collection system and treatment plant, and manages the City's properties and fleet. Capital assets include roads and bridges, parks and open space, city vehicles and equipment, streetlights and traffic signals, and buildings and structures.

### **Major Services and Functions**

The Administration and Engineering Division provides leadership and support to oversee the design and construction of infrastructure. The division develops the City's Capital Improvement Plan (CIP) and oversees the construction of capital projects, which are mostly performed by private construction companies. Staff in this division also serves as the City Engineer and City Surveyor for development projects including the issuance of permits affecting the public right-of-way.

The Road Maintenance Division protects, repairs, and maintains the City's street system, which includes pavement, medians, street trees, landscaping, traffic signs, pavement markings, streetlights, curbs, and sidewalks. This division performs light maintenance of streets, including pothole repair, patch paving, and crack sealing. Heavy duty maintenance is performed by private contractors as capital projects. The City has an agreement with the County through which the County maintains the traffic signals in the City.

The Facility Maintenance Division maintains all of the actively used buildings and properties owned by the City. Building maintenance includes landscape maintenance, janitorial service, maintenance of heating and ventilation systems, maintenance of all

mechanical aspects of the buildings, general building maintenance, and making improvements as needed.

The Park Maintenance Division is responsible for maintaining 428.56 acres of park area contained within the City's 15 parks. Park spaces provide a variety of outdoor venues that include the swimming pools, skate park, soccer fields, baseball diamonds, neighborhood play areas, dog park, creek path, and park pedestrian bridges. Maintenance includes all work necessary to keep the public park areas safe, clean, and operating efficiently, including maintaining park structures, landscaping, lighting, play equipment, parking areas, and irrigation systems. This team also performs vegetation management at some open space areas.

The Storm Water Division operates the City's storm water collection system, which consists of a network of pipes, manholes, and inlets, and operates programs to reduce the intrusion of pollution into the storm water system. The Regional Water Quality Control Board regulates storm water discharges from municipal storm drains under the National Pollutant Discharge Elimination System (NPDES) program and issued a NPDES permit in November 2016 to the region. The City of Pinole works with the Contra Costa Clean Water Program (CCCWP) for regional permit administration. This program is funded by the stormwater benefit assessment. The Equivalent Runoff cost associated with the implementation of this program for 2025/26 remains at \$35 (the maximum allowed amount). Assessment fees are collected as part of annual property tax collection. The City of Pinole implements street sweeping, storm drain cleaning, and maintenance to protect the cleanliness of stormwater.

The Environmental Services Division encourages and promotes recycling, source reduction, and reuse in accordance with the mandates of the California Integrated Waste Management Act of 1989 (Assembly Bill 939). The City of Pinole, in partnership with the Cities of Hercules, El Cerrito, San Pablo, Richmond, and unincorporated areas of West County, participate in a joint powers authority known as West Contra Costa Integrated Waste Management Authority (WCCIWMA), also known as RecycleMore. The City of Pinole partners with the City's franchise waste management company, Republic Services, to meet its obligations under the Waste Reduction Program. Under the arrangement, the City is responsible for overseeing Republic's contract provision of solid waste collection to Pinole residents and businesses. RecycleMore is responsible for waste reduction education, household hazardous waste collection events, and some compliance reporting on behalf of the City; and Republic Services is responsible for actual collections, processing, and disposal at landfill. The City receives funding for waste reduction activities. The Environmental Services Division coordinates efforts with local community groups (i.e., Friends of the Pinole Creek and Earth Team and PVHS Ocean conservation club) and provides support for community cleanup events.

The Water Pollution Control Plant (WPCP) Division is responsible for the operation of the Pinole-Hercules Water Pollution Control Plant. The WPCP, also referred to as the Wastewater Treatment Plant (WWTP), treats the wastewater of most of the City of Pinole and the City of Hercules. The fully treated effluent is discharged into San Pablo Bay and

must meet permit required water quality standards. The Regional Water Quality Control Board regulates wastewater discharges from the WPCP under the National Pollutant Discharge Elimination System (NPDES) program. The City completed a \$50 million dollar capital improvement project to upgrade the WPCP in 2020. The WPCP is jointly owned by the City of Pinole and the City of Hercules.

The Sewer Collection Division operates the wastewater (sewer) collection system, which is a network of pipes that transports wastewater from its point of origin at residences and businesses throughout most of the City to the WPCP. The City of Pinole is only responsible for the operation of the wastewater collection system that serves the City of Pinole. Hercules is responsible for the operation of the wastewater collection system that serves the City of Hercules.

The Landscape and Lighting Assessment District (LLAD) services the City's one LLAD, which is composed of two zones that cover sections of Pinole Valley Road. The LLAD was formed by a vote of the property owners. Property owners are charged (assessed) a fee each year to raise funding for the operation, maintenance, and upgrade of capital infrastructure in the LLAD.

The Real Estate and Property Management Division was formed in FY 2021/22 to centralize responsibility for management of the City's real estate holdings. The City owns a number of properties on which City buildings, parks, parking lots, and open space are located. The City is in the process of cataloging and assessing the condition of its real property holdings such that it can perform thoughtful long-term planning for, and management of these assets.

The Fleet Management Division was formed in FY 2021/22 to centralize responsibility for the City's vehicle fleet and major pieces of equipment.

## **FY 2024/25 Key Accomplishments**

### **Baseline Work (Including Staff-Initiated Special Projects)**

- Performed repairs of the City pools including repairs of the water heating system to allow their re-opening in April.
- Performed repairs at the various City parks including repairs of the overhead lights at the Fernandez Park.
- Treated gravity at multiple locations including at private properties to assist our community members.
- Headworks Odor Control Unit was repaired and the drain line manhole that incurred hydrogen sulfide damage was coated.
- Hired the Public Works Director and a new Maintenance Worker to fill vacancies. Also scheduled to hire the Public Works Specialist to fill the vacancy by the end of June 2025.
- Installed high-capacity solar trash bins at select locations.
- Expanded the use of the Beehive asset management system.

- Placed approximately 18 tons of asphalt, crack sealed approximately 2600 linear feet road surface and refreshed approximately 30 locations of pavement markings.
- Placed over 50 tons of temporary road repair material for pothole repair.
- Put into service the Spyder remote mower and completed approximately 75 acres of mowing with new mowing equipment.
- Received new hybrid bucket truck and two Chevrolet Bolt EUV all electric vehicles for Fleet augmentation.
- Completed Pavement Condition Report as part of PTAP 24.
- Installed lights in the street trees in Old Town for the 2024 holiday season and installed holiday road swags.
- Oversaw contractors work on various upgrades to City facilities including roof repairs of the Senior Center.
- Continues to serve our community on a daily basis. For example, handled a total of 455 service requests during the months of February and March covering roads, parks, illegal dumping, fleet, facilities, and stormwater/flooding.

#### Strategic Plan Strategies

- Continued the Strategic Plan strategy of conducting asset condition assessments of some City capital asset types- Awarded contract to complete a Storm Drain Master Plan and Recycled Water Feasibility Study (Goal 1, Strategy 1) (CIP Project)

#### Capital Improvement Plan (CIP) Projects

- Continued pedestrian improvement project at railroad crossing at Tennent Avenue.
- Completed design of the Sanitary Sewer Rehabilitation (Phase 1 and Phase 2), with construction of Phase 1 planned to be completed by the end of FY 2024/25.
- 
- Advanced the San Pablo Avenue bridge project – with completion of the project's environmental review under CEQA and NEPA by the end of September 2025.
- Development of the Active Transportation Plan with planned City Council consideration in June 2025 (IN2106)
- Applied for, and the City was awarded a CalRecycle grant in the amount of \$75,000 being used for the purchase of multi-use waste receptacles and education efforts.
- Continue to perform daily inspections associated with capital and development projects. During the month of March, for example, 167 inspections were conducted and 34 permits were issued covering grading, private sewer lateral, utilities encroachment, and transportation.

#### Other Council-Directed Special Projects

- Continued disposal and/or visioning for surplus City property.
- Completed community engagement for "Community Corner".
- Adopted citywide project labor agreement (PLA)

## **FY 2025/26 Key Priorities and Projects**

### **Baseline Work (Including Staff-Initiated Special Projects)**

- Fill Associate Engineer and Capital/Environmental Program Manager positions.
- Negotiate and complete successor waste collection franchise agreement.
- Purchase and install two new blowers at the Wastewater Treatment Plant.
- Complete the Plant's Laboratory Remodel project.
- Select a design engineer for the Effluent Outfall project and begin design work.
- Trialing new YSI Nutrient Probes and investigating options for aeration basin analysis in preparation for future increased NPDES permit regulations for Nutrient removal.
- Taking down the in-service aeration basin for cleaning and inspection and putting the existing standby aeration basin in-service.
- Expand the use and data input of Beehive asset management system.
- Expand asphalt installation to repair existing potholes.
- Expand vegetation management with the use of City's mowing equipment.
- Explore the use of biological methods for rodent control.
- Design and construct the EV charging infrastructure and purchase electric vehicles to replace current inefficient Fleet vehicles mostly using the awarded Climate Implementation Grant funds.
- Partner with community members and sports organizations to accomplish sports field improvements.
- Upgrade of the City Pools.
- 
- Pursue grant funds to develop Complete Streets Design Guidelines, update of the City's ADA Transition Plan, as well as design and construct road improvements including pedestrian and bicycle infrastructure.

### **Capital Improvement Plan (CIP) Projects/Annual Programs**

- Complete Active Transportation Plan.
- 
- Annual Pavement Rehabilitation Program. Annual Upgrade of City Parks.
- Annual Upgrade of City Streetlighting.
- Annual Upgrade of City Traffic Signals.
- Annual Upgrade of Signing and Pavement Markings.
- Annual Repair/Replacement of City Sidewalks.
- Annual ADA Upgrades including Curb Ramps.
- Sanitary Sewer Rehabilitation.
-

- Design and construction of Bay Trail Gap closure - Pedestrian improvements at Railroad crossing at Tennent Avenue.
- Recycled water feasibility assessment.
- Effluent Outfall.
- Secondary Clarifier - Center Column Rehabilitation.
- Complete the environmental review and perform design of the San Pablo Ave replacement bridge.
- Complete traffic safety improvements at various intersections.

#### Other Council-Directed Special Projects

- Disposal and/or visioning for surplus City property.

#### **Significant Special Projects for FY 2026/27 through FY 2029/30**

- Continue through the design and commencement of construction of the San Pablo Avenue Bridge Replacement.
- Complete sewer collection system improvements per Sanitary Sewer Master Plan.
- Seek funding opportunities for pavement maintenance and restoration, and pursue various treatment techniques to increase the useful life of City roads.
- Integrate facilities into the asset management software to accurately identify cost associated to maintain each facility.
- Continue and expand use Beehive to document and schedule work orders.
- Prepare for our next NPDES permit process.
- Perform follow-up assessment of trash management efforts.
- Continue with the various annual programs to gradually improve the City's infrastructure including parks and roads, along with enhancements to safety conditions.

#### **Major Changes in FY 2025/26 Budget**

The Public Works Department budget for FY 2025/26 includes several major CIP projects changes relative to the FY 2024/25 budget. There is no significant change to the operations budget for the department. The FY 2025/26 – 2029/30 CIP contains 45 capital improvement projects and 5 infrastructure assessments that are scheduled to be undertaken over the five-year timeframe and are fully or partially funded. The CIP also includes information for various unfunded projects.

## Position Summary

| Position                                              | 2021/22      | 2022/23      | 2023/24      | 2024/25      | 2025/26      |

## **COMMUNITY DEVELOPMENT**

The Community Development Department is comprised of the following divisions:

- Planning;
- Building;
- Code Enforcement;
- Affordable Housing;
- Economic Development; and
- Redevelopment Successor Agency

### **Mission**

The mission of the Community Development Department is to guide orderly growth and development in Pinole, consistent with the General Plan and priorities of the City Council, and to protect the quality of life, health, safety, and welfare of residents.

### **Major Services and Functions**

The Planning Division administers and implements the General Plan and Zoning Code for the City. It processes land use and development applications, which include use permits, design review requests, and subdivisions. The Planning Division seeks to deliver on its mission with the highest regard for time, accuracy, completion, customer satisfaction, and overall well-being of the City consistent with local, State, and federal laws. Planning staff participate in multi-modal transportation and circulation planning. The Planning Division also leads the planning and implementation of sustainability initiatives and projects, ensuring alignment with the City's long-term environmental and policy goals.

The Building Division issues building permits and provides building, electrical, mechanical, plumbing, Title-24, and accessibility inspections for new construction, additions, and alterations of commercial, residential, and public projects to ensure a safe environment for the Pinole community. The division also performs rental housing inspections on a recurring basis and business license inspections on an as-needed basis. The division investigates citizens' complaints pertaining to construction code compliance and/or health and safety issues in a prompt and courteous manner.

The Code Enforcement Division investigates and addresses citizens' complaints of health and safety issues. These issues include blight and graffiti, abandoned vehicles, and illegal dumping. The division is complaint driven and maintains a proactive environment to help solve community problems in a collaborative and effective manner.

The Affordable Housing Division functions include ensuring that facilities that have received City financial assistance to create affordable housing units comply with affordability agreements and investing limited City affordable housing resources to provide affordable housing units and support to the homeless.

The Economic Development Division was instituted in FY 2021/22. It coordinates with the City Manager department to create economic development strategies for the City and is responsible for carrying out those strategies.

The purpose of the Redevelopment Successor Agency Division is to effectively wind down the activities of the Redevelopment Successor Agency by administering the remaining enforceable obligations.

## **FY 2024/25 Key Accomplishments**

### **Baseline Work (Including Staff-Initiated Special Projects)**

- Launched the City's new modern permitting and licensing system, replacing the outdated platform and introducing an online citizen portal for paperless permitting in Building, Planning, Public Works, and Finance, with integrated GIS and code enforcement tools.
- Continued to develop and refine forms, policies, and procedures related to building and planning permits and code enforcement processes.
- Secured a \$40,000 grant to implement automated solar permitting for residential rooftop systems and launched the City's new solar permitting software.
- Initiated vendor scanning services to support the transition to a fully paperless records system.
- Refined coordination with ConFire during the transition from Pinole Fire, specifically related to building and planning permit processing.
- Performed inspections and processed permits for major new residential development projects, including:
  - Issued a Certificate of Occupancy for Valor Village Apartments (33 units of 100% affordable housing for veterans) at 811 San Pablo.
  - Issued a Temporary Certificate of Occupancy for Vista Woods Apartments (179 units of 100% affordable housing for seniors) at 600 Roble.
  - Processed permits for the first phase of 154 condominium units at 2151 Appian Way ("Appian Village" project).
- Guided the issuance of 548 construction permits valued at over \$14 million in the first three quarters of FY 2024/25.
- Conducted 2,001 inspections across building, electrical, mechanical, plumbing, Title-24, and accessibility disciplines for residential, commercial, and public projects during the first three quarters of FY 2024/25.
- Continued implementing the GreenHalo waste tracking system, automating the verification and filing of recovery reports for 41 construction projects.
- Created and staffed a limited-term Sustainability Project Manager position to lead City sustainability initiatives.
- Secured a \$700,000 grant from the California Energy Commission (CEC) to support Phase 1 implementation of the City's Climate Action and Adaptation Plan (CAAP).

- Secured a \$7,500 Community Grant from Marin Clean Energy (MCE) to develop an express permitting system integrated with MCE programs to accelerate energy-efficiency upgrades.
- Secured a \$952,000 grant from the Metropolitan Transportation Commission (MTC) to install EV charging stations at public facilities.
- Secured a two-year staff capacity grant from the Partnership for the Bay's Future to support a Housing Fellow tasked with creating an affordable housing policy guide, launching a social impact bond and rehabilitation assistance program, and redesigning and relaunching the City's rental regulations.
- Secured \$650,000 in Prohousing Incentive Program funds from the State of California and began seeking matching funds to deposit \$1.3 million into the Low/Moderate Affordable Housing Asset Fund.
- Partnered with the Academy of Art to produce pro-bono Public Service Announcements to improve public communication on pedestrian safety, new ordinances, and wildfire preparedness.
- Joined the Brownfields Alliance with Contra Costa County and jointly applied for an EPA Brownfields Grant.
- Collaborated with the City of Hercules to apply for SB 1 grant funding to support sea level rise preparedness, including a shoreline vulnerability assessment, data collection, and a multi-jurisdictional adaptation plan.
- Continued use of a Body Worn Camera for the Code Enforcement Officer to improve transparency and support respectful public interaction.
- Developed and adopted multiple Year 1 and Year 2 Housing Element programs, including Zoning Ordinance updates, the Pinole Accessible Living Program (a no-cost permit program for universal design), and an ADU/JADU Amnesty Program.
- Conducted annual monitoring of 322 deed-restricted low- and moderate-income housing units to ensure continued compliance with affordability restrictions.
- Supported the Public Works Department with outreach and coordination for the development of the Active Transportation Plan.
- Collaborated with the Finance Department to adopt updates to Development Impact Fees.
- Supported a Planning Policy Intern to assist with Planning and Sustainability initiatives.
- Partnered with the County Sheriff's Office of Emergency Services to adopt Pinole's local annex of the Countywide Hazard Mitigation Plan.
- Partnered with the City Manager's Office and ConFire to adopt new Fire Hazard Severity Zone maps.
- Partnered with the County Department of Conservation and Development to launch the Pinole Energy Enhancement Rebate Program (PEER), offering local rebates for energy efficiency projects.
- Ensured compliance with tobacco retailer application requirements, including education and enforcement of flavored tobacco restrictions for all 21 retailers.
- Continued partnering with the Police Department to enforce code requirements for massage establishments.

- Worked with the Planning Commission to create Objective Design and Development Standards, a required Housing Element program.
- Worked with the Planning Commission to develop outdoor dining and parklet regulations.
- Opened 351 and closed 333 code enforcement cases, and performed 1,120 code enforcement inspections in the first three quarters of FY 2024/25.
- Performed proactive seasonal weed abatement activities with support from temporary code enforcement staff.

#### Other Council-Directed Special Projects

- Presented an Urgency Ordinance to prohibit new/expanded Service Stations
- With the City Manager's Department, supported the development of the third year of Earth Month activities and programming
- Continued the third year of administration of the Pinole Perks Community Gift Card program, which spurs the local economy
- Adopted City's first Climate Action and Adaptation Plan (CAAP) and began implementation of the Plan
- Adopted the City's Single-Use Plastic Foodware and Bag Reduction Ordinance
- Contracted for third-party Technical Assistance (TA) support to comply with the Single-Use Plastic Foodware and Bag Reduction Ordinance, and launched TA services to the business community

### **FY 2025/26 Key Priorities and Projects**

#### Baseline Work (Including Staff-Initiated Special Projects)

- Launch the PAL (Pinole Accessible Living) Program, offering permit fee waivers for accessibility modifications and hosting a six-part workshop series on universal design, home improvements, and financial resources to support aging in place for older adults and individuals with disabilities.
- Begin implementation of Year 3 and Year 4 6th Cycle Housing Element programs, including launching a home-match program, fast-track ADU program, in-lieu fee option for inclusionary housing, priority review process for affordable housing, rehabilitation assistance program, and hosting a fair housing and tenants' rights workshop.
- Continue partnership with the County Department of Conservation and Development to issue Pinole Energy Enhancement Rebates, funded through the California Energy Commission grant.
- Administer and expand the Pinole Perks Community Gift Card program to support local independent businesses and explore opportunities to grow its reach and impact.
- Support downtown activation efforts under Major Initiative 5 of the Economic Development Strategy by sponsoring business-led Night Markets, First Fridays, and other arts and culture events at Community Corner.

- Advance implementation of the Climate Action and Adaptation Plan (CAAP) by adopting reach codes for electrification, two-way AC requirements, stricter energy standards, and a long-term natural gas phase-out plan.
- Develop and launch public engagement on a proposed permanent ordinance to prohibit new or expanded service stations in the City.
- Continue supporting the Housing Fellow under a capacity grant, focused on developing an affordable housing policy guide, launching a social impact bond, supporting a rehabilitation assistance program, and redesigning and implementing rental regulations.
- Pursue additional grant funding to support implementation of the Economic Development Strategy and the Climate Action and Adaptation Plan.
- Perform inspections and process building permits for major developments, including Appian Village (154 market-rate and affordable condominiums), Pinole Vista (223 market-rate and affordable apartments), and Pinole Shores II (a 120,000-square-foot industrial building).
- Update Title 8 of the Pinole Municipal Code to reflect the 2025 Triennial Edition of the California Building Standards Code (Title 24) and any local amendments, by December 31, 2025.
- Continue education and outreach on the Single-Use Plastics Ordinance and begin formal enforcement efforts.
- Engage two summer interns—a Housing Policy & Engagement Intern and an ADU Policy & Implementation Intern—to assist with Housing Element Programs 2, 3, 4, and 8.
- Conduct community outreach and adopt both an updated Safety Element and a new Health and Environmental Justice Element of the General Plan.
- Recruit and hire an Associate Planner to increase in-house staffing capacity and reduce reliance on part-time contract staff, promoting more efficient use of City resources.
- Establish and hire a Sustainability Coordinator position to lead implementation of the Climate Action and Adaptation Plan, the Single-Use Plastics Ordinance, the Active Transportation Plan, and the rollout of the Environmentally Preferable Purchasing Policy, among other initiatives.
- Recruit and hire a Building Inspector I to expand Building Division capacity for rental housing inspections, substandard housing enforcement, and weed abatement, reducing reliance on contract services.
- Continue working with the new owner of Pinole Square (Tara Hills Safeway) to expedite redevelopment of the site.
- Collaborate with the Planning Commission to prepare and present regulations for outdoor dining and parklets for City Council consideration.
- Complete adoption of Objective Design and Development Standards, as required under the Housing Element.
- Continue evaluating updates to the General Plan, Specific Plan, Zoning Ordinance, and the Old Town Design Guidelines.

- Implement improvements to the Residential Rental Housing Inspection Program to enhance tracking, compliance, and efficiency.
- Complete the sale and transfer of the Affordable Housing Fund and Redevelopment Successor Agency surplus properties.
- Collaborate with the Community Services Department to develop a public art and mural program to enhance community identity.
- Foster a supportive and inviting climate for doing business in Pinole.

#### Strategic Plan Strategies

- Implement year two and year three activities of the Economic Development Strategy
- Evaluate the need to update the General Plan and Three Corridors Specific Plan Environmental Impact Report so that high-density residential projects could utilize the EIR for project-specific environmental clearances, which would encourage streamlining the rehabilitation and reuse of undeveloped or under-developed properties

#### Other Council-Directed Special Projects

- Complete research on options for just cause eviction regulations
- Implement a City of Pinole job fair
- Recommend options for Old Town wayfinding signage
- Conduct an electric vehicle (EV) charging station feasibility study

#### **Significant Special Projects for FY 2026/27 through FY 2029/30**

- Continue to make progress on Year 4 and Year 5 Housing Element programs
- Continue to make progress on Year 4 and Year 5 Economic Development Strategy action items
- Monitor the need, if applicable, to update the entire General Plan and Three Corridors Specific Plan
- Seek grant opportunities to help Pinole create a stronger “sense of place”
- Conclude repayment of outstanding Redevelopment Successor Agency bond obligations
- Close-out the operations of the Redevelopment Successor Agency following payment of all obligations

#### **Major Changes in FY 2025/26 Budget**

The Community Development Department budget for FY 2025/26 includes some changes relative to the FY 2024/25 budget. FY 2023/24 and FY 2024/24 was a year of finding stability in the Department following the restructuring in FY 2022/23. The restructuring served to develop efficient and thoughtful succession planning retention strategies, bring

formerly contracted out inspection services in-house and fill vacancies. The focus in FY 2025/26 will be to continue to increase staffing in order to carry out the workload assigned to Community Development, and continue to nurture stability, collegiality, and teamwork with coworkers, internal and external customers.

### Position Summary

| <b>Position</b>                                       | <b>2021/22</b> | <b>2022/23</b> | <b>2023/24</b> | <b>2024/25</b> | <b>2025/26</b> |

## **COMMUNITY SERVICES**

The City of Pinole is dedicated to enhancing community well-being and quality of life through a wide array of programs, facilities, and services that support residents of all ages. The City's Recreation, Library, and Animal Services Divisions work collaboratively to provide inclusive and engaging opportunities that foster community pride, wellness, and lifelong learning. The Community Services Department is comprised of the following divisions and services:

- Recreation
  - Administration
    - Community Events
    - Contra Costa County Library
    - Animal Services
    - Recreation Classes
    - Pacific Coast & Farmers Market Association
  - Tiny Tots
  - Youth Center
  - Senior Center
  - Swim Center
  - Facility & Parks
  - Field and Courts

### **Mission**

The mission of the Community Services Department is to enrich the lives of the diverse Pinole community by providing high-quality recreation and quality of life programs for residents of all ages.

### **Major Services and Functions**

#### **Recreation Division**

The Recreation Division offers diverse programming and services that support youth development, active living, cultural enrichment, and community connection. Services are delivered through the following program areas:

#### **Administration**

The City hosts a variety of community-wide events throughout the year to bring residents together, celebrate local culture, and strengthen neighborhood connections. Events such as seasonal festivals, outdoor movie nights, parades, and holiday celebrations are family-friendly and inclusive for all ages. The division contracts with local organizations to provide animal, library, and farmers market services. The administration division also provides services through contracts for youth, adult, and senior activities and programs. The Library and Animal Services Division oversees the agreements that the City has with the County Library and County Animal Services through which the County provides library and animal services in Pinole. Public library services in the City are provided by the Contra

Costa County Library system. (Just one city in the County, Richmond, has its own municipal library system.) The County provides library services to residents of Pinole at the Pinole branch library located on Pinole Valley Road. The branch library building was constructed by and is owned by the County. The County provides a baseline level of weekly open hours and charges the City for the maintenance of the building. (Most other cities in the County have constructed their own building to house their branch library.) The County Animal Services Department provides animal control services to the City's residents, for which the County charges the City a fee.

- **Tiny Tots**

This early childhood program offers a safe, nurturing environment in a dedicated facility for preschool-aged children to learn, socialize, and grow. Through structured play, creative activities, and early learning curriculum, the Tiny Tots program supports school readiness and developmental milestones.

- **Youth Center**

The Youth Center provides a supervised, welcoming space for local teens and pre-teens to engage in after-school and school break activities, enrichment programs, leadership development, and recreational opportunities. The center also promotes positive social interaction.

- **Senior Center**

The Senior Center offers a vibrant hub for adults aged 50 and over to stay active, connected, and engaged. Programs include fitness classes, wellness services, hobby groups, social events, and nutritional meal services, all aimed at promoting independence and healthy aging.

- **Swim Center**

The Swim Center serves as a community resource for aquatic recreation, swim lessons, fitness programs, and swim team training. The facility supports water safety education and provides access to swimming for youth and adult age groups. The Swim Center is owned by the city. The City currently contracts with the Pinole Seals for them to program programs and lessons. The Pinole Seals open the pool for community use during spring and summer months and conducts practices of their swim team.

- **Facility Rentals**

The City provides access to a variety of indoor and outdoor spaces for public and private use, including community rooms, banquet halls, and park picnic sites. Facility rentals are available for events such as weddings, meetings, celebrations, and recreational programs. In addition, the division oversees the City's Memorial Hall building which is used as a theater space for educational programs run by the Pinole Community Players community theater group as well as the Players' theatric productions. The city leases the building to the Players for these uses.

- **Parks**

Pinole maintains a network of public parks that offer green space, playgrounds, picnic areas, walking trails, and open areas for community gatherings. Parks are designed to enhance outdoor recreation and environmental appreciation. This division includes park rules and policies, park reservations, and park maintenance and development.

- **Fields and Courts**

The City provides athletic fields and courts to support organized sports leagues, recreational play, and fitness activities. Facilities include baseball and soccer fields, basketball and tennis courts, and multi-use areas maintained for safety and quality use.

## **FY 2024/25 Key Accomplishments**

### Baseline Work (Including Staff-Initiated Special Projects)

- Increased enrollment in the Tiny Tots early childhood program.
- Upgraded and improved the control system at the Swim Center to enhance operations and user experience.
- Updated Park rules and replaced signage at all parks.
- Expanded community event offerings with the addition of the Holiday Breakfast, Glow Pinole, and the Shop and Stroll feature during the Tree Lighting celebration.
- Partnered with the West Contra Costa Youth Soccer League to secure a significant donation for the rehabilitation of the Wright Soccer Field at Pinole Valley Park.
- Expanded program offerings and activities for youth, adults, and seniors to better meet community needs.
- Reopened City facilities for public rentals and community programming following pandemic-related closures.
- Increased field rentals through amenity improvements, including upgraded lighting and field maintenance at Fernandez Park.
- Enhanced safety and visibility at Fernandez Park by trimming trees and improving sightlines for park users.
- Streamlined the registration process to provide easier and more accessible enrollment for community programs and services.
- Successfully filled the Community Services Coordinator position at the Senior Center to support senior programs and services.
- Responded promptly to roof leaks at the Senior Center by issuing an emergency contract and completing a full roof replacement.
- Replaced the failing HVAC system at the Senior Center, restoring proper climate control and ensuring a comfortable environment for facility users.

### Capital Improvement Plan (CIP) Projects

- FA2202 Senior Center Modernization was completed with the roof replacement and HVAC system.
- PA1901 Pinole Valley Park Soccer Field Rehabilitation was completed with the community donation received by West Contra Costa Youth Soccer League.

## **FY 2025/26 Key Priorities and Projects**

### **Baseline Work (Including Staff-Initiated Special Projects)**

- Continue partnership with the Contra Costa and Solano Food Bank to provide food resources to the community.
- Fill vacant positions throughout the department.
- Continue to review and expand community events to increase participation.
- Resume special luncheons at the Senior Center.
- Increase youth programming in partnership with the local schools.
- Increase contract classes for youth, adult, and senior offerings.
- Collaborate with local organizations to expand programs and services.
- Repair tiny tot facility by replacing floor and building.

### **Capital Improvement Plan (CIP) Projects**

- Swim Center Upgrades
- Tiny Tot Floor and Painting
- Senior Center Flooring Upgrade

## **Significant Special Projects for FY 2026/27 through FY 2029/30**

- Implement new recreation registration software.
- Improvements to Dog Park
- Improvement to Caretakers House
- Tiny Tot Building Improvements
- Swim Center Pump Room Projects
- Senior Center Flooring Project and Improvements

## **Major Changes in FY 2025/26 Budget**

The Community Services Department budget for FY 2025/26 does not include any significant changes relative to the FY 2024/25 budget.

## **GENERAL GOVERNMENT**

### **Mission**

The mission of General Government is to appropriate funds for general City administrative overhead costs.

### **Major Services and Functions**

The General Government Department is a department established in the City's accounting system to provide a clearing house for payment of certain debt that is not tied to another specific department and accounting of cost recovery for internal services. As currently organized, the department does not perform any services.

### **FY 2024/25 Key Accomplishments**

- Account for debt service payments, retiree medical reimbursement, and internal transfers

### **FY 2025/26 Key Priorities and Projects**

- Continue to account for internal service functions

### **Major Changes in FY 2025/26 Budget**

There are not any major changes to the General Government department budget for FY2024/25.

### **Position Summary**

There are no positions budgeted in the General Government department.

## **SCHEDULE OF TRANSFERS**

The General Fund provides annual contributions to the Recreation, Pinole Community Television (PCTV), and Planning and Building funds to fund any operational deficiencies. Only the amounts necessary to fund operations are transferred towards the end of the fiscal year. Special community events, such as the annual tree lighting, are also funded by Measure S 2014.

*Page intentionally blank*

## Debt Obligations

A best practice in public finance is to show the City's debt obligations in its budget. The City has just three long-term debt obligations, other than those of the Redevelopment Successor Agency.

## Pension Obligation Bonds

On June 1, 2006, the City Council authorized the issuance of \$16,800,000 of Taxable Pension Obligation Bonds, 2006 Series A-2 (Capital Appreciation Bonds). The bonds in the aggregate principal of \$6,214,630 were issued to raise funds, presumably at a lower cost, to pay down the City's unfunded accrued actuarial liability with CalPERS. The bonds bear compounded interest which is due semi-annually on June 1 and December 1 through 2036. Principal payments are due annually on June 1 through 2036. The debt structure does not allow the bonds to be retired any earlier than 2036. In accordance with Section 4.01 (a) of the Trust Agreement, the City is required to deposit with the Trustee on or before August 1 of each year the annual amount for the upcoming fiscal year ending June 30. The bonds are secured with an insurance policy.

Bonds payable debt service requirements for governmental activities are shown below:

| For the Year Ending, June 30 | Principal           | Interest            |
|------------------------------|---------------------|---------------------|
| 2025                         | 203,321             | 431,679             |
| 2026                         | 195,585             | 454,415             |
| 2027                         | 191,228             | 483,773             |
| 2028                         | 186,704             | 513,296             |
| 2029                         | 180,806             | 539,194             |
| *2030-2034                   | 830,625             | 3,134,375           |
| *2035-2036                   | 301,241             | 1,473,760           |
|                              | <u>\$ 2,089,509</u> | <u>\$ 7,030,491</u> |

## 2016 Wastewater Revenue Refunding Bonds

On June 30, 2016, the City of Pinole issued an \$8,251,000 Wastewater Revenue Refunding Bond (Bank Qualified) to redeem its 2006 Wastewater Revenue Bonds which were issued to finance certain capital improvements to the City's wastewater system. The

bonds bear annual interest at 2.95% which is payable semi-annually on March 1 and September 1 of each year through 2036. Principal payments are due annually beginning on September 1, 2016 through 2036. The bond is secured with pledged net wastewater revenues.

Bonds payable debt service requirements for business-type activities are shown below:

| For the Year Ending, June 30 | Principal           | Interest            |
|------------------------------|---------------------|---------------------|
| 2025                         | 362,000             | 160,834             |
| 2026                         | 372,000             | 150,008             |
| 2027                         | 381,000             | 138,901             |
| 2028                         | 395,000             | 127,455             |
| 2029                         | 404,000             | 115,670             |
| 2030-2034                    | 2,217,000           | 389,090             |
| 2035-2037                    | 1,502,000           | 67,378              |
|                              | <u>\$ 5,633,000</u> | <u>\$ 1,149,335</u> |

### 2016 Clean Water State Revolving Fund

In May 2016, the City entered into a loan agreement with the State of California Water Resources Control Board to provide funding for its 50% share of upgrades to the Pinole-Hercules Wastewater Pollution Control Plant to achieve compliance with Regional Water Quality Board NPDES. Funds are drawn on the agreement as work is completed up to a maximum amount of \$26.7 million plus any construction period interest. The loan accrues interest at a rate of 1.7 percent annually. Annual principal payments are due each July 1, commencing July 1, 2020. Final payment is due July 2049. Net revenues, defined as all sewer enterprise fund revenues less operations and maintenance costs (excluding depreciation and amortization expenses), are pledged for future debt service. As of June 30, 2024, the total debt outstanding on the loan is \$22,735,634.

## **ACCOUNTING AND BUDGET BASIS**

It is a public finance best practice for the City's budget to describe the City's accounting basis and fund structure.

The City maintains its accounting records in accordance with Generally Accepted Accounting Principles (GAAP) and standards established by the Governmental Accounting Standards Board (GASB). Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenue is recognized when both measurable and available. Expenditures are recognized when the liability is incurred. Debt service obligations are appropriated when due.

Proprietary fund financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenue is recognized when earned and expenses when the liability is incurred regardless of timing of related cash flows.

The basis of budgeting is consistent with the basis of accounting discussed above. Appropriations that are budgeted and not expensed at the end of the year lapse and revert to fund balance.

## **MONITORING THE BUDGET**

Once adopted, the budget becomes the main internal control document used to monitor and manage the City's financial position. The City's budget level of control is executed at the fund level set by the City's governing body. Requests for budget amendments are presented to the City Council and are enacted by resolution. Managers can transfer funds within their respective departments with the approval of the City Manager. Financial reports that highlight revenue and expenditure variances, some of which may require adjustments to the budget, are presented to City Council for consideration and adoption on a quarterly basis.

## **FUND STRUCTURE**

The City uses funds to report its current financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid in financial management by segregating transactions related to certain governmental functions or activities. A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. All of the funds of the City can be divided into three categories: governmental funds, proprietary funds and fiduciary funds.

## GOVERNMENTAL FUNDS

**General Funds** are used to account for all the general revenues of the City not specifically levied or collected for other City funds and the related expenditures.

| <i>Fund Number</i> | <i>Name</i>            |
|--------------------|------------------------|
| 100                | General Fund           |
| 105                | Measure S 2006 Fund    |
| 106                | Measure S 2014 Fund    |
| 150                | General Reserve Fund   |
| 160                | Equipment Reserve Fund |

**Special revenue funds** used to account for proceeds that are legally restricted for specific purposes.

| <i>Fund Number</i> | <i>Name</i>                                |
|--------------------|--------------------------------------------|
| 200                | Gas Tax Fund                               |
| 201                | Restricted Real Estate Maintenance Fund    |
| 203                | Public Safety Augmentation Fund            |
| 204                | Police Grants Fund                         |
| 205                | Traffic Safety Fund                        |
| 206                | Supplemental Law Enforcement Services Fund |
| 207                | Storm Water Fund                           |
| 209                | Recreation Fund                            |
| 212                | Building & Planning Fund                   |
| 213                | Refuse Management Fund                     |
| 214                | Solid Waste Fund                           |

|     |                                      |
|-----|--------------------------------------|
| 215 | Measure J Fund                       |
| 217 | American Rescue Plan Act (ARPA) Fund |
| 225 | Asset Seizure-Adjudicated Fund       |
| 275 | Parkland Dedication Fund             |
| 276 | Growth Impact Fund                   |
| 285 | Housing Assets for Resale            |

**Capital projects funds** are used to account for financial resources for the acquisition or construction of facilities and other capital assets.

| <i>Fund Number</i> | <i>Name</i>                          |
|--------------------|--------------------------------------|
| 310                | Lighting and Landscape District Fund |
| 324                | Public Facilities Fund               |
| 325                | City Street Improvements             |
| 327                | Parks Grants Fund                    |
| 377                | Arterial Rehabilitation              |

## PROPRIETARY FUNDS

**Enterprise funds** are used to account for goods or services from business-type activities, such as fees charged to external users.

| <i>Fund Number</i> | <i>Name</i>           |
|--------------------|-----------------------|
| 500                | Sewer Enterprise Fund |
| 505                | Cable Access TV Fund  |

**Internal service funds** are used to account for activities that provide goods or services to other funds, departments, or agencies of the primary government and its component units, or to other governments on a cost-reimbursement basis.

| <i>Fund Number</i> | <i>Name</i>              |
|--------------------|--------------------------|
| 525                | Information Systems Fund |

## FIDUCIARY FUNDS

**Agency funds** are used to maintain records of assets and financial activities on behalf of a third party or set aside in an external trust fund for restricted purposes.

| <i>Fund Number</i> | <i>Name</i>                              |
|--------------------|------------------------------------------|
| 700                | Section 115 Pension Trust Fund           |
| 750                | Redevelopment Obligation Retirement Fund |

The City receives revenue from numerous sources that are used for various expenditures for City purposes. The following are descriptions of each of the City's revenue sources as well as the assumptions used to develop the budget projection.

*Page intentionally blank*

## **GLOSSARY**

**Appropriation** - An authorization by the City Council to make expenditures/expenses and to incur obligations for a specific purpose within a specific time frame.

**Assessed Valuation** - A dollar value placed on real estate or other property by the County as a basis for levying property taxes.

**Assessments**- Levies that pay for improvements directly benefiting their property.

**Audit** - A view of the City's accounts by an independent auditing firm to substantiate fiscal year-end fund, salaries, reserves, and cash on hand.

**Beginning/Ending (Unappropriated) Fund Balance** - Unencumbered resources available in a fund from the prior/current fiscal year after payment of the prior/current fiscal year's expenditures/expenses. This is not necessarily cash on hand.

**Bond** - A City may raise capital by issuing a written promise to pay a specific sum of money, called the face value or principal amount, at a specific date or dates in the future, together with periodic interest at a special rate. There are two types of bonds: General Obligation and Revenue.

**Budget** - A fiscal plan of financial operation listing an estimate of proposed applications or expenditures/expenses and the proposed means of financing them for a particular time period. The budget is proposed until it has been approved by the City Council.

**Capital Improvement** - A permanent addition to the City's assets, including the design, construction, or purchase of land, buildings, or facilities, or major renovations of same.

**Capital Improvement Program** - A financial plan of proposed capital improvement projects with single-and multiple-year capital expenditures/expenses.

**Capital Outlay** - A budget appropriation category which budgets all equipment having an estimated useful life of over one year.

**City Manager's Transmittal Letter** - A general discussion of the budget. The letter contains an explanation of principal budget items and summaries.

**CPI** - Consumer Price Index; measure of inflation in an area of consumer products.

**Debt Service** - Payment of the principal and interest on an obligation resulting from the issuance bonds, notes, or Certificates of Participation (COPs).

**Debt Service Requirements** - The amount of money required to pay interest on outstanding debt and required contributions to accumulate monies for future retirement of term bonds.

**Deficit** - An excess of expenditures or expenses over revenues (resources).

**Department** - An organizational unit comprised of divisions. It is the basic unit of service responsibility encompassing a broad mandate of related activities.

**Depreciation** - The cost allocation of tangible assets over the useful/economic life of the asset.

**Division** - A sub-section (or activity) within a department, which furthers the objectives of the City by providing specific services or a product.

**Encumbrances** - A legal obligation to pay funds, the expenditure/expense of which has not yet occurred. They cease to be encumbrances when the obligations are paid or otherwise terminated.

**Enterprise Fund** - A type of fund established for the total costs of those governmental facilities and services which are operated in a manner similar to private enterprise. These programs are entirely or predominately self-supporting.

**Expenditure** - The actual spending of Governmental Funds set aside by appropriation.

**Expense** - The actual spending of Proprietary Funds (Enterprise and Internal Service Fund types) set aside by an appropriation.

**Fiscal Year** - A twelve-month period of time to which a budget, forecast or reporting period applies. The City of Pinole fiscal year is July 1 through June 30.

**Fund** - An independent fiscal and accounting entity used to record all financial transactions related to the specific purpose for which the fund was created.

**Fund Balance** - The amount of financial resources available for use. Generally, this represents the detail of all the annual operating surpluses and deficits since the fund's inception.

**General Fund** - The primary fund of the City used to account for all revenues and expenditures of the City not legally restricted as to use. This fund is used to offset the cost of the City's general operations. Examples of departments financed by the General Fund include the City Council, Police and others.

**General Obligation Bond** - Bonds used for various purposes and repaid by the regular (usually via the General Fund) revenue raising powers of the City.

**Grant** - Contributions, gifts of cash, or other assets from another governmental entity to be used or expended for a specific purpose, activity, or facility.

**Interfund Transfers** - Monies transferred from one fund to another. Such money is transferred to finance the operations of another fund or to reimburse the fund for certain expenditures/expenses.

**Internal Service Fund** - An Internal Service Fund provides services to other City departments and bills the various other funds for services rendered, just as would private business. ISF's are self-supporting and only the expense by an ISF is counted in budget totals.

**Major Fund** – Governmental fund or enterprise fund reported as a separate column in the basic financial statements and subject to a separate opinion in the independent auditor's report.

**Materials, Supplies, and Services** - Expenditures/expenses for materials, supplies, and services which are ordinarily consumed within a fiscal year and which are not included in departmental inventories.

**Municipal Code** - A book that contains the City Council approved ordinances currently in effect. The Code defines City policy with respect to areas such as planning, etc.

**Objectives** - The expected results or achievements of a budget activity.

**Operating Budget** - Annual appropriation of funds for on-going program costs, including salaries and benefits, services and supplies, debt service, capital outlay and capital improvements.

**Ordinance** - A formal legislative enactment by the City Council. It has the full force and effect of law within City boundaries unless preempted by a higher form of law. An Ordinance has a higher legal standing than a Resolution.

**Projects** – Long-term investments in public facilities and infrastructure; also known as capital improvements. The amount spent may overlap from year to year until the project is completed.

**Proprietary Funds**- These include the enterprise (wastewater treatment and collection) and internal services (information technology and equipment reserve) funds. They are accounted for in a manner similar to businesses, measuring cost for services and including total assets and liabilities.

**Redevelopment Agency**- A separate legal entity created to alleviate conditions of blight, build infrastructure and promote economic development. The Agency receives property tax revenue on assessed value growth within these areas called "tax increments" to repay Agency indebtedness.

**Reimbursement** - Payment of amount remitted on behalf of another party, department, or fund.

**Reserve** - An account used to record a portion of the fund balance as legally segregated for a specific use.

**Resolution** - A special order of the City Council which has a lower legal standing than an Ordinance.

**Return to Source Funds** - Residual moneys from former Redevelopment Agency's tax levy's that are redistributed to the Cities after the Agency's debt obligations have been paid off. These funds are non-restricted and are distributed by the State in January and July of every year.

**Revenues** - Amount received for taxes, fees, permits, licenses, interest, intergovernmental sources, and other sources during the fiscal year.

**Revenue Bonds** - A type of bonds usually issued to construct facilities. The bonds are repaid from the revenue produced by the operation of these facilities.

**Salaries and Benefits** - A budget category which generally accounts for full-time and temporary employees, overtime expenses, and all employee benefits, such as medical, dental, and retirement.

**Special Revenue Funds** - This fund type collects revenues that are restricted by the City, State, or Federal Government as to how the City might spend them.

**Successor Agency to the Pinole Redevelopment Agency** - Trust agency formed for the purpose of reporting close-out financial activities of the former Redevelopment Agency.

**Unfunded Liability** - Amount of future obligations not covered by assets currently set aside for that purpose, such as accrued vacation leave payable at termination or actuarial-determined future insurance claims.

**User Fees** - Charges of a voluntary nature paid by persons receiving a service in exchange for the fee (such as recreation activities or wastewater service fees).

## **FINANCIAL AND INVESTMENT POLICIES**

The following Financial and Investment Policies are established to ensure that the City's finances are managed in a sound and prudent manner which will (1) continue to provide for the delivery of quality services, (2) maintain and enhance service delivery as the community grows in accordance with the General Plan, (3) strive for a balanced budget annually, assuring that the City is living within our means, and (4) establish reserves necessary to meet known and unknown future obligations.

To achieve these goals, the following Financial and Investment Policies have been established. Below is a summary of the actual policies, which were last updated and approved by the City Council on May 2, 2023. The full policies can be found on the website at <https://www.pinole.gov/wp-content/uploads/2024/06/Financial-and-Investment-Policies-Updated-March-2023.pdf>.

### **1. Structurally Balanced Budget Policy**

The annual budget will be structurally balanced whereby the operating budget will be prepared with current year expenditures funded with current year revenue. If a structural imbalance occurs, a plan will be developed and implemented to bring the budget back into structural balance.

### **2. Reserves Policy**

The City will establish and maintain reserves to meet certain anticipated future obligations as well as to ensure that the City maintains adequate financial resources to continue to provide basic municipal services in the event of a significant unanticipated revenue decrease or expenditure increase.

### **3. Revenue Policy – One Time (Non-Recurring) Resources**

The City will strive to maintain a diversified and stable revenue base that is not overly dependent on any land use, major taxpayer, revenue type, restricted revenue, inelastic revenue, or external revenue. The General Fund Budget will be structurally in balance without relying on one-time resources such as proceeds from asset sales, debt refinancing, one-time grants, revenue spikes, budget savings and similar non-recurring revenue. Appropriate uses of one-time resources include establishing and rebuilding the General Fund Reserve, other City established reserves, or early retirement of debt, capital expenditures, reducing unfunded pension liabilities (PERS and OPEB), and other non-recurring expenditures.

### **4. Revenue Policy – User Fees and Charges**

The City of Pinole is empowered to recapture, through fees, up to the full cost of providing specific services. Regular and consistent review of all fees is necessary to ensure that the costs associated with delivery of individual services have been appropriately identified, and that the City is fully recovering those costs. It is the City's policy to set user fees at full cost recovery levels, except where a greater community benefit is demonstrated to the satisfaction of the City Council, or when it is not cost effective to do so. The City will recover the costs of new facilities and infrastructure necessitated by the development consistent with state law.

5. Expenditure and Budget Policy

The City will deliver service in the most efficient and cost-effective manner. This includes utilizing the services of volunteers in areas where economically viable. The budget will state the objectives of the operating programs, and identify the resources being provided to accomplish the specified objectives.

6. Debt Policy

The City will limit the use of debt so as not to place a burden on the fiscal resources of the City and its taxpayers. Long-term borrowing will be limited to capital improvements or projects that cannot be financed from current revenues. When capital projects are financed, the City will amortize the debt within a period not to exceed the expected useful life of the project. The City will limit the total debt ratio (debt guaranteed by the General Fund) to 10% or as required by bond coverage ratios. The debt ratio is calculated by the relationship between the debt and the General Fund revenue.

7. Receivables Policy

The City will ensure the timely invoicing, monitoring, and collection of outstanding obligations owed to the City. The purpose of the is policy is to maintain appropriate oversight of all receivables and maintain sound fiscal management and accounting practices related to all receivables.

8. Grants Policy

The City departments actively pursue federal, state and other grant opportunities when deemed appropriate. Grant funding allows the City to leverage local public funds by extending and enhancing the services it offers to the community, and to introduce new initiatives.

9. Capital Assets Policy

Purchased and donated assets meeting the City's capitalization definition and threshold will be classified and recorded in the City's financial records as capital

assets. The value of the asset must meet the City's capitalization threshold of \$5,000 to be recorded as a capital asset.

#### 10. Unclaimed Funds Policy

The City of Pinole will account for unclaimed funds in a manner which follows Government Code Sections 50050 through 50056. Funds that remain unclaimed for at least three (3) years will become the property of the City of Pinole after the procedures identified herein have been followed.

#### 11. Investment Policy

The purpose of this Investment Policy is to define the parameters within which funds are to be managed. In methods, procedures, and practices, the policy formalizes the framework for the City of Pinole's investment activities that must be exercised to ensure effective and judicious fiscal and investment management of the City's funds.

#### 12. Pension Investment Policy

The City of Pinole (the "City") has established the City of Pinole Employee Benefit Pension Plan (the "Plan"), a Section 115 Trust. The goal of the Plan's investment program is to provide a reasonable level of growth which will result in sufficient assets to offset a portion of the present and future obligations of retirement benefits provided by the California Public Employees Retirement System ("CalPERS") for those eligible employees who meet the specified age and service requirements.

The purpose of this Pension Investment Policy is to establish a comprehensive strategy for assets invested under the Plan, and outline prudent and acceptable parameters in which pension funds are to be managed.

*Page intentionally blank*

## **EMPLOYEE COMPENSATION AND BENEFITS**

### **Compensation**

Employees are compensated based on job classification, which is a group of positions sufficiently similar with respect to their duties and responsibilities that: (a) the same descriptive title may be used to designate the positions allocated to the class; (b) the scope and level of duties and responsibilities are similar; (c) the same qualifications and tests of fitness may be required of all incumbents; and (d) the same salary rate or range can apply with equity under substantially the same working conditions. Salaries and wages are paid over twenty-six periods each fiscal year. Current salary and benefit schedules are available online at: <https://www.pinole.gov/salary-benefits/>.

Compensation packages include benefits, such as medical plan, dental plan, vision plan, cafeteria plan, life insurance, disability insurance, flexible benefits plan.

There are currently three union-represented groups in the City: Pinole Police Employees Association, Public Employees Union – Local 1, and AFSCME Local 512.

### **Pension Plans**

The City contributes to the California Public Employees' Retirement System ("PERS"), a cost-sharing, multiple-employer, public employee, defined benefit, pension plan. PERS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. PERS acts as a common investment and administrative agent for participating public entities within the State of California. Benefit provisions and all other requirements are established by state statute and City ordinance. Copies of PERS' annual financial report may be obtained from their executive office: 400 P Street, Sacramento, CA 95814.

*Funding Policy:* Miscellaneous Plan participants are required to contribute 8% of their annual covered salary, while Safety Plan participants are required to contribute 9% of their annual covered salary.

The City entered into cost-sharing agreements with its union-represented and unrepresented employees whereby miscellaneous and safety employees' total CalPERS contribution (combined Employee Contribution and Employees' Share of the City's contribution) are capped at 15% (8% employee portion and 7% employer portion) and 15% (9% employee portion and 6% employer portion) respectively.

The City established the City of Pinole Employee Benefit Pension Plan (the "Plan"), a Section 115 Trust in July of 2018. The goal of the Plan's investment program is to provide a reasonable level of growth which will result in sufficient assets to offset a portion of the present and future obligations of retirement benefits provided by the California Public Employees Retirement System ("CalPERS") for those eligible employees who meet the specified age and service requirements. Assets in the Plan will seek to mitigate the impact of future rate increases from CalPERS.

## Other Post-Employment Benefits

In addition to the retirement pension benefits described above, the City sponsors and administers a single-employer healthcare plan for its employees. The plan includes healthcare coverage to long-service retirees. At retirement, employees can elect Blue Shield, Kaiser, PERS Care, or PERS Choice medical coverage through the City at the City's expense.

Employees hired before July 1, 2010 receive a City contribution toward their health premium equal that provided to current active employees. Employees hired after July 1, 2010 receive a City contribution toward their retiree health premium in an amount described by Government Code Section 22893 (the PERS vesting schedule) as shown below:

| Credited Years of Service | Percentage of Employer Contribution |
|---------------------------|-------------------------------------|
| 10                        | 50%                                 |
| 11                        | 55%                                 |
| 12                        | 60%                                 |
| 13                        | 65%                                 |
| 14                        | 70%                                 |
| 15                        | 75%                                 |
| 16                        | 80%                                 |
| 17                        | 85%                                 |
| 18                        | 90%                                 |
| 19                        | 95%                                 |
| 20 or more                | 100%                                |

**Funding Policy:** The City's contribution for each retiree is capped at the Kaiser Bay Area/Sacramento family premium. The premium as of July 1, 2019 is \$2,027.64 per month. The City is currently funding the benefits on a pay-as-you-go basis.

## Risk Management

The City manages risk of loss related to torts, theft of, damage to, and destruction of assets, errors and omissions, injuries to employees, and natural disasters by participating in a public entity risk pool established under the Joint Exercise of Powers Act of the State of California. The City is a member of the Municipal Pooling Authority (MPA) of Northern California.

MPA provides coverage against the following types of risk of loss under the terms of the joint-powers agreement:

| Type of Coverage (Deductible)                                            | Coverage Limits |
|--------------------------------------------------------------------------|-----------------|
| Liability (\$25,000) including errors and omissions for public officials | \$29,000,000    |
| All Risk Fire and Property (\$5,000)                                     | \$1,000,000,000 |
| Workers' Compensation (no deductible)                                    | \$50,000,000    |
| Vehicle Physical Damage (\$3,000 for Police, \$2,000 all others)         | \$250,000       |

## **Jurisdictional Comparison**

|                                   | <b>City of Pinole</b>       | <b>City of Hercules</b>     | <b>City of San Pablo</b>    | <b>City of El Cerrito</b>   |
|-----------------------------------|-----------------------------|-----------------------------|-----------------------------|-----------------------------|
| Form of Government                | Council-Manager General Law | Council-Manager General Law | Council-Manager General Law | Council-Manager General Law |
| Year Incorporated                 | 1903                        | 1900                        | 1948                        | 1917                        |
| <b>Budget Comparison</b>          |                             |                             |                             |                             |
| General Fund Revenue              | 28,219,433                  | 19,835,823                  | 54,367,874                  | 51,386,444                  |

## **CITY COUNCIL REPORT**

**9.D.**

**DATE:** JUNE 17, 2025  
**TO:** MAYOR AND COUNCIL MEMBERS  
**FROM:** Markisha Guillory, Finance Director, 510-724-9823, MGuillory@pinole.gov  
**SUBJECT:** FY 2025/26 APPROPRIATIONS LIMIT

### **RECOMMENDATION**

Adopt a resolution establishing the Fiscal Year (FY) 2025/26 Appropriations Limit.

### **BACKGROUND**

On November 6, 1979, California voters passed Proposition 4 (the "Gann Limit" Spending Initiative), which added Article XIII B to the California Constitution. The purpose of this law is to establish a limit on expenditure appropriations from tax sources that State and local governments are permitted to make in any given year.

Pursuant to Article XIII B, the City is required to establish an annual Appropriations Limit. The appropriations subject to limitation are based on the 1978-79 appropriations adjusted for changes in the cost of living and population.

California Government Code Section 7910 requires each local government to establish its appropriations limit by resolution for each fiscal year. Adoption of the attached resolution will approve the City of Pinole's FY 2025/26 Appropriations Limit at \$181,160,245.

### **REVIEW AND ANALYSIS**

The factors used to compute the annual appropriations limit are: (1) either the percentage change in California per capita personal income or the percentage change in the local property tax assessment roll from the preceding year due to the addition of local nonresidential construction in the City, and (2) either the City's own population growth or the population growth of the entire County.

Each year, the State of California Department of Finance provides data on the percentage change in California per capita personal income and the population growth of all cities and counties (attached).

In 1991, the California State Board of Equalization asked all County Assessors to compute the annual change in nonresidential new construction. For Contra Costa County, the Auditor-Controller's Office provides cities with these figures (attached).

For FY 2025/26, the respective State and County offices have provided the City with the following factors to be used in the Appropriations Limit computation:

- Change in California Per Capita Personal Income 6.44% increase
- Change in Nonresidential New Construction 0.83% increase
- Population Change City of Pinole 0.45% decrease
- Population Change Contra Costa County 0.00% increase

Staff recommends that the change in California per capita personal income and change in Contra Costa County population be used to compute the City's Appropriations Limit. The FY 2025/26 calculation is:

Per capita personal income converted to ratio:  $\frac{6.44 + 100}{100} = 1.0644$

Population change converted to a ratio:  $\frac{0.00 + 100}{100} = 1.0000$

Calculation of factor:  $1.0644 \times 1.0000 = 1.06440000$

City of Pinole FY 2024/25  
Appropriations Limit: \$170,199,403

FY 2025/26 factor:  $\times 1.06440000$

FY 2025/26 Appropriations Limit: \$181,160,245

City of Pinole FY 2025/26 Appropriations  
Subject to the Limit: \$24,939,441

Total Appropriations Under/(Over) the Limit: \$156,220,803

The Appropriations Limit applies to most tax revenues including property tax, sales tax, utility users' tax, business license tax, transient occupancy tax, and vehicle in-lieu fee. It does not apply to revenues such as fees that recover operating costs. For FY 2025/26, the City's annual Appropriations Limit is calculated at \$181,160,245 as shown above. By law, the City's allocation of certain types of tax revenue is not allowed to exceed this authorized spending limit. Many of the City's revenues are not subject to the Appropriations Limit.

The City of Pinole tax revenues subject to the Appropriations Limit will be approximately \$24,939,441. So, the City's estimated appropriations in FY 2025/26 that are subject to the Appropriations Limit are far below the limit itself.

## **FISCAL IMPACT**

There is no fiscal impact created by the City Council's adoption of this resolution to authorize the City's Appropriations Limit for FY 2025/26.

## **ATTACHMENTS**

- A. Resolution
- B. State of California Department of Finance Price Factor and Population Information
- C. City of Pinole Nonresidential New Construction

**RESOLUTION NO. 2025-\_\_**

**RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PINOLE, COUNTY OF CONTRA COSTA, STATE OF CALIFORNIA, APPROVING THE CITY OF PINOLE'S APPROPRIATIONS LIMIT FOR FISCAL YEAR 2025/26**

**WHEREAS**, Article XIII B of the Constitution of the State of California requires an Appropriations Limit for governmental agencies to be established annually; and

**WHEREAS**, the appropriation subject to limitation for each fiscal year shall be based on the 1978-79 appropriation adjusted for changes in the per capita cost of living and population; and

**WHEREAS**, the implementation of Article XIII B requires the taxing agency to determine the Appropriations Limit according to the State of California; and

**WHEREAS**, the City of Pinole calculated its Fiscal Year 2025/26 Appropriations Limit based on the percent of change in the population of the Contra Costa County, January 1, 2024 to January 1, 2025, and the change in the State of California's per capita personal income.

**NOW THEREFORE, BE IT RESOLVED** that the Pinole City Council does hereby resolve:

1. That the growth factor has been calculated as follows:  
 $1.0000 \times 1.0644 = 1.06440000$
2. That said growth factor, 1.06440000, shall be used to adjust the FY 2025/26 Appropriations Limit.
3. That the Appropriations Limit for 2025/26 fiscal year is hereby established as \$181,160,245.

**FURTHER, BE IT RESOLVED** that the City of Pinole tax allocations for FY 2025/26 will be approximately \$24,939,441, which is \$156,220,803 below the authorized spending limit of \$181,160,245.

**PASSED AND ADOPTED** at a regular meeting of the Pinole City Council held on the 17<sup>th</sup> day of June 2025 by the following vote:

|          |                 |
|----------|-----------------|
| AYES:    | COUNCILMEMBERS: |
| NOES:    | COUNCILMEMBERS: |
| ABSENT:  | COUNCILMEMBERS: |
| ABSTAIN: | COUNCILMEMBERS: |

I hereby certify that the foregoing resolution was introduced, passed and adopted on this **17<sup>th</sup>** day of **June, 2025**.

---

Heather Bell, CMC  
City Clerk

May 2025

Dear Fiscal Officer:

**Subject: Price Factor and Population Information**

**Appropriations Limit**

California Revenue and Taxation Code Section 2227 requires the Department of Finance to transmit an estimate of the percentage change in population to local governments. Each local jurisdiction must use their percentage change in population factor for January 1, 2025, in conjunction with a change in the cost of living, or price factor, to calculate their appropriations limit for fiscal year 2025-26. Attachment A provides the change in California's per capita personal income and an example for utilizing the price factor and population percentage change factor to calculate the 2025-26 appropriations limit. Attachment B provides the city and unincorporated county population percentage change along with the population percentage change for counties and their summed incorporated areas. The population percentage change data excludes federal and state institutionalized populations and military populations.

**Population Percent Change for Special Districts**

Some special districts must establish an annual appropriations limit. California Revenue and Taxation Code Section 2228 provides additional information regarding the appropriations limit. Article XIII B, Section 9(C) of the California Constitution exempts certain special districts from the appropriations limit calculation mandate. The code section and the California Constitution can be accessed at the following website: <http://leginfo.ca.gov/faces/codes.xhtml>.

Special districts required by law to calculate their appropriations limit must present the calculation as part of their annual audit. Any questions special districts have on this requirement should be directed to their county, district legal counsel, or the law itself. No state agency reviews the local appropriations limits.

**Population Certification**

The population certification program applies only to cities and counties. California Revenue and Taxation Code Section 11005.6 mandates Finance to automatically certify any population estimate that exceeds the current certified population with the State Controller's Office. **Finance will certify the higher estimate to the State Controller by June 1, 2025.**

**Please Note:** The prior year's city population estimates may be revised. The per capita personal income change is based on historical data.

If you have any questions regarding this data, please contact the Demographic Research Unit at (916) 323-4086.

JOE STEPHENSHAW  
Director

ERIKA LI  
Chief Deputy Director

Attachment

- A. **Price Factor:** Article XIII B specifies that local jurisdictions select their cost of living factor to compute their appropriation limit by a vote of their governing body. The cost of living factor provided here is per capita personal income. If the percentage change in per capita personal income is selected, the percentage change to be used in setting the fiscal year 2025-26 appropriation limit is:

| Per Capita Personal Income |                                      |
|----------------------------|--------------------------------------|
| Fiscal Year<br>(FY)        | Percentage change<br>over prior year |
| 2025-26                    | 6.44                                 |

- B. Following is an example using sample population change and the change in California per capita personal income as growth factors in computing a 2025-26 appropriation limit.

**2025-26:**

Per Capita Cost of Living Change = 6.44 percent  
Population Change = 0.28 percent

Per Capita Cost of Living converted to a ratio:  $\frac{6.44 + 100}{100} = 1.0644$

Population converted to a ratio:  $\frac{0.28 + 100}{100} = 1.0028$

Calculation of factor for FY 2025-26:  $1.0644 \times 1.0028 = 1.0674$

**FISCAL YEAR 2025-26**  
**Attachment B**  
**Annual Percent Change in Population Minus Exclusions\***  
**January 1, 2024 to January 1, 2025 and Total Population January 1, 2025**

**CITY COUNCIL  
REPORT**

**9.E.**

**DATE:** JUNE 17, 2025

**TO:** MAYOR AND COUNCIL MEMBERS

**FROM:** David Hanham, Planning Manager, 510-724-9842, dhanham@pinole.gov

**SUBJECT:** ADOPTION OF GROWTH MANAGEMENT PLAN (GMP) CHECKLIST AND AUTHORIZATION FOR SUBMISSION TO CCTA

**RECOMMENDATION**

Staff recommends that the City Council adopt a Resolution approving the submittal of the Growth Management Program (GMP) Compliance Checklist for Calendar Years 2022 and 2023 to the Contra Costa Transportation Authority (CCTA), in order to secure approximately \$928,670 in Measure J return-to-source funds for Fiscal Years 2023–24 and 2024–25

**BACKGROUND**

Contra Costa County voters approved the County’s first transportation sales tax, Measure C, in 1988. Measure C was subsequently extended through the Measure J half-cent sales tax, which expires in 2034.

Each year, CCTA allocates approximately 18% of the Measure J sales tax collections to local municipalities in the form of Local Street Maintenance and Improvement funds. Local Street Maintenance and Improvement funds are distributed among municipalities based on their respective road miles and population. The remaining Measure J revenues are made available to local municipalities for various capital projects on a competitive basis.

**REVIEW AND ANALYSIS**

In order to be eligible for the Measure J funds, municipalities in Contra Costa County are required to submit a biennial self-certifying checklist to the CCTA that details how the requirements of Measure J have been complied with. Measure J funds are provided on a fiscal year basis, while the checklist covers a calendar year. Each checklist addresses a specific fiscal year period and a different reporting period. For instance, the current checklist is for Fiscal Years 2023/24 and 2024/25, but the reporting period is for calendar years 2022 and 2023. See **Table 1** for Measure J funding allocations to the City of Pinole since 2008. Measure J money is used to fund transportation projects identified in the Five-Year Capital Improvement Plan (CIP).

**Table 1: Measure J Funding Allocation to Pinole since 2008**

| Check List Year<br>(Fiscal Year, FY,<br>July-June) | Reporting Period<br>(Calendar Year, CY,<br>Jan-Dec) | Funding<br>Disbursement Period<br>(Fiscal Year, FY,<br>July-June) | Local Street<br>Maintenance and<br>Improvement Allocation<br>(Pinole) |
|----------------------------------------------------|-----------------------------------------------------|-------------------------------------------------------------------|-----------------------------------------------------------------------|
|----------------------------------------------------|-----------------------------------------------------|-------------------------------------------------------------------|-----------------------------------------------------------------------|

|                  |                |                  |           |
|------------------|----------------|------------------|-----------|
| FY 23/24 & 24/25 | CY 2022 & 2023 | FY 25/26 & 26/27 | \$928,670 |
| FY 21/22 & 22/23 | CY 2020 & 2021 | FY 23/24 & 24/25 | \$935,899 |
| FY 19/20 & 20/21 | CY 2018 & 2019 | FY 21/22 & 22/23 | \$766,174 |
| FY 17/18 & 18/19 | CY 2016 & 2017 | FY 19/20 & 20/21 | \$759,000 |
| FY 15/16 & 16/17 | CY 2014 & 2015 | FY 17/18 & 18/19 | \$625,000 |
| FY 13/14 & 14/15 | CY 2012 & 2013 | FY 15/16 & 16/17 | \$665,000 |
| FY 11/12 & 12/13 | CY 2010 & 2011 | FY 13/14 & 14/15 | \$558,000 |
| FY 09/10 & 10/11 | CY 2008 & 2009 | FY 11/12 & 12/13 | \$271,480 |

The Growth Management Checklist requires that jurisdictions in Contra Costa County comply with and document the following major requirements:

- Develop and Implement Action Plans for Routes of Regional Significance
- Adopt a Regional Transportation Mitigation Program (i.e., Establish and collect Transportation Impact Mitigation Fees)
- Housing Options and Job Opportunities Compliance through the General Plan
- Prepare Traffic Impact Studies
- Participation in Cooperative, Multi-Jurisdictional Planning (e.g., WCCTAC Membership)
- Five-Year Capital Improvement Program
- Adoption of Measure J General Plan Growth Management Element
- Adopt and maintain an Urban Limit Line

Measure J guidelines require that the checklist be approved by the City Council before it is forwarded to CCTA for consideration. Once submitted, CCTA will assess compliance with all components of its GMP through the review and approval of the jurisdiction's GMP Compliance Checklist.

Staff has prepared the attached Resolution (Attachment A), including Exhibits A–L (Attachments B–M), for City Council consideration. Staff recommends that the City Council certify the checklist and adopt the Resolution, authorizing the City Manager to sign the Growth Management Program Compliance Checklist and submit it to the Contra Costa Transportation Authority (CCTA) by the June 30, 2025 deadline. Upon receipt, CCTA will process the checklist in accordance with its procedures and notify the City once the checklist has been approved.

### **FISCAL IMPACT**

There is a positive fiscal impact of approximately \$928,670 in Measure J return-to-source gas tax monies that will be provided to the City of Pinole in two installments over the next two fiscal

years (FY 25/26 and FY 26/27). The amounts are subject to change primarily based on actual sales tax receipts through June 30, 2025.

**RESOLUTION NO. 2025-XX**

**RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PINOLE, COUNTY OF CONTRA COSTA, STATE OF CALIFORNIA, APPROVING THE SUBMITTAL OF CALENDAR YEARS 2022 AND 2023 GROWTH MANAGEMENT PROGRAM (GMP) COMPLIANCE CHECKLIST FOR ALLOCATION OF FISCAL YEARS 2023-2024 AND 2024-2025 MEASURE J LOCAL STREET MAINTENANCE AND IMPROVEMENT FUNDS BY THE CONTRA COSTA TRANSPORTATION AUTHORITY (CCTA)**

**WHEREAS**, in 1988, Contra Costa County voters approved Measure C, imposing a half-cent sales tax to generate revenue for transportation improvement projects over 20 years, and approved Measure J, extending the sales tax for another 25 years; and

**WHEREAS**, to receive “18 Percent Local Street Maintenance and Improvement (LSM) program funds,” Measure J requires each jurisdiction in Contra Costa County to comply with all the components of the Growth Management Program (GMP); and

**WHEREAS**, the Contra Costa Transportation Authority requires that local jurisdictions complete a biennial GMP Compliance Checklist to demonstrate compliance with Measure J; and

**WHEREAS**, the City of Pinole has satisfied all requirements necessary to comply with Measure J including those involving implementation of 2009 West County Action Plan for Routes of Regional Significance, continued development mitigation programs, housing options, traffic impact studies, multi-jurisdictional planning, five-year Capital Improvement Program, Transportation Systems Management (TSM) Ordinance, Growth Management Element for General Plan, and Urban Limit Line; and

**WHEREAS**, the City Council of the City of Pinole adopted a Five-Year Capital Improvement Plan, in accordance with the goals, plans, policies, and programs of the City of Pinole, and its General Plan at its June 19, 2024, meeting; and

**WHEREAS**, the City of Pinole encourages projects that are mixed-use and include a range of housing types and styles and affordability levels; and

**WHEREAS**, with the range of housing types and affordability levels, and rules in place to encourage preservation of the existing housing stock and creation of new residential development, the City of Pinole continues to make progress on its Regional Housing Need Allocation (RHNA) for affordable housing; and

**WHEREAS**, the City of Pinole is a member of the West Contra Costa Transportation Advisory Committee (WCCTAC) and has representation and participation at monthly meetings; and

**WHEREAS**, the City of Pinole collects Transportation Mitigation Fees for new development in the City and also adopted a resolution increasing mitigation fees in 2009; and

**WHEREAS**, the City of Pinole received a letter from the State Department of Housing and Community Development (HCD) on June 19, 2023, certifying that the City's Housing Element is in compliance with State Housing Law and has prepared and submitted all required annual reports needed to maintain compliance; and

**WHEREAS**, the City of Pinole has prepared a General Plan Growth Management Element in full compliance with Measure J requirements.

**NOW, THEREFORE, BE IT RESOLVED** that the City Council of the City of Pinole hereby adopts a resolution approving the Measure J GMP Compliance Checklist that is attached and incorporated by reference as **Exhibit A** and directs staff to submit the checklist to the Contra Costa Transportation Authority (CCTA) in compliance with Measure J, and further authorizes staff to furnish all required information to CCTA necessary to approve the City of Pinole Measure J return-to-source gas tax dollars of approximately \$928,670 over the next two (2) fiscal years for local street maintenance and improvement funds.

**PASSED AND ADOPTED** at a regular meeting of the Pinole City Council held on the 17<sup>th</sup> day of June, 2025 by the following vote:

AYES: COUNCILMEMBERS:

NOES: COUNCILMEMBERS:

ABSENT: COUNCILMEMBERS:

ABSTAIN: COUNCILMEMBERS:

I, hereby certify that the foregoing resolution was regularly introduced, passed, and adopted on the 17<sup>th</sup> day of June, 2025

---

Heather Bell, CMC  
City Clerk

| 3. Address Housing Options                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | YES                              | NO                    |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------|-----------------------|
| a. Has the jurisdiction prepared and submitted a report to the Authority demonstrating reasonable progress in providing housing opportunities for all income levels under its Housing Element? The report can demonstrate progress by<br><br>(1) comparing the number of housing units approved, constructed, or occupied within the jurisdiction over the preceding five years with the number of units needed on average each year to meet the housing objectives established in its Housing Element; or<br><br>(2) illustrating how the jurisdiction has adequately planned to meet the existing and projected housing needs through the adoption of land use plans and regulatory systems which provide opportunities for, and do not unduly constrain, housing development; or<br><br>(3) illustrating how its General Plan and zoning regulations facilitate improvement or development of sufficient housing to meet the Element's objectives.<br><br><i>Note: A copy of the local jurisdiction's annual progress report (Tables A thru C) to the state Department of Housing and Community Development (HCD) is sufficient.</i> | <input checked="" type="radio"/> | <input type="radio"/> |
| b. Does the jurisdiction's General Plan—or other adopted policy document or report—consider the impacts that its land use and development policies have on the local, regional, and countywide transportation system, including the level of transportation capacity that can reasonably be provided?                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | <input checked="" type="radio"/> | <input type="radio"/> |
| c. Has the jurisdiction incorporated policies and standards into its development approval process that support transit, bicycle, and pedestrian access in new developments?                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | <input checked="" type="radio"/> | <input type="radio"/> |

## Measure J GMP Compliance Checklist

Reporting Jurisdiction: City of Pinole  
For Fiscal Years 2023-24 and 2024-25  
Reporting Period: Calendar Years 2022 & 2023

| 4. Traffic Impact Studies                                                                                                                                                                                                                                                                                               | YES                   | NO                    | N/A                              |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------|-----------------------|----------------------------------|
| a. Using the Authority's <i>Technical Procedures</i> , have traffic impact studies been conducted as part of development review for all projects estimated to generate more than 100 net new peak-hour vehicle trips? (Note: Lower traffic generation thresholds established through the RTPC's Action Plan may apply). | <input type="radio"/> | <input type="radio"/> | <input checked="" type="radio"/> |
| b. If the answer to 4.a. above is "yes", did the local jurisdiction notify affected parties and circulate the traffic impact study during the environmental review process?                                                                                                                                             | <input type="radio"/> | <input type="radio"/> | <input checked="" type="radio"/> |

| 5. Participation in Cooperative, Multi-Jurisdictional Planning                                                                                                                                                                                                                                                                                                                                                                                                                                       | YES                              | NO                               |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------|----------------------------------|
| a. During the reporting period, has the jurisdiction's Council/Board representative regularly participated in meetings of the appropriate Regional Transportation Planning Committee (RTPC), and have the jurisdiction's local representatives to the RTPC regularly reported on the activities of the Regional Committee to the jurisdiction's council or board? (Note: Each RTPC should have a policy that defines what constitutes regular attendance of Council/Board members at RTPC meetings.) | <input checked="" type="radio"/> | <input type="radio"/>            |
| b. Has the local jurisdiction worked with the RTPC to develop and implement the Action Plans, including identification of Routes of Regional Significance, establishing Multimodal Transportation Service Objectives (MTSOs) for those routes, and defining actions for achieving the MTSOs?                                                                                                                                                                                                         | <input checked="" type="radio"/> | <input type="radio"/>            |
| c. Has the local jurisdiction applied the Authority's travel demand model and <i>Technical Procedures</i> to the analysis of General Plan Amendments (GPAs) and developments exceeding specified thresholds for their effect on the regional transportation system, including on Action Plan MTSOs?                                                                                                                                                                                                  | <input type="radio"/>            | <input checked="" type="radio"/> |

## Measure J GMP Compliance Checklist

Reporting Jurisdiction: City of Pinole  
For Fiscal Years 2023-24 and 2024-25  
Reporting Period: Calendar Years 2022 & 2023

|                                                                                                                                                                                                                                                                                                                                                                         | YES                              | NO                               |                                  |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------|----------------------------------|----------------------------------|
| d. As needed, has the jurisdiction made available, as input into the countywide transportation computer model, data on proposed improvements to the jurisdiction's transportation system, including roadways, pedestrian circulation, bikeways, and trails, planned and improved development within the jurisdiction, and traffic patterns?                             | <input checked="" type="radio"/> | <input type="radio"/>            |                                  |
| <b>6. Five-Year Capital Improvement Program</b>                                                                                                                                                                                                                                                                                                                         | <b>YES</b>                       | <b>NO</b>                        |                                  |
| Does the jurisdiction have an adopted five-year capital improvement program (CIP) that includes approved projects and an analysis of project costs as well as a financial plan for providing the improvements? (The transportation component of the plan must be forwarded to the Authority for incorporation into the Authority's database of transportation projects) | <input checked="" type="radio"/> | <input type="radio"/>            |                                  |
| <b>7. Transportation Systems Management Program</b>                                                                                                                                                                                                                                                                                                                     | <b>YES</b>                       | <b>NO</b>                        |                                  |
| Has the jurisdiction adopted a transportation systems management ordinance or resolution that incorporates required policies consistent with the updated model ordinance prepared by the Authority for use by local agencies or qualified for adoption of alternative mitigation measures because it has a small employment base?                                       | <input type="radio"/>            | <input checked="" type="radio"/> |                                  |
| <b>8. Adoption of a voter-approved Urban Limit Line</b>                                                                                                                                                                                                                                                                                                                 | <b>YES</b>                       | <b>NO</b>                        | <b>N/A</b>                       |
| a. Has the local jurisdiction adopted and continually complied with an applicable voter-approved Urban Limit Line as outlined in the Authority's annual ULL Policy Advisory Letter?                                                                                                                                                                                     | <input type="radio"/>            | <input type="radio"/>            | <input checked="" type="radio"/> |

## Measure J GMP Compliance Checklist

Reporting Jurisdiction: City of Pinole

For Fiscal Years 2023-24 and 2024-25

Reporting Period: Calendar Years 2022 & 2023

- |                                                                                                                                                                                                                                                                                                                                                                          | YES                   | NO                    | N/A                              |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------|-----------------------|----------------------------------|
| b. If the jurisdiction has modified its voter approved ULL or approved a major subdivision or General Plan Amendment outside the ULL, has the jurisdiction made a finding of consistency with the Measure J provisions on ULLs and criteria in the ULL Policy Advisory Letter after holding a noticed public hearing and making the proposed finding publicly available? | <input type="radio"/> | <input type="radio"/> | <input checked="" type="radio"/> |

### 9. Adoption of the Measure J Growth Management Element

- |                                                                                                                                                                 | YES                              | NO                    | N/A                   |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------|-----------------------|-----------------------|
| Has the local jurisdiction adopted a final GME for its General Plan that substantially complies with the intent of the Authority's adopted Measure J Model GME? | <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> |

### 10. Posting of Signs

- |                                                                                                                                                                                  | YES                   | NO                    | N/A                              |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------|-----------------------|----------------------------------|
| Has the jurisdiction posted signs meeting Authority specifications for all projects exceeding \$250,000 that are funded, in whole or in part, with Measure C or Measure J funds? | <input type="radio"/> | <input type="radio"/> | <input checked="" type="radio"/> |

### 11. Maintenance of Effort (MoE)

- |                                                                                                                                                                                                                                                                          | YES                              | NO                    |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------|-----------------------|
| Has the jurisdiction met the MoE requirements of Measure J as stated in Section 6 of the Contra Costa Transportation Improvement and Growth Management Ordinance (as amended)? (See the Checklist Instructions for a listing of MoE requirements by local jurisdiction.) | <input checked="" type="radio"/> | <input type="radio"/> |

### 12. Submittal of LSM Reporting and Audit Forms

- |                                                                                                                                                                                                           | YES                              | NO                    |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------|-----------------------|
| Has the local jurisdiction submitted a Local Street Maintenance and Improvement Reporting Form and Audit Reporting Form for eligible expenditures of 18 percent funds covering FY 2021-22 and FY 2022-23? | <input checked="" type="radio"/> | <input type="radio"/> |

## Measure J GMP Compliance Checklist

Reporting Jurisdiction: City of Pinole  
For Fiscal Years 2023-24 and 2024-25  
Reporting Period: Calendar Years 2022 & 2023

### 13. Other Considerations

YES NO N/A

If the jurisdiction believes that the requirements of Measure J have been satisfied in a way not indicated on this checklist, has an explanation been attached below?

## Measure J GMP Compliance Checklist

Reporting Jurisdiction: City of Pinole  
For Fiscal Years 2023-24 and 2024-25  
Reporting Period: Calendar Years 2022 & 2023

### Supplementary Information (Required)

#### 1. Action Plans

- a. *Please summarize steps taken during the reporting period to implement the actions, programs, and measures called for in the applicable Action Plan for Routes of Regional Significance:*

The City of Pinole continues to work with WCCTAC and west Contra Costa jurisdictions to implement the Action Plan for Routes of Regional Significance within the City of Pinole. The City completed a General Plan update in 2010 which includes policy support for the implementation of the Action Plan.

- b. *Attach, list, and briefly describe any General Plan Amendments that were approved during the reporting period. Please specify which amendments affected ability to meet the standards in the Growth Management Element and/or affected ability to implement Action Plan policies or meet Multimodal Traffic Service Objectives (MTSOs). Indicate if amendments were forwarded to the jurisdiction's RTPC for review, and describe the results of that review relative to Action Plan implementation:*

The City of Pinole adopted one (1) General Plan Amendment during the reporting period (calendar years 2022 & 2023). The City adopted our 2023-2031 Housing Element January 17, 2023 and was certified July 20, 2023. This particular amendment did not affect the City abilities to meet the standards in the Growth Management Element and/or affected the ability to implement Action Plan policies or meet Multimodal Traffic Service Objectives (MTSOs).

WCCTAC was identified as a stakeholder during the update process and was on our mailing lists for review. There were no comments received.

## Measure J GMP Compliance Checklist

Reporting Jurisdiction: City of Pinole  
For Fiscal Years 2023-24 and 2024-25  
Reporting Period: Calendar Years 2022 & 2023

*Provide a summary list of projects approved during the reporting period and the conditions required for consistency with the Action Plan:*

Pinole Vista Apartments-- 223 units (196 Market Rate Rent and 27 affordable units). This project is on Fitzgerald Drive (not a roadway of significance). However, Fitzgerald Drive is a major transit connection point within the City. Condition 119 requires a TDM that will have a transportation coordinator for the purpose of informing residents of transit and transit programs. Condition 20 requires new sidewalk, curb and gutter as well as fix existing. The site plan also requires new sidewalk between the complex and existing shopping center.

Appian Village -- 154 units (123 Market Rate and 31 moderate/low for sale products). Appian Way is a Route of Regional Significance. Condition 4C requires the installation of the 4th arm of the traffic signal at Appian and Mann. Condition 118 requires fair share contributions to multi-modal improvement as defined in Three Corridor Specific Plan. Condition 119 requires TDM Plan that include digital boards, bus passes, shared ride facilities, and bike/scooter, and car share opportunities.

### 2. Development Mitigation Program

a. *Describe progress on implementation of the regional transportation mitigation program:*

The City has adopted STMP Fees that are required for all of the City's new construction projects. The City submits those fees to WCCTAC as per requirements of Measure J.

### 3. Address Housing Options

a. *Please attach a report demonstrating reasonable progress in providing housing opportunities for all income levels. (Note: A copy of the local jurisdiction's annual report (Tables A thru C) to the state Department of Housing and Community Development (HCD) is sufficient).*

Add Attachments

## Measure J GMP Compliance Checklist

Reporting Jurisdiction: City of Pinole  
For Fiscal Years 2023-24 and 2024-25  
Reporting Period: Calendar Years 2022 & 2023

*Please attach the jurisdiction's adopted policies and standards that ensure consideration of and support for walking, bicycling, and transit access during the review of proposed development.*

[Add Attachments](#)

### 4. Traffic Impact Studies

*Please list all traffic impact studies that have been conducted as part of the development review of any project that generated more than 100 net new peak hour vehicle trips. (Note: Lower traffic generation thresholds established through the RTPC's Action Plan may apply). Note whether the study was consistent with the Authority's Technical Procedures and whether notification and circulation were undertaken during the environmental review process.*

There were no traffic impact studies that were conducted as a part of the development review process due to the fact that none of the of the projects generated more than 100 net new peak hour vehicles trips.

### 5. Participation in Cooperative, Multi-Jurisdictional Planning

*No attachments necessary*

## Measure J GMP Compliance Checklist

Reporting Jurisdiction: City of Pinole  
For Fiscal Years 2023-24 and 2024-25  
Reporting Period: Calendar Years 2022 & 2023

### 6. Five-Year Capital Improvement Program

*Please attach the transportation component of the most recent CIP version, and list the resolution number and date of adoption of the most recent five-year CIP.*

The City has attached the most current CIP program. The last CIP approval was June 3, 2025 with Resolution 25-

### 7. Transportation Systems (Demand) Management Program

*Please attach a copy of the jurisdiction's TSM (TDM) ordinance or list the date of ordinance or resolution adoption and its number.*

Staff attached a copy of the City's TSM (TDM) Ordinance approved by the City Council at the rear of the document.

## Measure J GMP Compliance Checklist

Reporting Jurisdiction: City of Pinole

For Fiscal Years 2023-24 and 2024-25

Reporting Period: Calendar Years 2022 & 2023

### **8. Adoption of a voter-approved Urban Limit Line**

*The local jurisdiction's adopted ULL is on file at the Authority offices. Please specify any actions that were taken during the reporting period regarding changes or modifications to the voter approved ULL, which should include a resolution making a finding of consistency with Measure J and a copy of the related public hearing notice.*

The City of Pinole has not taken any actions during the reporting system to modify any Urban Limit Line (ULL)

### **9. Adoption of the Measure J Growth Management Element**

*Please attach the adopted Final Measure J Growth Management Element to the local jurisdiction's General Plan or list the date of ordinance or resolution adoption and its number.*

Staff attached the final Final Measure J Growth Management Element of the City of Pinole 2010 General Plan.

### **10. Posting of Signs**

*Provide a list of all projects exceeding \$250,000 within the jurisdiction, noting which ones are or were signed according to Authority specifications.*

There were no projects exceeding \$250,000 within our jurisdiction

## Measure J GMP Compliance Checklist

Reporting Jurisdiction: City of Pinole  
For Fiscal Years 2023-24 and 2024-25  
Reporting Period: Calendar Years 2022 & 2023

### 11. Maintenance of Effort (MoE)

*Please indicate the jurisdiction's MoE requirement and MoE expenditures for the past two fiscal years (FY 2021-22 and FY 2022-23). See the Instructions to identify the MoE requirements.*

Staff has attached the MoE requirement and MoE expenditures for the last two year at the rear of the document.

### 12. Submittal of LSM Reporting Form and Audit Reporting Form

*Please attach LSM (Summary) Reporting and LSM Audit (Detail) Forms for FY 2021-22 and FY 2022-23.*

[Add Attachments](#)

### 13. Other Considerations

*Please specify any alternative methods of achieving compliance for any components for the Measure J Growth Management Program*

\*Extremely low-income housing need determined pursuant to Government Code 65583(a)(1). Value in Section 5 is default value, assumed to be half of the very low-income RHNA. May be overwritten.

Note: units serving extremely low-income households are included in the very low-income RHNA progress and must be reported as very low-income units in section 7 of Table A2. They must also be reported in the extremely low-income category (section 13) in Table A2 to be counted as progress toward meeting the extremely low-income housing need determined pursuant to Government Code 65583(a)(1).

Please note: For the last year of the 5th cycle, Table B will only include units that were permitted during the portion of the year that was in the 5th cycle. For the first year of the 6th cycle, Table B will only include units that were permitted since the start of the planning period. Projection Period units are in a separate column.

Please note: The APR form can only display data for one planning period. To view progress for a different planning period, you may login to HCD's online APR system, or contact HCD staff at [apr@hcd.ca.gov](mailto:apr@hcd.ca.gov).

| PRIOR H.E.: Conduct An Annual Housing Element Review (H.1.1)                                                                                                                                   | Annual Review of Housing Element per Government Code Section 65583(3).                                                        | Annually               | Complete for 2023. Annual review of the Housing Element will continue with the preparation of HCD Annual Progress Reports each year during the 2023-2031 Housing Element cycle.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| PRIOR H.E.: Explore Housing Development Partnerships (H.1.2)                                                                                                                                   | Seek opportunities to work with public agencies and developers.                                                               | Ongoing                | The City has continued to worked with developers to encourage residential development and affordable units. The City has worked with developers of housing projects on permit issuance and the construction process, including issuance of permits for SAHA (33 unit) affordable housing project and working on construction hour modifications for Vista Woods (189 units) to address weather-related delays. Worked with developers on permitting for conversion of former city-owned buildings at 612 Tennent Ave and 2279 Park St. Building permits were issued to rehabilitate 612 Tennent, which changed the 2 unit building into a 4 unit building of which one unit is affordable.                                                                                                   |
| PRIOR H.E.: Periodically Review Residential Development Requirements (H.1.3)                                                                                                                   | Monitor effectiveness of established regulations needed to streamline housing development.                                    | Ongoing (as necessary) | Regular ongoing discussions on permitting, process, and code update improvements. Updates to codes, standards, and permitting processes to promote housing development have been incorporated into the 2023-2031 Housing Element.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| PRIOR H.E.: Apply Design Review Guidelines (H.2.1)                                                                                                                                             | Apply to new residential development and residential additions to ensure compatibility with surrounding areas.                | Ongoing                | The City implemented the Residential Design Guidelines for residential projects where applicable. The development of objective design standards was incorporated into the 2023-2031 Housing Element and preparation of standards has been in progress.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| PRIOR H.E.: Adequate Sites to Meet Regional Fair Share of Housing Growth (H.2.2)                                                                                                               | Ensure adequate sites are available to developers and provide an inventory of available sites to developers.                  | Ongoing                | Complete. Three Corridors Specific Plan for San Pablo Avenue, Pinole Valley Road, and Appian Way includes adequate sites available to developers to meet Regional Fair Share of Housing Growth. A detailed inventory of potential residential development sites is included within Table 6.43 and 6.44 of the prior Housing Element. A new site inventory has been prepared as part of the 2023-2031 Housing Element.                                                                                                                                                                                                                                                                                                                                                                        |
| PRIOR H.E.: Rehabilitation Assistance (H.2.3)                                                                                                                                                  | Continue to share information and explore funding sources for rehabilitation of existing housing                              | Ongoing (annually)     | City staff continues to assist homeowners and provide information at City Hall on rehabilitation assistance resources. In 2023, the City issued 657 permits to rehabilitate housing units, including roofing, water heater replacement, furnace, solar, window/patio door replacement, and home remodel/addition projects. The City has been coordinating with the County to develop a BayRen Home+ program to assist residential property owners to undertake energy efficiency upgrade projects.                                                                                                                                                                                                                                                                                           |
| PRIOR H.E.: Acquisition/ Rehabilitation of Blighted or Distressed Properties (H.2.4)                                                                                                           | Pursue opportunities to partner with nonprofit housing developers to acquire and rehabilitate blighted or distress properties | Ongoing                | The City issued permits and continues to work with the developer of the 33 unit 100% affordable SAHA project towards completion of construction on the former redevelopment agency property. Through the course of the project, the City supported development through the provision of purchase and construction loans, facilitation of efficient entitlement and permit review processes, and coordination to ensure the developer had information needed to secure development funding. The City is worked with a developer and issued permits to rehabilitate a vacated two unit building into a four unit building at 612 Tennent Ave, with one unit set aside as an affordable unit. The City is working with a developer to rehabilitate a vacant commercial building into two units. |
| PRIOR H.E.: Fee Structure Evaluation (H.3.1)                                                                                                                                                   | Review current fees to ensure new development contributes its share of costs                                                  | Ongoing                | An updated master fee schedule was adopted in 2023 and became effective August 1, 2023.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| PRIOR H.E.: General Plan Land Uses (H.4.1)                                                                                                                                                     | Evaluate land use designations and programs to ensure consistency with overall goals                                          | Annually               | The City's GP land use designations are applied to provide direction and flexibility to help meet evolving overall land use goals and policy objectives. Land Use designations remain the same in the 2023-2031 Housing Element.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| PRIOR H.E.: Housing Construction (H.4.2)                                                                                                                                                       | Encourage housing construction through a variety of incentives and programs                                                   | Ongoing                | City staff meets regularly with property owners and developers to encourage additional housing construction at all affordability levels on available housing opportunity sites. Staff provides owners and developers with assistance in understanding affordable housing requirements and density bonus incentives.                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| PRIOR H.E.: Parcel Consolidation (H.4.4.3)                                                                                                                                                     | Facilitate lot consolidation as it relates to housing opportunity sites                                                       | Ongoing                | City staff meets with property owners and developers to encourage parcel consolidation for housing development.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| PRIOR H.E.: Second Unit Ordinance (H.4.4.4)                                                                                                                                                    | Provide information to the public and review the ordinance to encourage second unit development                               | Ongoing                | Staff regularly receives and responds to questions from the public regarding ADU standards and the permit process.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |

| Please note this table is optional: The jurisdiction can use this table to report units that have been substantially rehabilitated, converted from non-affordable to affordable by acquisition, and preserved, including mobilehome park preservation, consistent with the standards set forth in Government Code section 65583.1, subdivision (c). Please note, motel, hotel, hostel rooms or other structures that are converted from non-residential to residential units pursuant to Government Code section 65583.1(c)(1)(D) are considered net-new housing units and must be reported in Table A2 and not reported in Table F. |                                                                                             |                              |                         |                          |                                                                                                                                                                                                                                         |                              |                         |                          |                                                                                                                                                                                                                                                                                                                                                                                           |

## ANNUAL ELEMENT PROGRESS REPORT

**Table K**  
**Tenant Preference Policy**

Local governments are required to inform HCD about any local tenant preference ordinance the local government maintains when the jurisdiction submits their annual progress report on housing approvals and production, per Government Code 7061 (SB 649, 2022, Cortese). Effective January 1, 2023, local governments adopting a tenant preference are required to create a webpage on their internet website containing authorizing local ordinance and supporting materials, no more than 90 days after the ordinance becomes

|                                                                                                                                                                                                   |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Does the Jurisdiction have a local tenant preference policy?                                                                                                                                      |
| If the jurisdiction has a local tenant preference policy, provide a link to the jurisdiction's webpage on their internet website containing authorizing local ordinance and supporting materials. |
| Notes                                                                                                                                                                                             |

\*Extremely low-income housing need determined pursuant to Government Code 65583(a)(1). Value in Section 5 is default value, assumed to be half of the very low-income RHNA. May be overwritten.

Please Note: Table B does not currently contain data from Table F or Table F2 for prior years. You may login to the APR system to see Table B that contains this data.

Note: units serving extremely low-income households are included in the very low-income RHNA progress and must be reported as very low-income units in section 7 of Table A2. They must also be reported in the extremely low-income category (section 13) in Table A2 to be counted as progress toward meeting the extremely low-income housing need determined pursuant to Government Code 65583(a)(1).

Please note: For the last year of the 5th cycle, Table B will only include units that were permitted during the portion of the year that was in the 5th cycle. For the first year of the 6th cycle, Table B will only include units that were permitted since the start of the planning period. Projection Period units are in a separate column.

Please note: The APR form can only display data for one planning period. To view progress for a different planning period, you may login to HCD's online APR system, or contact HCD staff at [apr@hcd.ca.gov](mailto:apr@hcd.ca.gov).

| Provision of Adequate Sites and Site Inventory Monitoring (Program 1)                                                                                                                          | Provide adequate sites to accommodate the City's entire RHNA allocation of 500 units, including the 83 units not met with pending projects or projected ADUs. No net loss of capacity below the RHNA requirement during the planning period.                                           | Mid-cycle review by Q1 2027. Identification of additional sites or programs by Q3 2027.                                                                                                                                                                                                                                                                   | Housing Element adopted in 2023. No change in site inventory or pending projects resulting in loss of capacity below RHNA requirement. Annual review of surplus parcels conducted. Additional opportunities sites list maintained; no change resulting from loss of capacity requiring use of the list.                                                                                                                                                                                                                                                                                                                                                |
| Publicize and Promote Residential Sites Inventory (Program 2)                                                                                                                                  | Maintain accurate and publicly available residential site inventory throughout the planning period. Outreach with 100 percent of RHNA site owners twice during the planning period.                                                                                                    | Webpage for sites by October 2023; update annually or as needed. Contact RHNA site owners twice during the planning period, including once by October 2024.                                                                                                                                                                                               | Webpage with site inventory published. Site inventory remains current. Held discussions with some RHNA site owners and affordable housing developers; more extensive outreach to be conducted in 2025.                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| Outreach to Developers and Technical Assistance to Applicants (Program 3)                                                                                                                      | Technical assistance to all affordable housing applicants. Make the comprehensive coordinated review with all city departments standard operating procedure for all residential developments. Annual review of available funding sources and contact to other agencies and developers. | Develop comprehensive coordinated review procedures by April 2024. Create developer interest list by October 2023. Annually contact affordable housing builders annually with information about sites. Annual outreach to public agencies and community and faith-based organizations for funding and partnership opportunities.                          | Initial comprehensive coordinated review procedures were formulated and pre-application planning meetings continue to be available by request. However, no major residential development project applications were received in 2024. Developer interest list created. Outreach to developers and public agencies in progress and to continue. Annual review of fundings sources evaluated. Faith-based organizations contacted.                                                                                                                                                                                                                        |
| Facilitate ADU Production (Program 4)                                                                                                                                                          | 5 ADUs per year                                                                                                                                                                                                                                                                        | Annually review ADU strategy; additional program of identification of site within 6 months if not matching estimates. Adopt amnesty program and fast track program by April 2025. Review ADU geographic distribution biennially.                                                                                                                          | 9 building permits were issued for ADUs in 2024. The ADU ordinance update was prepared, with adoption expected before April 2025. The City continues to track ADU production. Initial ADU Fast Track program formulated; pre-approved ADU program implemented. Created ADU Amnesty program and expected adoption by April 2025. Geographic distribution to be reviewed.                                                                                                                                                                                                                                                                                |
| SB 9 Technical Assistance and Facilitation (Program 5)                                                                                                                                         | 10 SB 9 applications                                                                                                                                                                                                                                                                   | Zoning amendments and objective design standards by Q2 2025. Lot split form by Q1 2024.                                                                                                                                                                                                                                                                   | Zoning code amendments prepared for SB 9 with adoption expected before April 2025. Checklist provided online. Lot split application incorporated into online permitting system in 2024. Five SB 9 applications have been received.                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Incentives for Mixed-Use Developments (Program 6)                                                                                                                                              | Amended zoning ordinance with adopted incentives. Entitlement of three mixed-use projects using one or more of the available incentives.                                                                                                                                               | Adopt incentives by April 2026. Begin review of environmental documents by 2026 and complete by 2029.                                                                                                                                                                                                                                                     | Zoning code amendments for park fee waiver and parking reductions prepared and adoption expected before April 2025. CEQA clearance process under consideration. Priority development project review and processing formulated, however no major development projects were received in 2024.                                                                                                                                                                                                                                                                                                                                                            |
| Development of Housing Successor's Low and Moderate Income Housing Asset Fund Policy (Program 7)                                                                                               | Create a housing fund policy guide, create in-lieu fee alternative and funding source. For applicable development projects, maintain a minimum requirement of 15 percent inclusionary units, and of those 40 percent of units affordable to very low income households.                | By April 2026.                                                                                                                                                                                                                                                                                                                                            | Continuing maintenance of 15% inclusionary unit requirements, preserved in zoning code amendments. Housing fund policy guide, in-lieu fee alternative, and funding sources in progress. Incorporated a Partnership for the Bay's Future (PBF) Housing Fellow for a two year assignment to further work on housing rehabilitation, a social impact bond program, and affordable housing policy. The City and PBF Housing Fellow are working on an Affordable Housing Fund Policy Guide & In-Lieu fee to create a policy guide that aligns the City's affordable housing funds with RHNA requirements, local housing needs, and fair housing objectives. |
| Affordable Housing Incentives (Program 8)                                                                                                                                                      | Adoption of priority review process. Completion of initial review of affordable housing developments within prescribed timeline. Expedited review of projects to take 50% less time than the normal City review process.                                                               | Adopt expedited review process and incentives for affordable housing by April 2025.                                                                                                                                                                                                                                                                       | Priority and expedited review process prepared, however no new projects with affordable units were received in 2024. Zoning code amendments to the affordable housing chapter, including the updates to review bodies and park fee waiver, prepared and expected for adoption before April 2025.                                                                                                                                                                                                                                                                                                                                                       |
| Housing for Extremely Low, Very Low, Low, and Moderate Income Households and Special Needs Households, Including Persons with Disabilities (Program 9)                                         | Annual contact of developers. Assist 25 lower income or special needs households with the fee waiver program. Use of one or more incentives for lower income and/or households with persons with disability housing development in one project throughout the planning period.         | Annual review of funding opportunities, collaboration with services providers, and contact of developers. Annual developer workshop and proactive contact of housing developers. Coordination with Contra Costa County by April 2024. Development of fee waiver program by October 2024. Zoning Ordinance amendments for parking reduction by April 2025. | Fee waiver program and asset fund policy in progress. Zoning code amendments for reduced parking standards, reduced senior parking requirements, and park fee waivers prepared, with adoption expected before April 2025. Housing developer and housing service provider contacts will be conducted; funding availability review ongoing. No new lower income or special needs housing applications received; the City continues to work with developers of entitled affordable projects to complete construction.                                                                                                                                     |

|                                                                                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |

Electronic permitting system implemented.                                                                                                                                                                                                                                                                                                                                                                                         |
| 2023-2031 H.E.: Rehabilitation Assistance (Program 16)                                          | Provide information about County and other rehabilitation programs to 40 households, landlords, or developers annually. Rehabilitation of 20 units throughout the planning period, 5 extremely low, 5 very low, 5 low, and 5 moderate.                                                                                                                                                                                                                                                   | Ongoing, with annual assessment of funding opportunities to reinstate the City's Rehabilitation Program                                                                                                                                                   | Rehabilitation assistance information provided at City Hall, including energy efficient rebate programs. The Pinole Energy Enhancement Rebate Program (PEER), a collaboration with the County, launched January 1, 2024, with 27 applications processed in 2024. The City continues to explore funding availability through local, State, and federal programs.                                                                                                                                                      |
| 2023-2031 H.E.: Acquisition/ Rehabilitation of Properties (Program 17)                          | Provide information about County and other rehabilitation programs to 40 households annually. Development of 50 units, including the 33-unit SAHA project, during the planning period.                                                                                                                                                                                                                                                                                                   | Ongoing, as funding is available.                                                                                                                                                                                                                         | 33 unit SAHA development is under construction. Information about rehabilitation programs provided. Initiated partnership with nonprofit organization to pursue rehabilitation program. The City and PBF Housing Fellow are working on a municipal Social Impact Bond program to rehabilitate abandoned properties, create affordable housing, and foster economic equity by involving BIPOC contractors. Work also includes reinstating the City's Rehabilitation Assistance Program to improve housing conditions. |
| 2023-2031 H.E.: Housing Preservation/Below Market Rate Regulations and Conversions (Program 18) | Contact of property owners and affordable housing developers/providers at least twice throughout the planning period to pursue preservation or extension of at-risk units that are set to expire in the next 10 years. Ensure that 100% of housing for low- and moderate-income units assisted or constructed by the former Redevelopment Agency remains in compliance with rental and resale restrictions. Annual compliance monitoring of all affordable units (anticipated over 400). | Notification processes as covenants for below-market rate units are set to expire. Contact of property owners and affordable housing developers/providers at least twice throughout the planning period. Monitor rental and resale restrictions annually. | Compliance monitoring ongoing. The City and the PBF Housing Fellow are working on redesigning and relaunching the city's rental registry, ensuring comprehensive monitoring and tracking of rental properties, compliance with health and safety standards, and a transparent system for identifying at-risk units.                                                                                                                                                                                                  |
| 2023-2031 H.E.: Place-Based Improvements (Program 19)                                           | Completed Capital Improvement Projects and Adopted Environmental Justice Element                                                                                                                                                                                                                                                                                                                                                                                                         | As identified in CIP Schedule; Environmental Justice Element adopted by the end of 2023. BayREN rebates in the 2022-23 fiscal year.                                                                                                                       | Environmental justice element is in draft stages. Executed partnership with BayREN on rebate program, and implemented program with available funding. Active Transportation Plan has been drafted and is under review. Park Master Plan completed. Improvements at Fernandez completed. Grant writing professional services obtained.                                                                                                                                                                                |
| 2023-2031 H.E.: Fair Housing Resources and Services (Program 20)                                | Provide annual workshops or information fairs with the County fair housing provider or another qualified fair housing provider. Provide fair housing resources or referrals to 50 households annually.                                                                                                                                                                                                                                                                                   | Biennial fair housing workshops. Ongoing provision of resources and referrals to fair housing service providers. Review of demographics to determine appropriate translation and interpretation languages by 2027 and 2031.                               | Resources, information, and direction provided as questions are received on an ongoing basis.                                                                                                                                                                                                                                                                                                                                                                                                                        |
| 2023-2031 H.E.: Displacement Prevention/Housing Mobility (Program 21)                           | Conducted workshop within one year of adoption. Provide resources on source of income discrimination and housing choice vouchers to 35 households annually.                                                                                                                                                                                                                                                                                                                              | Review in 2027. Revise zoning ordinance to require affordable unit replacement by April 2025; create and distribute informational materials by April 2025, with annual outreach to tenants and relevant organizations. Conduct workshop by April 2024.    | Connected with ECHO housing to make information on fair housing resources and workshops available.                                                                                                                                                                                                                                                                                                                                                                                                                   |
| 2023-2031 H.E.: Housing Resources Education (Program 22)                                        | Provision of housing information to approximately 75 residents annually.                                                                                                                                                                                                                                                                                                                                                                                                                 | Provision of information by October 2024. Presence at community events at least once per year.                                                                                                                                                            | Unit development, permitting, and housing resource information provided at National Night Out event. Information also available at City Hall.                                                                                                                                                                                                                                                                                                                                                                        |
| 2023-2031 H.E.: ADU, JADU, and SB 9 Education and Promotion (Program 23)                        | 5 ADUs annually; 1 JADU annually.                                                                                                                                                                                                                                                                                                                                                                                                                                                        | Develop outreach strategies and compile resources by April 2025. Promotion of Home Sharing and Tenant Matching (Program 11) 6 months after program development. Outreach at no less than 2 events annually.                                               | Information on ADUs, JADUs, SB 9 provided at National Night Out event. 9 permits for ADUs issued in 2024.                                                                                                                                                                                                                                                                                                                                                                                                            |

## ANNUAL ELEMENT PROGRESS REPORT Housing Element Implementation

Note: "+" indicates an optional field

Cells in grey contain auto-calculation formulas

**Table F**

### Units Rehabilitated, Preserved and Acquired for Alternative Adequate Sites pursuant to Government Code section 65583.1(c)

Please note this table is optional: The jurisdiction can use this table to report units that have been substantially rehabilitated, converted from non-affordable to affordable by acquisition, and preserved, including mobilehome park preservation, consistent with the standards set forth in Government Code section 65583.1, subdivision (c). Please note, motel, hotel, hostel rooms or other structures that are converted from non-residential to residential units pursuant to Government Code section 65583.1(c)(1)(D) are considered net-new housing units and must be reported in Table A2 and not reported in Table F.

| Activity Type                 | Units that Do Not Count Towards RHNA <sup>+</sup><br>Listed for Informational Purposes Only |                              |                         |                          | Units that Count Towards RHNA <sup>+</sup><br>Note - Because the statutory requirements severely limit what can be counted, please contact HCD at <a href="mailto:apr@hcd.ca.gov">apr@hcd.ca.gov</a> and we will unlock the form which enable you to populate these fields. |                              |                         |                          | The description should adequately document how each unit complies with subsection (c) of Government Code Section 65583.1 <sup>+</sup> . For detailed reporting requirements, see the checklist here:<br><br><a href="https://www.hcd.ca.gov/community-development/docs/adequate-sites-checklist.pdf">https://www.hcd.ca.gov/community-development/docs/adequate-sites-checklist.pdf</a> |

| Tenant Preference Policy |

Local governments are required to inform HCD about any local tenant preference ordinance the local government maintains when the jurisdiction submits their annual progress report on housing approvals and production, per Government Code 7061 (SB 649, 2022, Cortese). Effective January 1, 2023, local governments adopting a tenant preference are required to create a webpage on their internet website containing authorizing local ordinance and supporting materials, no more than 90 days after the ordinance becomes operational.

|                                                                                                                                                                         |    |  |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----|--|
| Does the Jurisdiction have a local tenant preference policy?                                                                                                            | No |  |
| If the jurisdiction has a local tenant preference policy, provide a link to the jurisdiction's webpage containing authorizing local ordinance and supporting materials. |    |  |
| Notes                                                                                                                                                                   |    |  |

| <p>The City's pool has five (5) lanes with depth ranges from 3.5 feet to 9 feet. The City also offers a small pool for beginners, small children or parent getting their children use to the water. The children's pool measures 25' x 25' and is two and a half (2.5) feet deep. The facility and pool offer amenities such as a handicap chair lift and full lockers to put your personal items and showers. Maintenance costs have been high due to the age and condition of the pools and associated equipment, and the main pool had to be closed for a number of months. This project will fully renovate and upgrade the pools along with associated amenities.</p> |                                                |                      |                      |                                 |                      |  |                  |                  |                                    |  |  |                  |  |
